INVESTIGATION PERTAINING TO
OBTAINING BIRTH CERTIFICATE OF DECEASED INFANT
BY EMILY H. HARRIS,
SANTA BARBARA, CALIFORNIA

FEDERAL BUREAU OF INVESTIGATION

Date 12/10/73

[redacted], Bureau of Vital Statistics, County
Recorders Office, Santa Barbara, California, furnished the
following information:

At about 3:00 pm on 11/30/73 a young woman came
into her office and asked to review birth and death records.
She said that she had been there several days before and
had filled out an application to review records. [redacted]
asked what her name was and she said MARY HENSLEY.
[redacted] then found the application on file which was dated 11/21/73.
HENSLEY paid the \$2.00 fee and began to look through the
records. She looked through volume 45 of the birth records
which covers November and December, 1952. She then reviewed
death records in book number 23, which covers the last half
of 1952 and the first half of 1953.

During this review [redacted] noticed that HENSLEY
was making notes on a piece of paper. She observed at one
point that HENSLEY had written the names MANKIN and FORRESTER
on the paper. After going through these records HENSLEY then
returned to the counter and requested a duplicate birth
certificate for CYNTHIA SUE MANKINS, born 12/17/52. [redacted]
filled out the application for the duplicate record and asked
HENSLEY for her name and address again. HENSLEY said that her
name was MARY SCHWARTZ and her address was 1923 De La Vina,
Santa Barbara, California. [redacted] then furnished a copy of
the MANKIN birth certificate to HENSLEY for the fee of \$2.00.

HENSLEY then asked if she could get the birth dates
of MANKIN's parents. [redacted] looked at the certificate and
noticed that the mother's maiden name was FORRESTER. [redacted]
told HENSLEY that it would require a complete different
search to obtain these dates. HENSLEY then forgot the matter.
She then left.

[redacted] recalled that when HENSLEY came in she
asked about a bag that she had left when she was in before.

[redacted] Bureau of Vital Statistics, Santa Barbara County Courthouse, Anacapa and Anapamu Streets, was exhibited a group of eight photographs of young females, and from these photographs she chose the photograph of EMILY MONTAGUE HARRIS, white female, date of birth February 11, 1947, as being the individual depicted on this photograph as having the greatest resemblances to the girl who identified herself as MARY HENSLEY on November 30, 1973 at the Bureau of Vital Statistics, Santa Barbara County Courthouse, Santa Barbara, California.

[redacted] recalled that the girl she had made reference to, MARY HENSLEY, had been in on November 21, 1973, and made application under the name MARY HENSLEY to review birth and death records. At this time, HENSLEY had with her a young puppy, possibly a Shephard, in her arms, and was carrying a brown paper bag. HENSLEY was told by [redacted] after she completed the application that she would have to pay \$2, which is the normal fee, should she purchase a birth or death certificate. She stated HENSLEY then departed the Bureau of Vital Statistics, forgetting the brown paper bag, and stated to them she was going outside to get the \$2.

[redacted] advised that HENSLEY did not come back for this brown paper bag and did not appear at the Bureau of Vital Statistics again until November 30, 1973. [redacted] advised that the brown paper bag contained the following items:

One box of Kotex
Several candy bars, make unknown
Quantity of dried dog food

She stated she put this brown paper bag away on the shelf behind the counter, because she thought possibly HENSLEY would return.

The second time she came to the Bureau of Vital Statistics, on November 30, 1973, she furnished her name as MARY SCHWARTZ and gave an address of 1923 De La Vina Street, Santa Barbara, California.

[REDACTED] recalled that the second time that HENSLEY came in, on November 30, 1973, she paid \$2 for a duplicate birth certificate for one CYNTHIA SUE MANKINS, born December 17, 1952, and that on this occasion, she reminded HENSLEY that she had left a brown paper bag on her previous visit of November 21, 1973, and HENSLEY immediately acknowledged that this was her bag, accepted it, and then departed the Bureau of Vital Statistics.

[REDACTED] described the girl depicted in the photograph as EMILY MONTAGUE HARRIS and the girl that she had recalled being in the Bureau of Vital Statistics using the name MARY HENSLEY as dressed in an unkempt, hippie style manner, female Caucasian, in her early 20's, 5'6" to 5'8", long, blondish, possibly light brown hair, average build, with dirty clothing.

On March 3, 1974, SA [REDACTED] exhibited photographs of WILLIAM TAYLOR HARRIS, date of birth January 22, 1945, and EMILY MONTAGUE HARRIS, also known as Schwartz, date of birth February 11, 1947, to SA [REDACTED] at the office of the Santa Barbara Resident Agency.

SA [REDACTED] immediately recalled, after viewing the photograph of EMILY MONTAGUE HARRIS, that this photograph appears to be identical to one MARY HENSLEY that had been observed at the Bureau of Vital Statistics, County Recorder's Office, Santa Barbara, California, by SA [REDACTED] on November 30, 1973.

On November 30, 1973, Mrs. [REDACTED] Bureau of Vital Statistics, County Recorder's Office, County Courthouse, Santa Barbara, California, telephonically contacted SA [REDACTED] at approximately 3:00 p.m. at the Santa Barbara Resident Agency and advised SA [REDACTED] that a young woman was back at the Bureau of Vital Statistics and had asked to review birth and death records. [REDACTED] maintained that this same girl had previously been at the Bureau of Vital Statistics and had filled out an application to review birth and death records on November 21, 1973.

SA [REDACTED] advised Mrs. [REDACTED] he would immediately proceed to the Bureau of Vital Statistics in an effort to attempt to identify this young girl from observation.

SA [REDACTED] immediately walked to the Bureau of Vital Statistics from the Santa Barbara Resident Agency, a distance of three blocks, and entered the east door of the Santa Barbara Courthouse at Anapamu and Anacapa Streets, and proceeded to the Basement Room that houses the Bureau of Vital Statistics, where he made contact with [REDACTED]. [REDACTED] pointed out a young girl who had identified herself to [REDACTED] as MARY HENSLEY, [REDACTED] related to SA [REDACTED] that this was the girl she had made

reference to in the call to SA [REDACTED] at the Santa Barbara Resident Agency.

It should be noted the room that houses the Bureau of Vital Statistics in the Santa Barbara Courthouse is approximately 30 feet by 40 feet, and [REDACTED] the Vital Statistics section [REDACTED]

At the time SA [REDACTED] observed the individual identified by [REDACTED] as MARY HENSLEY, she was standing at the counter reviewing a record and making notes in a bound, lined school type notebook, approximately 8½ inches by 11 inches.

HENSLEY was observed by SA [REDACTED] approximately 3 feet away from the side, from the rear, and in the front for approximately a 5 minute period. At all times during the observation by SA [REDACTED] HENSLEY was standing at the counter making notes in her notebook or walking in among the open files.

From this physical observation of MARY HENSLEY at the Bureau of Vital Statistics, she is described by SA [REDACTED] as follows:

Race	Caucasian
Sex	Female
Nationality	American
Age	20 to 23
Height	5'6" to 5'8"
Weight	130 to 135 pounds
Hair	Long, light brown, worn down to waist
Eyes	Blue
Clothing	Blue-gray knit sweater, bulky knit type; blue bib type overalls with white stripe, overalls had carpenter type pockets and contained a hammer loop

Teeth
Appearance

Very good
Attractive, but was
unkempt and clothing
was dirty

While SA [REDACTED] was observing MARY HENSLEY, he heard [REDACTED] tell HENSLEY that she had left a brown paper bag at the Bureau of Vital Statistics when she had been there previously, and HENSLEY acknowledged that, in fact, she had left this bag, and [REDACTED] was observed to give HENSLEY this small, brown paper bag.

SA [REDACTED] exited the Bureau of Vital Statistics after [REDACTED] gave HENSLEY this brown paper bag, and it was assumed by SA [REDACTED] that HENSLEY was about to depart the Bureau of Vital Statistics, and SA [REDACTED] wished to leave ahead of her in an effort to try to observe her meet with someone or enter a vehicle so that a license plate or description of a vehicle could be obtained for identification purposes. SA [REDACTED] stood outside the Santa Barbara Courthouse, Bureau of Vital Statistics, across the street, where he had a good view of the eastern entrance to the Bureau of Vital Statistics, for approximately a half hour; however, did not observe HENSLEY leave the Bureau of Vital Statistics, and no vehicle was observed, nor was she seen to meet anyone.

It should be noted the Bureau of Vital Statistics, Santa Barbara County Courthouse, has an eastern entrance at the top of the stairway and also an exit to the west at the top of the stairway, and it is believed by SA [REDACTED] that MARY HENSLEY exited the Bureau of Vital Statistics by way of the western exit. SA [REDACTED] returned to the Bureau of Vital Statistics in approximately one-half hour after he had left and recontacted [REDACTED] who advised that MARY HENSLEY had left the Bureau of Vital Statistics right after SA [REDACTED] departed.

[redacted] California, [redacted] identified the signature of Firearms Transaction Record Number 626 as his signature and stated he had also completed the sales invoice, number 465470, concerning the sale of a 9MM rifle to [redacted] on March 20, 1973.

[redacted] advised he had worked as a [redacted] from October, 1972, to July of 1973. He estimates that during that time he sold in excess of 100 rifles and it is very difficult for him to recall any specific person or details regarding a particular sale.

Upon being reminded that this particular buyer had furnished an address and telephone number in Santa Barbara, California, [redacted] advised he believes [redacted] as possibly one of three individuals who came into the store and purchased the rifle. He recalls the three men were interested in buying ten military style clips for 9MM rifles and the store did not have these in stock. They had indicated they were returning to Santa Barbara, California, and left a telephone number where they could be reached if any clips could be located. About two weeks later the same three individuals returned to the store but the buyer of the desired were never available. He recalls the buyer of the rifle was a tall, white, male, with a beard, in his 20s. His two companions were also white, males, in their 20s and clean shaven.

[redacted] added although he recalls three white, males in the store purchasing a rifle he cannot be absolutely certain that one of these males was [redacted] or that the three males he is describing were connected with the [redacted] sale.

[REDACTED] stated that she had just completed telephonically discussing this matter with her attorney, [REDACTED], who advised her not to discuss anything with the FBI, but she felt that as long as the questions put to her were not against her interest, she would go against the instructions of her attorney and respond to those questions.

With respect to any other questions put to her, [REDACTED] would only reply that she did not have any information of value to furnish with respect to the PATRICIA HEARST kidnaping or the SLA. INVESTIGATION REGARDING
SOURCES OF PLUM WINE

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 4/16/74

On April 9, 1974, [redacted] of [redacted] Ada's, 6299 Highway 9, Felton, California, was contacted at his business, which is a bar and adjacent liquor store.

[redacted] was asked if his liquor store carried plum wine. [redacted] advised that he only carried San Martin plum wine.

[redacted] was then asked to observe a series of photographs of Symbionese Liberation Army (SLA) members, including a "two-view mug" photograph of DONALD DAVID DE FREEZE. While observing each photograph, [redacted] advised that the photograph of DE FREEZE looked like a black male who had entered his liquor store on April 3, 1974, at approximately twelve midnight.

[redacted] advised that this individual entered his bar and asked for one pint of Wild Turkey (whiskey) and one pint of Jose Carvy "Gold" (tequila). The black male paid for the two bottles of liquor with a \$100.00 bill. [redacted] became suspicious of the individual because [redacted] was afraid to enter the rear of his liquor store to make change, afraid that the individual might be setting him up for an armed robbery. By going to the rear of the store to make change, [redacted] might give away where his extra cash was stored. [redacted] advised that luckily, he had enough cash in the till to make the change from the \$100.00 bill. While the transaction occurred, [redacted] felt that the individual was very suspicious of [redacted] actions. [redacted] advised that he was "scared." The individual exited the liquor store. [redacted] advised that the individual, upon exiting, turned to the right. [redacted] did not attempt to observe what type of vehicle the Negro male drove away in because he was still frightened of what might occur. [redacted] advised that he did hear a "Volkswagen sounding" vehicle start up and drive away. Direction of exit is unknown.

[redacted] described this unknown individual as follows:

150 - 160 pounds
Western-type hat with a
flat brim (when questioned
further, [REDACTED] advised that
this was the type of hat he
had seen other "sporty" Negro
males wearing.)

[REDACTED] advised this Negro male was very light
complexioned and he was wearing what [REDACTED] believed to be
a Levi-jacket with embroidery work on the collar area. The
unknown individual had sideburns to approximately the bottom
of his earlobes and his hair was trimmed neat. The mustache
was shorter than depicted in the photograph of DE FREEZE. It
did not curl at the edge of the unknown individual's lips.

Following this conversation, [REDACTED] independently
advised that approximately two to three weeks ago, in
separate instances, three or four days apart, different
white, female "hippy" types came into his liquor store and
requested Akadama Plum Wine. In both instances, [REDACTED]
advised the women that he was out of any plum wine. [REDACTED]
did advise that plum wine seems to be quite popular with
young, "hippy" types in the area, and it would not be
unusual for individuals to request a particular brand.

[REDACTED] was advised that this interview was a follow-up resulting from his tentative identification of DONALD DAVID DE FREEZE on April 9, 1974 as the Negro male who purchased liquors from [REDACTED] store on April 3, 1974. [REDACTED] was furnished 14 black and white and colored photographs of Negro male adults. Included were arrest photographs, close-ups and standing pose photographs with various backgrounds.

After close scrutiny, [REDACTED] chose three photographs as possible lookalikes of the Negro male who entered his store on April 3, 1974 who [REDACTED] had tentatively identified on April 9, 1974 from photographs of DONALD DAVID DE FREEZE.

Included in the three photographs was one photograph of a [REDACTED]. The other two photographs were of DONALD DAVID DE FREEZE. FEDERAL BUREAU OF INVESTIGATION

Date May 16, 1974

[redacted] San Francisco, telephone number [redacted] was advised of the identities of the interviewing agents, and that he was being interviewed concerning his knowledge of a 1970 red and white Volkswagen Bus bearing California Temporary Sticker Number 5303850, which, this date, had apparently been used in an armed robbery in Southern California.

[redacted] stated that on May 6, 1974, he had sold this vehicle to a Negro male who identified himself as [redacted]. He stated that he had had this vehicle for approximately four months prior to the sale to [redacted] and had originally purchased it from Household Finance Corporation in Canada who had obtained the car as a repossession.

[redacted] stated that he had advertised the sale of this vehicle in the San Francisco flea market newspaper by the name of "Progress" and had listed both his home and garage telephone numbers in the advertisement. He stated that on approximately May 5, 1974, he received a telephone call from a male who indicated he was interested in purchasing the vehicle and subsequently made an appointment with the caller to meet him at his place of business at 12:30 p.m. on May 6, 1974. [redacted] stated that by 12:30 p.m. on May 6, 1974, the caller had not arrived so he left for lunch. When he returned with his wife approximately one hour later, the individual, later identified to him as [redacted] was waiting there and, according to his employer, [redacted] had been waiting approximately one hour for him to return.

[redacted] stated that [redacted] was accompanied by a Negro female and a female child approximately three years of age.

[redacted] stated that he then took [redacted] the Negro female, and the child for a test drive, and both he and [redacted] drove the vehicle. Following the test drive, he and [redacted] argued about the price of the vehicle and finally settled on a

a figure of \$1000. Cost of the license for the vehicle was \$32.00, and sales tax amounted to \$55.00. Total price, therefore, was \$1,097.00.

[REDACTED] stated that [REDACTED] paid for the vehicle in cash of small denominations, the largest being a \$20 bill. When paying, he produced a stack of bills in a rubber band which had a small piece of paper on top which indicated an amount of \$1,100. [REDACTED] further indicated that [REDACTED] had in his possession a dark, vinyl-type briefcase, approximately 14" by 16" in size. The briefcase had a handle and a lock, and [REDACTED] always carried this briefcase everywhere he went, including the time he went to the restroom.

[REDACTED] described the Volkswagen Bus as having a white top, red bottom, and lavender curtains which were not put up on the windows but were laying inside the vehicle. [REDACTED] indicated that his records reflect that the mileage on the Volkswagen Bus at the time of sale was 51,700 miles. He also indicated that one of the seats of the vehicle was not attached, and he made an appointment with [REDACTED] for the following day to have this seat attached. He stated that he could not attach it on the date of purchase because he did not have the proper brackets.

Following the purchase of the vehicle, the appropriate Department of Motor Vehicles (DMV) registration papers were filled out.

[REDACTED] furnished the following documents which are being retained as evidence:

Report of Sale, Used Vehicle, No. 5303850 which contains a signature of [REDACTED]

Application for Registration of Non-Resident Vehicle which contains a signature of [REDACTED]

The remaining items were either filled out by his office or the Department of Motor Vehicles in Sacramento, California, and pertain to the sales record of the vehicle:

Report of Deposit Fees dated May 15, 1974;

Temporary Operating Permit dated May 14, 1974.

[REDACTED] stated that [REDACTED] was waiting in a faded light blue [REDACTED] 1966 four-door Buick with last year's temporary plates (green colored) on the rear window when he [REDACTED] arrived at his garage on May 6, 1974.

Following the purchase of the red and white Volkswagen, [REDACTED] indicated he would return the next day to get the seat attached, however, the next day, he telephoned [REDACTED] and indicated he could not make it that day but would come the next day. [REDACTED] stated that [REDACTED] never did return to have the seat attached in the red Volkswagen.

[REDACTED] further indicated that [REDACTED] furnished his address as 1111 Fillmore, San Francisco, but when he learned that he would have to wait for DMV to mail the "pink slip", he requested that the plates and pink slip be mailed to the Golden Gate Garage and he would pick them up there. [REDACTED] stated that [REDACTED] wanted the plates mailed to the Golden Gate Garage because he was moving to San Jose the following day and would no longer be living at the [REDACTED] Street address.

[REDACTED] recalled that while haggling for the price of the vehicle, [REDACTED] stated he would be driving the vehicle to the World's Fair in Spokane, Washington. [REDACTED] also made the comment that he had once been in Germany and knew that German cars were well made.

On May 20, 1974, at the request of the Los Angeles Division, Special Agent [REDACTED] document examiner, Laboratory Division, traveled to Los Angeles to examine evidence recovered during raids of SLA pads in the Los Angeles area on May 17, 1974.

[REDACTED] reviewed evidence recovered and extracted evidence that might be of value for document examination. [REDACTED] compared the writing on portions of the recovered evidence with known writing of SLA suspects which resulted in the identification of the writing of Nancy Ling Perry and Camilla Hall. Similarities were also observed in comparing some of the writing on the evidence recovered with writings of Donald De Freeze and Patricia Michelle Soltysik.

The evidence examined along with other evidence to be examined were brought to the Laboratory by [REDACTED] for additional processing.

Arrangements were also made with the Los Angeles Police Department to obtain photographs of evidence recovered by that department from the bodies of suspects for submission to the FBI Laboratory.

RECOMMENDATION: None. For information only.

Specimen received 4/26/74, under cover of letter dated 4/7/74
(PC-K7190 PR)

Q985 Cartridge from 1967 Oldsmobile, California license number UGS-045

Result of examination:

The results of the requested latent fingerprint examinations are being reported separately.

Specimen Q216A is a .30 Carbine caliber cartridge which was identified as having been loaded into and extracted from the same weapon which fired the four cartridge cases from the abduction scene, specimens Q15 through Q18, and the two cartridge cases found outside the bank, specimens Q213 and Q214. The Q201 through Q204 cartridges found in the bank were also loaded into and extracted from this same weapon.

Specimen Q216A has been loaded with a copper-jacketed bullet. The "LC 42" headstamp indicates it was originally manufactured by the Lake City Ordnance Plant.

The Q216B nickel-colored cartridge found in the vehicle contains no gunpowder and appears to be toy ammunition.

Specimens Q232 through Q982 consist of fifteen boxes containing 751 .30 Carbine caliber cartridges. All of these cartridges have been loaded with copper-jacketed bullets. They bear a "30 M1 59" headstamp which indicates they are of Dominican Republic manufacture. Cartridges of this type are imported by the Mars Equipment Corporation, Chicago, Illinois. Nothing was found to indicate that any of the Q232 through Q982 cartridges were loaded into or extracted from a weapon.

Specimen Q985 is a 6mm Remington caliber cartridge of Remington-Peters manufacture which has been loaded with a 100-grain copper-jacketed, "soft point" bullet. Nothing was found to indicate that this cartridge has been loaded into or extracted from a weapon. Further, nothing was found to associate this cartridge with previously submitted ammunition.

Specimens Q217, Q218, Q227 and Q228 are typical of automobile debris which accumulates during normal every day usage. The mineralogical debris in Q217, Q218 and Q227 is too mixed and contaminated to be of lead or comparison value.

Specimen Q228 contains numerous black silica slag particles and a few metal shavings. Therefore, it is likely

that the person or persons using the 1974 Hornet were in a steel or iron manufacturing area inasmuch as black silica slag is a common byproduct of such areas. Also, it is noted that black silica slag is also commonly used in sand blasting operations such as those conducted at Naval shipyards.

Numerous blond and brown head hairs of Caucasian origin and a few black head hairs that exhibit Mongoloid characteristics were found in the Q217 and Q218 vacuum sweepings from the 1973 Ford. One blond Caucasian head hair was found on the Q220 paper tissue from the same car. Specimen Q223 includes a brown Caucasian pubic hair. The above hairs were mounted on glass microscope slides for possible future comparisons. No hairs were found on the Q219 paper tissue.

Fibers of various types and colors from specimens Q217 through Q220 were placed in pillboxes for possible future comparisons.

Several blond and brown Caucasian head hairs and a brown Caucasian pubic hair were found in the Q227 vacuum sweepings from the 1974 Hornet. Several blond, brown and black Caucasian head hairs were found in the Q228 vacuum sweepings from the same car. These hairs were mounted on glass microscope slides for possible future comparisons. The hair adhering to the Q222 dome light is a dog hair. No hairs were found on the Q225 paper tissue.

Fibers from specimens Q225, Q227 and Q228 were placed in pillboxes for possible future comparisons.

Specimen Q226 is a silk scarf with a floral design and which measures 10" x 58". No labels, visible laundry marks or invisible laundry marks are present on the scarf. No hairs were found on the scarf.

Foreign brown-black tarlike deposits noted on specimen Q221 lack sufficient identifying characteristics to specifically associate these tarlike deposits with a particular source or origin. These foreign tarlike deposits are suitable for comparison purposes.

All of the above-listed specimens are being retained in the Laboratory for future comparison purposes.

The Hibernia Bank robbed at about 9:45 a.m., 4/15/74, by four white females and a Negro male identified as CAMILLA HALL, PATRICIA SOLTYSIK, NANCY LING PERRY, PATRICIA HEARST, and DONALD DAVID DE FREEZE. All identified as members or sympathizers of Symbionese Liberation Army (SLA), kidnapers of PATRICIA HEARST. Bank robbers with the exception of SOLTYSIK appeared to have been armed with .30 caliber carbines with pistol grip. SOLTYSIK armed with revolver. Loss: \$10,690.00. Escape made in afore described stationwagon with the red Hornet parked across the street occupied by four young white males, no further description, serving as a back-up unit. Occupants of this vehicle observed to be in possession of a rifle as they trailed the getaway car. Both vehicles recovered approximately ten blocks from the bank.

EXAMINATIONS DESIRED

(1) All items where surface is such that it could retain a latent fingerprint should be processed for such

prints and comparison be made against the fingerprints of DONALD DAVID DE FREEZE, FBI Number 606 723 D, and if feasible, latents should be compared with latents on items of personal property where previously submitted for HALL, SOLTYSIK, HEARST, and PERRY. Photographs of latents developed should be retained for comparison at some subsequent date against suspects that might be developed in the back-up car, the red Hornet, and against the time when an arrest is made and fingerprints are available for four females mentioned above.

(2) The FBI Laboratory is requested to examine items (1) and (2), verify that they are live, and check the casings for any ejectors and barrel markings.

— (3) Laboratory review contents of vacuum cleaner bags looking toward developing types of soil which may give leads as to location from which occupants of car recently came. Item (23) is a section of the floor board mat submitted for elimination or control purposes as to items that might be found in the vacuum cleaner bags.

(4) Examine Kleenex, containers, etcetera, for any foreign items such as fibers, hairs, which might have evidentiary value for comparison with items that might be recovered at a subsequent date.

(5) Examine scarf for laundry, dry cleaning marks, foreign substances, and descriptive or identifying data as to manufacturer or seller of Item (35).

(6) Examine tar appearing substance in Item (16) for any particular unusual characteristics that might be utilized in leads to determine particular locations where UNSUBS might have been frequenting and might assist in locating current residences for them.

(7) Attempt to characterize the source of the hair sample in Item (20) (dog, man, girl, etcetera).

The enclosed items should be treated as evidence and it is requested that after the examination is completed, the enclosed items along with the results of the examination be furnished to San Francisco.

CARTRIDGES FROM PARK PRESIDIO SPORTING GOODS STORE:

Q1197-Q1206 100 cartridges in two "Winchester" boxes
Q1207-Q1256 50 cartridges from "Browning" box
Q1257-Q1376 120 cartridges in six "Norma" boxes

Result of examination:

The results of the requested latent fingerprint,
document and rope examinations are being reported separately.

Specimens Q1013 through Q1038 are .38 Special caliber
cartridge cases. Specimens Q1013 through Q1029 and Q1031 through
Q1037 were identified as having been fired in a single weapon.
The firing pin impressions present in the primers of the Q1030
and Q1038 cartridge cases differ from those present in the other
cartridge cases. Therefore, the Q1030 and Q1038 cartridge cases
could not be associated with each other or the weapon represented
by the other cartridge cases. Specimens Q1013 through Q1038
appear to have been reloaded.

Specimens Q1039 through Q1045 are .30 Carbine caliber
cartridge cases. The primers of the Q1042, Q1043 and Q1045
cartridge cases have not been fired and bear no distinct firing
pin impressions. Microscopic markings present on these three
cartridge cases (Q1042, Q1043 and Q1045) were identified as
having been produced by a single source. Although the specific
source cannot be determined, these markings could have been
produced by a reloading tool or the mechanism of a weapon.
Specimens Q1039 and Q1044 were identified as having been fired in
a single weapon. Due to a lack of corresponding microscopic
marks, no conclusion could be reached as to whether the Q1040
and Q1041 cartridge cases were fired in the same weapon.

Nothing was found to indicate that the Q1039 through
Q1045 cartridge cases were fired by or loaded into and extracted

from the same weapon as any of the .30 Carbine caliber cartridges and cartridge cases previously submitted in this case. However, marks on the primer of the Q1045 cartridge case were identified as having been produced by the same source which produced marks on the primers of the Q197 and Q199 cartridge cases and the Q296 cartridge recovered inside the Hibernia tank. Although the specific source cannot be determined, these markings are typical of reloading marks produced during the seating of a primer.

The headstamp "LC 52" present on specimens Q1041, Q1043 and Q1045, as well as the "LC 5" and "LC 53" headstamps present on the Q1042 and Q1044 cartridge cases indicate these cartridge cases were originally manufactured for military use by the Lake City Ordnance Plant, Independence, Missouri. Specimen Q1039 bears a "PC 42" headstamp which indicates Peters Cartridge Company, Kings Hill, Ohio, manufacture. The Q1040 cartridge case bears a "Frontier 30 Carbine" headstamp which indicates commercial manufacture by the Frontier Cartridge Company, Grand Island, Nebraska.

Specimen Q1046 is a 9mm Luger (9mm Parabellum) cartridge case of Remington-Peters manufacture. Specimens Q1047 and Q1048 are .380 Auto caliber cartridge cases of Super Vel manufacture. Marks on the rims of specimens Q1047 and Q1048 were identified as having been produced by a single unknown source. Although specimens Q1046 through Q1049 do not appear to have been fired, the centers of the primers appear to have been punched out by something other than the firing pin of a weapon.

Specimens Q1049 through Q1052 are unfired .22 Long or .22 Long Rifle caliber cartridge cases. Specimen Q1053 is an unfired .22 Long Rifle caliber brass-coated lead bullet. Specimens Q1049 through Q1053 bear no marks of value for identification with a weapon.

Specimens Q1107 through Q1376 consist of nine boxes containing 278 .30 Carbine caliber cartridges. Nothing was found to indicate that any of these cartridges were loaded into or extracted from a weapon.

Specimens Q1107 through Q1206 bear a "W-W 30 Carbine" headstamp indicating Winchester-Western manufacture. These cartridges have been loaded with 110-grain copper-jacketed "follow soft point" bullets. Specimens Q1207 through Q1256 bear a "Browning 30 Carbine" headstamp indicating Browning Arms Company manufacture. These cartridges have been loaded

with 110-grain, copper-jacketed, soft point bullets. Specimens Q1257 through Q1376 bear a "Norma U. S. 30" headstamp indicating Norma Projektilfabrik, Amotfors, Sweden, manufacture. These cartridges have been loaded with 110-grain, steel-jacketed, soft point bullets.

All of the above-listed specimens are being retained in the Laboratory for future comparison purposes.

At 4:25 pm, ASAC Tom Druken, San Francisco Office, telephonically advised that at approximately 2:30 pm today Peter Benenson telephoned the Berkeley Resident Agency. Benenson related that at approximately 8:30 pm on 2-4-74 he was abducted in Berkeley, California, and his automobile was taken by the Unsubs. He said that he was approached by 2 White Females at gunpoint who hit him on the head with a hard object believed to be a rock tied in a cloth, put him in his car and tied his hands. During this period of time, he observed what he believed to be 2 Negro Males and one White Male, none of whom he could describe in any great detail. He said that for approximately 45 minutes he was driven around in his automobile while one of the Unsub women was sitting on top of him while he was prone in the floor of the car. Subsequently, time not known, he was aware of some shots being fired and he heard a woman's voice say "Help Police" or "Help Please." He was not aware of his location at the time of that incident. Subsequently at approximately 9:30 pm, he was released in Berkeley after the Unsubs removed some of his identification, details of which are being obtained. Unsubs told him to be quiet or they would take care of him, meaning they would kill him. He was frightened and spent the night of 2-4-74 at the YMCA in Berkeley and it was from there that he contacted the Berkeley Resident Agency and he is currently being afforded detailed questioning, following which a teletype will be submitted by San Francisco.

This is new kidnapping matter wherein Patricia Hearst (victim), aged 21, daughter of Randolph A. Hearst, President of San Francisco Examiner Newspaper, was kidnaped at gunpoint from her Berkeley, California, apartment by white female and two male Negroes.

White female indicated she was having car trouble and wanted to use telephone. When victim opened door, two males, carrying automatic weapons, fired shots and beat one Stephen Weed, victim's fiancé, who was visiting her. Victim taken away in bathrobe and placed in trunk of white vehicle. Neighbor who heard disturbance also beaten.

Although severely beaten, Mr. Weed called Hearst residence in Hillsboro, California, and advised sister Victoria who in turn notified victim's parents visiting in Washington, D. C. (WDC). Victim's parents notified Berkeley Police Department and requested FBI enter case at once.

Subsequently, ASAC John T. Kelly, San Francisco Office (SFO), telephonically advised SFO unaware of any ransom demand. ASAC Kelly advised he had conferred with Mr. Hearst by telephone at Mayflower Hotel, WDC, who gave him full approval for Agents to enter Hearst residence and arrange with telephone company monitoring of incoming calls. According to ASAC Kelly, victim's parents departing WDC at 9:00 a.m., 2/5/74, via United Airlines and will arrive in San Francisco approximately 11:50 a.m., when they will be in contact with our SFO.

ASAC Kelly also advised due to prominence of Hearst family extensive news coverage being afforded this matter in San Francisco area.

SFO conducting intensive investigation, maintaining contact with local authorities and will keep Bureau advised.

RE SF TELETYPE TO BUREAU FEBRUARY 5 1974.

ADDITIONAL INFORMATION DEVELOPED BY THE SAN FRANCISCO

OFFICE REFLECTS THAT THE VICTIM, PATRICIA HEARST, RESIDES WITH HER FIANCE, STEVEN ANDREW WEED, AT 2603 BENVENUE, APARTMENT 4, BERKELEY. SHORTLY AFTER 9:00PM A WHITE FEMALE CAME TO THE DOOR AND TOLD WEED THAT SHE HAD RUN INTO A CAR OUT FRONT AND NEEDED SOME HELP. WEED THEN SAW A NEGRO MALE BEHIND THE WHITE FEMALE HOLDING SOME TYPE OF SHOULDER WEAPON, SIMILAR TO A DEER RIFLE, AND BEHIND THIS MALE WAS A SECOND BLACK MALE. THE FIRST BLACK MALE WITH A RIFLE FORCED WEED TO THE FLOOR AND DEMANDED TO KNOW WHERE THE SAFE WAS, AND WHERE THE MONEY WAS. EACH TIME HE WOULD ASK THE QUESTION, HE WOULD KICK WEED IN THE FACE.

AT THIS POINT, THE WHITE FEMALE AND THE OTHER BLACK MALE HAD TAKEN THE VICTIM INTO THE KITCHEN AND A NEIGHBOR, STEVEN

ARENAGA, WHO LIVES AT APARTMENT 2, AT 2603 BENVENUE, WAS

ACCOSTED AS HE LEFT THE FRONT DOOR OF HIS APARTMENT BY A

NEGRO MALE HOLDING A RIFLE NEAR THE FRONT OF APARTMENT 4. THIS NEGRO MALE FORCED ~~SUENAGA~~ INTO APARTMENT 4 AND MADE HIM LIE ON THE FLOOR NEXT TO STEVEN WEED. ~~SUENAGA~~ DID NOT SEE ANY OF THE OTHER PEOPLE IN THE APARTMENT BUT HEARD THEIR VOICES AND BELIEVES IN ADDITION TO PAT HEARST AND STEVEN WEED, THERE WERE TWO NEGRO MALES AND ONE FEMALE, WHO WAS POSSIBLY CAUCASIAN. ~~SUENAGA~~ WAS TIED UP AND HEARD ON ^E A NEGRO MALE ASK WHERE THE SAFE WAS. ACCORDING TO ~~SUENAGA~~, ONE OF THE NEGRO MALES REPEATEDLY BEAT WEED ON THE HEAD WITH THE STOCK OF A WEAPON AND THAT HE TOO WAS HIT SEVERAL TIMES BY THE SAME NEGRO MALE. BOTH WEED AND ~~SUENAGA~~ WERE HOSPITALIZED AS A RESULT OF THE BEATINGS.

INVESTIGATION REFLECTS THAT A NUMBER OF SHOTS WERE FIRED IN APARTMENT 4 AND OUTSIDE OF APARTMENT 4. WITNESSES SAW THE NEGRO MALES FORCING THE VICTIM INTO THE TRUNK OF A CAR, POSSIBLY A WHITE CHEVROLET CONVERTIBLE. THE BERKELEY PD ADVISED THAT A 1963 CHEVROLET CONVERTIBLE, CALIFORNIA LICENSE DFK 533, WHICH IS REGISTERED TO PETER BENENSON, WHO LIVES AT 1324 JOSEPHINE STREET, WAS RECOVERED ABANDONED AT 25 TANGLEWOOD ROAD IN BERKELEY, WHICH IS EIGHT TO TEN BLOCKS

FROM THE VICTIM'S RESIDENCE. ~~BENESON~~ IS MISSING. HIS ADDRESS IS IN THE VICINITY OF THE VICTIM'S ADDRESS AND THE POLICE DEPARTMENT HAD LOCATED ON HIS LAWN GROCERIES AND FRESH MEAT SCATTERED ABOUT AND WHEN HIS CAR WAS RECOVERED, A SECOND BAG OF GROCERIES WAS FOUND IN THE AUTOMOBILE. ~~BENESON~~, WHO IS EMPLOYED AT THE UNIVERSITY OF CALIFORNIA RADIATION LABORATORY, IS SINGLE, LIVES ALONE, AND IS REPORTEDLY A RELIABLE INDIVIDUAL.

THE VICTIM'S FATHER, RANDOLPH HEARST, TELEPHONICALLY CONTACTED IN WASHINGTON, D.C., MAYFLOWER HOTEL AND HIS PERMISSION WAS OBTAINED TO ENTER HIS HOME IN HILLSBOROUGH, CALIFORNIA. HEARST EXPRESSED SATISFACTION THAT THE FBI WAS ENTERING THE INVESTIGATION. HEARST STATED HE IS RETURNING TO SAN FRANCISCO 11:50 A.M., FEBRUARY 5, 1974. HEARST ADVISED ~~WILLIAM GOULD~~, PUBLISHER, SAN FRANCISCO EXAMINER NEWSPAPER, WAS CURRENTLY AT THE HEARST RESIDENCE AND WOULD ASSIST THE BUREAU IN EVERY WAY POSSIBLE.

~~GOULD~~ ADVISED THAT THE SAN FRANCISCO NEWSPAPERS HAVE AGREED TO RESTRICT PUBLICITY ON THIS MATTER, HOWEVER, HE IS CONCERNED WHETHER THE EAST BAY AREA NEWSPAPERS AND THE RADIO AND TV COVERAGE WILL BE DISCREET. IN AS MUCH AS HEARST FAMILY IS INVOLVED WITH THE NEWS MEDIA, NUMEROUS REPORTERS FROM THE EXAMINER ARE AWARE OF THIS MATTER.

BACKGROUND: Patricia Hearst (victim), aged 19, daughter of Randolph A. Hearst, President of San Francisco Examiner Newspaper, was kidnaped at gunpoint from her Berkeley, California, apartment evening 2/4/74. Following summarizes numerous demands for ransom received 2/6/74, in San Francisco and Los Angeles Divisions and other pertinent developments:

Our San Francisco Office (SFO) advised anonymous call to Los Angeles Herald Examiner (LAHE) Newspaper, 2/6/74, demanding 15 million dollars for release of victim. Classified ads will be placed in numerous papers to read "Pat is O.K." and caller states victim's father to be at Roosevelt Hotel, New Orleans, Friday, 2/8/74.

SFO also advised individual identifying himself as Leon Smith with demands \$500,000 for release of victim. Money to be placed in Globe taxi cab, Giant Food Store, 14th and Newton, Washington, D.C., by 8:15 p.m., 2/6/74. Our Washington Field Office (WFO) subsequently advised stationary lookout established overlooking Globe cab.

[REDACTED]

SFO also advised two phone calls received San Francisco Examiner wherein unknown man demands \$80,000 and wants two armed FBI men to meet him when he makes next call; no mention of victim and no further contact. SFO Agents located box of nine millimeter jacketed bullets in Berkeley search 2/5/74. Preliminary examination of one cartridge from box indicates quantity of potassium cyanide. Symbionese Liberation Army (SLA) in letter to newspapers claimed SLA killed Oakland, California, Superintendent of Schools who was believed to have been killed with bullets drilled and filled with cyanide.

Los Angeles Office advised unknown male telephoned LAHE at 8:13 p.m., 2/6/74, and asked to talk to same man he talked with last night (2/5/74) (Los Angeles Office previously advised [REDACTED] of LAHE, owned by Hearst Family, received telephone call demanding \$50,000 in small bills and Cessna 150 aircraft for 2/6/74). Los Angeles Agent advised caller he was same person. Caller stated Patricia was O.K. and would be released if everything went O.K. Caller asked if plane ready and instructed drop be made from plane 9:00 p.m., 2/7/74, at golf course, Brea, California. [REDACTED] of LAHE believed caller identical with man who called him earlier.

Victim's father decided he will not authorize \$50,000 payment to caller since he had no identifying information from caller to establish he is actual kidnaper.

Bureau artist at Berkeley preparing artist's conception based on descriptions furnished by witnesses. WFO attempting to identify Leon Smith.

This case involves the kidnaping of Patricia Hearst from her apartment in Berkeley, California, on 2/5/74.

[Redacted] of the San Francisco Office personally delivered to the Laboratory this morning the nylon rope; strips of sheeting used to bind Peter Benenson whose car was stolen and used in the above kidnaping; and a box of 9 millimeter cartridges found in the victim's apartment. These cartridges are hollow-point type. We are to determine if potassium cyanide has been inserted into the hollow points.

The Berkeley, California, Police Department recovered most of the physical evidence from the victim's apartment, but overlooked the box of cartridges submitted for examination.

The examinations are being expedited and you will be advised of any pertinent developments.

SUBJECT: UNKNOWN SUBJECTS (5)
PATRICIA CAMPBELL HEARST - VICTIM
KIDNAPING

SAC Bates, San Francisco, called at 3:40 p. m. today and advised there appeared to be a contact in the Hearst kidnaping. He advised that [redacted] of Station KPEA, 2207 Shattuck Avenue, Berkeley [redacted] called Mrs. Hearst at 11:05 a. m. (San Francisco time) stating that the station had received a note from the kidnaper, accompanied by a Mobil Credit Card bearing the name of Randolph Hearst. It purported to be from the Symbionese Liberation Army dated 2/4/74 and stated that the SLA had their daughter; that she had been tried by that court and found guilty; that she had been taken into protective custody; that she would be released unharmed if their conditions were met; and that there should be no cooperation with the police.

He stated that all the conditions must be published in full and that further conditions would follow. He requested that Mr. and Mrs. Hearst come to the station and pick up the message, stating that he would not afford this any publicity until they had arrived and received the message. He was assured that they would be over immediately to pick up the message and would leave as soon as Mr. Hearst returned and would arrive possibly within 45 minutes. He asked that she not tell anyone and he would wait to announce it on the air after the message was picked up.

Mr. Bates said that Hearst left their home at 11:50 a. m. (SF time) (about 50 minutes ago) and they are in Hillsboro and have to drive to Berkeley and should be there by now. They do not have the message yet and the above was taken down, and from what [redacted] said at the station he is going to publicize it as soon as Hearst picks it up. SAC Bates will advise when the Hearsts return with the note containing the conditions and instructions.

ACTION: For information - you will be kept advised.

SYMBIONESE LIBERATION ARMY
WESTERN REGIONAL YOUTH UNIT

Communique No. 1

Warrant Order:
Execution by Cyanide Bullets

Subject: The Board of Education,
The Implementation of the
Internal Warfare Identification
Computer System

Date: November 6, 1973

Warrant Issued By:
The Court of the People

Charges: Supporting and taking part in the forming and implementation of a
Political Police Force operating within the Schools of the People

Supporting and taking part in the forming and implementation of
Bio-Dossiers through The Forced Youth Identification Program

Supporting and taking part in the building of composite files for the
Internal Warfare Identification Computer System

Target: Dr. Marcus A. Foster, Superintendent of Schools, Oakland, California
Robert Blackburn, Deputy Superintendent, Oakland, California

On the afore stated date, elements of The United Federated Forces of The
S.L.A. did attack the Fascist Board of Education, Oakland, California, through
the person of Dr. Marcus A. Foster, Superintendent of Schools, and Robert
Blackburn, Deputy Superintendent.

This attack is to serve notice on the Board of Education and its fascist
elements that they have come to the attention of The S.L.A. and The Court of
the People and have been found guilty of supporting and taking part in crimes
committed against the children and the life of the people.

This attack is also to serve notice on the fascist Board of Education and
its fascist supporters that The Court of the People have issued a Death
Warrant on All Members and Supporters of the Internal Warfare Identification
Computer System. This SHOOT ON SIGHT order will stay in effect until such
time as ALL POLITICAL POLICE ARE REMOVED FROM OUR SCHOOLS AND ALL PHOTO AND
OTHER FORMS OF IDENTIFICATION ARE STOPPED.

Indictment:

No. 1: The Board of Education has taken upon itself the role of forming and
supporting a Special Political Police Force to occupy and patrol the
schools in our cities. The vast Black, Chicano, Asian and conscious
White youth communities of the Oakland-Berkeley area understand that
this newest extension of police surveillance is patterned after
fascist American tactics of genocide, murder and imprisonment
practiced by American financed puppet governments in Vietnam, The
Philippines, Chile and South Africa. We recognize that the school
system censors and controls what we read, and that the Special
Political Police Force is to censor and control what we say and do.

No. 2: The Board of Education has taken upon itself the role of forming and
supporting the implementation of Bio-Dossiers through the Forced Youth
Identification Program. The Photo Identification Program, with the
addition of composite files, is patterned after the system of apartheid

all our valiant freedom fighters by "re-education" (incarcerating) them to such concentration camps as Tehachari Prison. Under the Preventative Crime Act such concentration camps have the authority to incarcerate our youth from the age of 15 for an "indefinite" period of time. The Preventative Crime Act stipulates that any youth displaying violent or "criminal" potential or the possibility of violent or "criminal" potential in the future, in other words, any youth who opposes the current system of censored Political Police-State education and seek to organize against it are to be classified as dangerous and either disarmed, shot or imprisoned for expressing their rights to be free, and defending the rights to freedom of their fellow brothers and sisters.

No. 3: The Board of Education has taken upon itself the role of supporting taking part in the implementation of the Internal Warfare Identification Computer System. The Internal Warfare Taxes are based in the FBI's master computer system. Each state is required to feed this computer system with information from the composite files of individuals who have expressed political views that may be regarded as differing from those of the fascist ruling class. Members of liberation movements and organizations, as well as single individuals, are identified through photographs and bio-dossiers supplied, in the case of our youth, by Boards of Education and Public School Systems in our cities. The nature of the Internal Warfare Identification Computer System is clear since blacks and other minorities who refuse to serve the rich ruling class are automatically classified as potentially violent and "criminal." The CIA-ITT financed junta government in Chile uses similar bio-dossiers to murder all identified people who oppose the military take over there or who do not serve and support the interests of the wealthy. Similar programs are carried out by governments financed by Amerika and its military corporate enterprises throughout the world: the lands of the robbed; Vietnam, The Philippines, Chile, Brazil, Uruguay, South Africa are some prime examples.

The Black, Chicano, Asian and conscious White youth in our communities recognize the importance of the Oakland-Berkeley area to the liberation struggle of all oppressed people. We know that the ruling class must seek to stop the revolutionary community here before the ruling class can regain its arm of control around the struggling and oppressed people of the world.

We understand that the definition of a fascist government necessitates the elimination of all who oppose its controls. We know that the school system does not educate us, but rather it lies to us in an attempt to perpetuate the interests of the rich ruling class. News of the successful liberation struggle of our brothers and sisters throughout the world is stifled because the enemy fears our knowledge of the fact that a truly determined people can never be defeated. We reject totally the ruling class values of personal material gain and competition among ourselves and we know that the enemy fears our understanding of the fact that nothing is more precious than freedom. The myth of high-style superfluous life and fashion show (a capitalist rip-off) does not swindle us for we know that the fascist government of Amerika supplies the dope and the clothes and wants us to spend the rest of our lives paying for them. We are well aware that a fascist government will always allow some of us to get high, while the rest of us go to concentration camps, and none of us are free.

59

children and youth of our communities. The school system which they represent and serve does not teach us or address itself to the needs of our survival, but rather it does perpetuate the values of big business and the wealthy. Under the current system, the ruling class is educated to exploit, and our children and youth are educated to serve. We are not deceived by the superintendent and deputy. Robert Blackburn is a former director of education for the Peace Corps in East Africa. The Peace Corps, as well as AID, are promoted and financed as a front for the CIA, and have long been arms of American imperialism and racist oppression and genocide. Dr. Foster is a former member of the Philadelphia Crime Commission, and now his advancement within the fascist project found him as initiator, promoter and supporter of Political Police Units, armed with riot shotguns, to patrol our schools.

The Oakland-Berkeley area is considered potentially dangerous to the American ruling class, that is why it has been selected for the Political Police Force within the Schools and the Forced Youth Identification Program. Let it be known to those who sign for the implementation of these fascist programs, that the death of our manchild comrade youth, 14-year-old Tyrone Guyton, murdered on November 1st by three goons from the Emeryville Political Police Patrol, is NOT FORGOTTEN. Tyrone fell victim to the racist enemy who is instituting programs such as those initiated by Marcus Foster and Robert Blackburn aimed at the control, imprisonment, execution and genocide of blacks and other minorities. Let it be known to those who sign for the implementation of these fascist programs, that they sign their own death warrants. We of the black and other revolutionary youth communities have for too long seen the enemy prostitute our mothers, imprison our fathers, shoot our brothers and sterilize our sisters. We have learned from these lessons; therefore, notice is hereby served on the enemy political police state and all its lackeys that we hold as an example to follow the courage of our slain comrade-in-arms Johnathan Jackson and we honor our mothers, fathers, sisters and brothers saying TO THOSE WHO WOULD BEAR THE HOPE AND FUTURE OF OUR PEOPLE, LET THE VOICE OF THEIR GUNS EXPRESS THE WORDS OF FREEDOM.

Communique No. 2

Subject: The Board of Education
The Respecting of the Rights
and Wishes of the People

Notification:
Court Order

Date: November 15,

Order Issued By:
The Court of the People

It has come to the attention of The Symbionese Liberation Army and The Court of the People that the fascist Board of Education has made an attempt to heed and respect the rights and wishes of the people by stating that they will not continue to take part in crimes committed against the children and the life of the people. Therefore, it is the decision of this court that the SHOOT ON SIGHT warrant issued November 6, 1973 be rescinded, and that all forces of the S.L.A. and the People's Army halt their attack on this aspect of the fascist enemy state. However, in the event that the fascist Board of Education does attempt to disguise their intentions and at any time reinstates programs of Political Police Forces in our schools, Forced Youth Identification cards, and contributions to the Internal Warfare Identification Computer System, then the Death Warrant Order is to be immediately reactivated without warning.

The forces of The Symbionese Liberation Army commend the people for their courage in refusing to fall prey to offers of bribery and rewards to be given for information which the enemy will then use against the defenders of the people. We praise the spirit, determination and strength of the vast Black, Chicano, Asian and conscious white communities of the Oakland-Berkeley area, and remind the enemy rich ruling class that the people will always understand the effectiveness and tactics of revolutionary justice, and will never be deceived by the distortions and lies of the fascist news media. Marcus Foster has been likened to one of our slain leaders. We ask, who has ever heard of a Martin Luther King on the Philadelphia Crime Commission? Who has ever heard of an Martin Luther King having an aide who is a CIA agent, formerly acting as director of education for the Peace Corps in East Africa? We are well aware that the fascist news media seeks to condition us by repressing the truth.

The people have seen no evidence to indicate that Deputy Superintendent Blackburn is in fact still alive. Traditionally, the fascist news media is quick to display photographs of members of the enemy state who have managed to survive revolutionary justice and the will of the people. Usually we would see the enemy as he lays in his plush, private hospital room, while the wounds of all oppressed people remain unattended. However, if Blackburn is alive, The Symbionese Liberation Army and The Court of the People wish to point out the contradiction between the medical care received by those who represent the rich ruling class, and that received by members of the poor and oppressed communities who receives the benefits of such care? Tyrone Buyton was shot down, handcuffed and allowed to bleed to death in the gutter. For too long we have seen our people die from the enemy's bullets.

OF THE PEOPLE."

PATRICIA HEARST - VICTIM
KIDNAPING
OO: SAN FRANCISCO

Enclosed for all offices are two photos of the Victim.

For the information of all offices the victim, PATRICIA HEARST, resides with her fiancée, STEVEN ANDREW WEED, at 2603 Benvenue, Apartment 4, Berkeley, and shortly after 9:00 p.m. a white female came to the door and told WEED that she had run into a car out front and needed some help. WEED then saw a Negro male behind the white female holding some type of a shoulder weapon, similar to a deer rifle and behind this male was a second black male. The first black male with a rifle forced WEED to the floor and demanded to know where the safe was and where the money was. Each time he would ask the question, he would kick WEED in the face.

At this point, the white female and the other black male had taken the victim into the kitchen. A neighbor, STEVEN SUENAGA, who lives at [REDACTED] was accosted as he left the front door of his apartment by a Negro male holding a rifle near the front of Apartment 4. This Negro male forced SUENAGA into Apartment 4 and made him lie on the floor next to STEVEN WEED. SUENAGA did not see any of the other people in the apartment but heard their voices and believes in addition to PATRICIA HEARST and STEVEN WEED, there were two Negro males and one female who was possibly Caucasian. SUENAGA was tied up and heard one Negro male ask where the safe

was. According to SUENAGA, one of the Negro males repeatedly beat WEED on the head with the stock of a weapon, and that he too was hit several times by the same Negro male. Both WEED and SUENAGA were hospitalized as a result of the beatings.

Investigation reflects that a number of shots were fired in Apartment 4 and outside of Apartment 4. Witnesses saw the Negro males forcing the victim into the trunk of a car, possibly a white Chevrolet convertible. [REDACTED] advises that a 1963 Chevrolet convertible, California license DFE 533, which is registered to a PETER BENENSON, who lives at [REDACTED] was recovered abandoned at 25 Tanglewood Road in Berkeley, which is eight to ten blocks from the victim's residence. BENENSON is missing. His address is in the vicinity of the victim's address and the police department had located on his lawn groceries scattered about and when his car was recovered, a second bag of groceries was found in the automobile. BENENSON, who is employed at the University of California Radiation Laboratory, is single, lives alone, and is reportedly a reliable person.

Investigation reflects that a second car followed the Chevrolet convertible and this car was apparently occupied by associates of the kidnapers. The best description available is that this is a 1963 or 1964 Chevrolet stationwagon, light colored, with no rack on the top.

Victim, PATRICIA CAMPBELL HEARST, described as:

White female; date of birth 2/28/54; 5'3"; 110 pounds; light brown medium length hair; fair complexion; mole on left chin; scar on inside of lower leg near ankle. At the time of her abduction she was wearing a blue floor length terrycloth robe, solid color, with belt, possibly purchased as I. Magnin. No shoes. Undergarments: No brassiere, underpants.

UNSUB #1 described as:

Male Negro, early 20's, 5'10", 160 pounds, short natural hairdo, wearing fatigue jacket, dark pants, high brown laced boots, carrying rifle.

SF 7-855
MAH:nb

UNSUB #2 described as:

Male Negro, age 20, 5'1" - 6', short natural hairdo, black headband, mustache, wearing blue jean-type Levis, may have been wearing glasses.

UNSUB #3 is described as:

White female, early 20's, 5'5" - 5'6", 110-120 pounds, long dark hair, wearing loose fitting jacket.

The above are the individuals who actually participated in the kidnaping and it is believed that there is another white female and another male, probably Negro, associated with them.

This memorandum is to provide background information regarding the Symbionese Liberation Army (SLA), the organization apparently involved in the 2/4/74 kidnapping of Patricia Campbell Hearst at Berkeley, California.

The SLA came to our attention following the 11/6/73 ambush slaying of Dr. Marcus Foster, Oakland, California, School Superintendent, and the wounding of his assistant, Robert W. Blackburn. On 11/7/73, the "San Francisco Chronicle" and Oakland radio station KPFA each received a communique in which the SLA claimed responsibility for the shooting. This communique described itself as a Warrant Order issued by the Court of the People and targeted Foster and Blackburn for execution by cyanide bullets "for crimes against the children and life of the people." Prior to the receipt of this communique, the Oakland Police Department Laboratory had identified cyanide crystals on bullet fragments taken from Foster's body, thereby supporting the SLA's claim of responsibility for the incident.

On 1/10/74, Joseph Michael Remiro and Russell J. Little were stopped in a van owned by Nancy Ling Perry by a Concord, California, police officer. Remiro, in possession of the caliber .380 automatic used to kill Foster, opened fire on the officer, but he and Little were subsequently apprehended. A search of the van revealed a stack of SLA leaflets. *7-15200-*

12 FEB 12 1974

That evening, a fire believed ~~NOT STARTED BY AN ARSONIST~~ was extinguished a few blocks from where the van had been stopped. The dwelling, which proved to be the residence of Little and Perry, contained pipe bombs, two 25 pound kegs of black powder, ammunition which had been drilled and filled with potassium cyanide, a drawing of the Board of Education building where Foster was killed, a

Re: SYMBIONESE LIBERATION ARMY

clipping file on Foster with his photograph, additional SLA leaflets, and an unmailed SLA communique indicating the group was considering kidnapping three prominent Oakland industrialists and executing them if ransom demands were not met.

On 1/18/74, the "San Francisco Chronicle" received a letter allegedly from Perry in which she stated she had set fire to her residence, the center of the SLA Information-Intelligence Division, to eradicate fingerprints. The article noted the SLA might not be much more than an imaginary organization in Perry's mind.

In a communique, dated 2/4/74, which was delivered to radio station KPFA on 2/7/74, the SLA claimed responsibility for kidnapping Hearst and stated further instructions would follow.

Remiro, who has previously been associated with the Venceremos Organization (VO) and the Vietnam Veterans Against the War (VVAW), has been charged with the murder of Foster, Attempted Murder, and Assault on a Police Officer; Little has been charged with Attempted Murder and Assault on a Police Officer; and there is a local arson warrant for Perry's arrest with a recommended bond of \$200,000. The aforementioned three individuals are all Caucasians. The VO is a Marxist-Leninist-Maoist group based in San Francisco, and the VVAW is made up principally of veterans of the Vietnam war who have been involved in militant activities protesting actions of our Government.

To date, there is no definitive indication how many other persons may be involved with the SLA. The SLA has claimed to be of multi-racial composition, and investigation has indicated this apparently is the case.

BACKGROUND: This concerns kidnaping investigation of Patricia Campbell Hearst (victim), 19-year-old daughter of Randolph A. Hearst, President of San Francisco Examiner Newspaper, who was abducted at gunpoint from her Berkeley, California, apartment evening 2/4/74. Following summarizes pertinent investigative activity regarding this major case:

San Francisco Office (SFO) advised information received 2/7/74, indicates Symbionese Liberation Army (SLA) involved in victim's kidnaping. Information from SLA captioned "Communique #3" (true copy received from SFO) dated 2/4/74, in form of warrant, in essence advised that victim would be unharmed if all future instructions from SLA are followed. Bureau and SFO files indicate previous Communiques No. 1 and No. 2 from SLA appear comparable in many respects with Communique No. 3, i.e., format, verbiage and idioms. Communiques No. 1 and No. 2 did, in fact, pertain to 11/6/73, killing of Doctor Marcus Foster, Oakland, California, Superintendent of Schools, which were sent to various agencies including the daily newspaper San Francisco Chronicle. Superintendent Foster was believed to have been killed with bullets that had been drilled and filled with cyanide.

SFO also advised casings, bullet fragments and slugs earlier recovered by Berkeley Police Department (BPD) in connection with this case obtained by SFO and are being furnished to FBI Laboratory 2/8/74, for appropriate examination; no examination conducted by BPD.

[REDACTED]

Los Angeles Office (LAO) telephonically advised early a.m., 2/8/74, LAO Agents currently providing appropriate coverage Brea, California, Golf Course area where unknown male caller to Los Angeles Herald Examiner Newspaper 2/6/74, demanded \$50,000 in this regard. Victim's father decided he would not authorize payment since he had no identifying information from caller to establish if actual kidnaper.

Intensive investigation being conducted in numerous FBI field divisions of individuals known to be connected with activities of SLA to develop suspects this case.

This case involves the kidnaping of Patricia Hearst on 2/4/74, in Berkeley, California. The Laboratory has completed preliminary examinations on the evidence delivered on 2/7/74, by Special Agent *[Redacted]* of the San Francisco Office. Briefly, these results are as follows:

The box of 9mm hollow-point cartridges recovered in the victim's apartment were found to contain potassium cyanide in the hollow points, held there by a thin layer of paraffin. A number of the cartridges bore mechanism marks suggesting they had been loaded and extracted from a weapon or weapons. These markings are of possible value for comparison with any suspect weapons recovered. Such cartridges can be chambered and fired in semi-automatic and automatic weapons.

One of the nylon cords used to tie Benenson and one of the cords found in the victim's apartment have loops lashed with marline twine over which black plastic tape has been wrapped. The nylon cords and marline twine are identical and one end of the tape from the Benenson cord was matched to one end of the cord from the victim's apartment. The other cords recovered from Benenson and from the apartment are different; however, these cords also have lashed loops which are taped and one was found to have a stevedore knot tied at one end.

The lashed loops, the marline twine and the stevedore knot suggest a background or association with the maritime trade or industry.

REC-88

7-15200-52

The strips of fabric used to bind Benenson were torn from a bed sheet. The torn edges are suitable for matching to the remaining portion of this sheet should it be recovered.

You will be advised of any further developments.

DEPUTY SCHOOL SUPERINTENDENT ~~ROBERT BLACKBURN~~ ^{Robert Blackburn}, A WHITE, WHO WAS WOUNDED AT THE TIME OF FOSTER'S KILLING. ON NOVEMBER 7, 1973, THE "SAN FRANCISCO CHRONICLE" NEWSPAPER REPORTED RECEIVING A LETTER MARKED AS COMMUNIQUE NUMBER ONE FROM THE SYMBIONESE LIBERATION ARMY-WESTERN REGIONAL YOUTH UNIT (SLA). THIS LETTER TOOK CREDIT FOR THE MURDER OF FOSTER, STATING THAT THIS WAS DONE BECAUSE THE OAKLAND SCHOOL BOARD HEADED BY FOSTER WAS ATTEMPTING TO ALLOW POLICE ON SCHOOL CAMPUSES AND WAS ATTEMPTING TO INITIATE THE POLICY OF MAKING ALL STUDENTS CARRY IDENTIFICATION CARDS. THE SYMBOL UTILIZED BY THE SLA IS A SEVEN HEADED COBRA AND IT HAS BEEN LEARNED THAT THE TWO BOTTOM HEADS ON EACH SIDE OF THE COBRA REPRESENT THE FOUR PRINCIPLES OF LIFE, THE SUN, THE MOON, THE EARTH AND THE WATER. THE THREE CENTER HEADS REPRESENT GOD AND THE UNIVERSE AND ARE CALLED THE "GOD HEAD". THE NUMBER SEVEN AS EMBRACING ALL THE UNIVERSAL FORCES OF GOD AND LIFE CAN BE TRACED TO THE EGYPTIAN TEMPLES AND THEIR PILLARS, TO THE SEVEN CANDLES OF THE PRE-ZIONISTS, NORTH AFRICAN RELIGIONS, TO THE BUDDHIST AND HINDU RELIGIONS AND TO THE NORTH AND SOUTH AMERICAN INDIAN RELIGIONS. THE THOUGHTS AND PURPOSE IN EACH OF THE SEVEN HEADS OF THE COBRA PENETRATES ITS COMMON BODY AND SOUL, AND FROM THIS THEY STATED THAT THE SOURCE OF THE COBRA'S SURVIVAL LIES NOT IN ANY INDIVIDUAL HEAD BUT RATHER IN THE RELATIONSHIP AND UNITY OF

END OF PAGE TWO

ALL THE HEADS TO EACH OTHER. THE SLA FELT THAT THE PURITAN CAPITALISTIC ETHICS OF COMPETITION, INDIVIDUALISM, FASCISM, RACISM, SEXISM AND IMPERIALISM, THE ENEMY WAS ATTACKING ALL OF US. THEY STATED THAT THE ENEMY FUNCTIONS BY MEANS OF ATTACKING ONE RACE OR GROUP AMONG US IN ATTEMPT TO FORCE US INTO SUBMISSION AND DIVISION AND ISOLATION FROM EACH OTHER. THEY FORMED THIS GROUP REPORTEDLY MADE UP OF VARIOUS RELIGIONS AND RACES TO WORK TOGETHER IN REVOLUTION TO DESTROY THE EVILS OF IMPERIALISM IN OUR SOCIETY. IN THEIR LETTER TAKING CREDIT FOR FOSTER'S MURDER THEY STATED THAT BULLETS CONTAINING CYANIDE WERE UTILIZED AND SUBSEQUENT OAKLAND POLICE DEPARTMENT (OPD) LABORATORY RESULTS SHOWED THAT THESE BULLETS DID IN FACT CONTAIN CYANIDE.

IN THE EARLY MORNING HOURS OF JANUARY 10, 1974, CONCORD, CALIFORNIA, POLICE DEPARTMENT STOPPED A 1964 CHEVROLET VAN REGISTERED TO A NANCY GAIL LING AND DRIVEN BY RUSSELL J. LITTLE WITH PASSENGER JOSEPH MICHAEL REMIRO. WHEN THE OFFICER REAPPROACHED THE VAN AFTER DOING A LICENSE CHECK REMIRO EXITED FROM THE PASSENGER SIDE OF THE VAN AND FIRED TWO SHOTS AT THE OFFICER. REMIRO FLED ON FOOT AND LITTLE DROVE OFF IN THE VAN BUT WAS STOPPED A SHORT DISTANCE AWAY BY ANOTHER CONCORD POLICE OFFICER. FOUR HOURS LATER REMIRO WAS ARRESTED ON FOOT IN CONTRA COSTA COUNTY, CALIFORNIA.

END OF PAGE THREE

REMIRO WAS STILL IN POSSESSION OF WALTHER 9 MM AUTOMATIC AT THE TIME OF HIS ARREST. THE VAN CONTAINED A RIFLE AND A LARGE NUMBER OF SLA PAMPHLETS BEARING THE SLA SEVEN HEADED INSIGNIA. BALLISTIC EXAMINATION HAS ASCERTAINED THAT THE .380 IN REMIRO'S POSSESSION WAS THE GUN USED TO KILL DR. MARCUS FOSTER AND FIREARMS RESULTS INDICATE THAT THE WEAPON WAS PURCHASED BY REMIRO. REMIRO AND LITTLE HAVE BEEN CHARGED WITH MURDER AND ARE PRESENTLY INCARCERATED AT SAN QUENTIN PRISON.

SINCE THAT TIME INTENSIVE INVESTIGATION HAS BEEN CONDUCTED BY THE OAKLAND POLICE DEPARTMENT (OPD), THE DISTRICT ATTORNEY'S OFFICE OF ALAMEDA COUNTY, CALIFORNIA, AND CONTRA COSTA COUNTY OFFICIALS. SEARCHES UNDER WARRANTS HAVE BEEN CONDUCTED ON TWO RESIDENCES IN CONTRA COSTA COUNTY AND SIX IN OAKLAND BUT BY FAR THE MOST PRODUCTIVE WAS THE SEARCH AT 1560 SUTHERLAND COURT, CLAYTON, CALIFORNIA. AFTER THE APPREHENSION OF LITTLE AND REMIRO OFFICERS, SPURRED BY THE LARGE DISCOVERY OF SLA LITERATURE IN THE VAN, WERE SEARCHING FOR THE RESIDENCE OF A DEVOTO (WHOSE NAME WAS OFFERED BY LITTLE AND REMIRO WHEN STOPPED BY THE OFFICER) ON SUTHERLAND COURT, CLAYTON, CALIFORNIA. A POLICE CAR WAS IN THE VICINITY WHEN IT NOTICED SMOKE COMING FROM THE HOME AT 1560 SUTHERLAND COURT. A CALL WAS MADE AND THE FIRE

DEPARTMENT WAS ABLE TO EXTINGUISH A GASOLINE SET FIRE IN THREE MINUTES. SEARCH OF THE PREMISES THEREAFTER INDICATED THAT THE OCCUPANTS HAD SPLASHED ABOUT A GALLON OF GASOLINE IN THE INTERIOR OF THE HOUSE AND ATTEMPTED TO SET THIS LOCATION ABLAZE. NEIGHBORS IN THAT VICINITY WHO HAVE SINCE BEEN INTERVIEWED HAVE IDENTIFIED THE OCCUPANTS OF THE HOUSE AS BEING NANCY LING PERRY, NEE LING, A YOUNG CAUCASIAN FEMALE, AND RUSSELL J. LITTLE, WHO WERE LIVING UNDER THE NAME OF DEVOTO. THESE WITNESSES ALSO REPORTED THAT LING, ALONG WITH AN UNKNOWN MALE, HAD LEFT THE RESIDENCE IN A HEAVILY LOADED CAR MINUTES BEFORE THE FIRE WAS DISCOVERED AND EXTINGUISHED.

THE SEARCH AT SUTHERLAND COURT DISCLOSED A CACHE OF AMMUNITION INCLUDING .380 AND .38 CALIBER CARTRIDGES. .00 BUCK WAS ALSO LOCATED IN THE HOUSE. AMONG THE LARGE SUPPLY OF NOTES, URBAN GUERRILLA WARFARE MANUALS, WAS FOUND A DRAWING OF THE OAKLAND SCHOOL DISTRICT OFFICE AND THE COURT-YARD OF THE BUILDING WHERE FOSTER AND BLACKBURN WERE SHOT.

THE OCCUPANTS OF THE HOUSE UNDOUBTEDLY HAD OTHER OPERATIONS IN MIND. NOTES INDICATED THAT THEY HAVE MAINTAINED SURVEILLANCES ON CERTAIN PERSONS AND HOMES. THREE SLA COMMUNIQUE, UNNUMBERED AND UNDATED, AND APPARENTLY NEVER MAILED, INDICATED THE GROUP WAS

CONSIDERING THE KIDNAP FOR RANSOM AND IN THE EVENT OF FAILURE OF PAYMENT OF RANSOM, THE EXECUTION OF THREE PROMINENT EXECUTIVES IN THE SAN FRANCISCO - OAKLAND BAY AREA.

NANCY LING PERRY, PRESENTLY A FUGITIVE, HAS TO DATE ONLY BEEN CHARGED WITH ARSON BY CONTRA COSTA COUNTY AND A \$200,000 BOND HAS BEEN RECOMMENDED. THERE IS NO INDICATION THAT LING HAS DEPARTED THE SAN FRANCISCO - OAKLAND BAY AREA AND SUBSEQUENTLY SHE HAS DIRECTED A LETTER TO THE NEWSPAPERS ADMITTING THE ARSON. THE LETTER IS UNDOUBTEDLY AUTHENTIC. NANCY LING PERRY HAS BEEN POSITIVELY IDENTIFIED AS A LEADER OF THE SLA GROUP AND IS DESCRIBED AS A YOUNG CAUCASIAN FEMALE WHO WAS BORN AND GRADUATED FROM HIGH SCHOOL IN SANTA ROSA, CALIFORNIA. NANCY LING PERRY ATTENDED THE UNIVERSITY OF CALIFORNIA, BERKELEY, CALIFORNIA (UCB), MAJORING IN ENGLISH AND LATER DID SOME GRADUATE WORK IN CHEMISTRY. SHE IS MARRIED TO A BLACK, GILBERT PERRY, BUT HAS NOT LIVED WITH HIM FOR SOME TIME. LING WAS LAST KNOWN TO HAVE WORKED IN AN ORANGE JUICE STAND NEAR THE SATHER GATE AT THE UCB.

JOSEPH MICHAEL REMIRO, PRESENTLY IN CUSTODY, IS A NATIVE OF SAN FRANCISCO, SERVED IN THE U.S. ARMY IN VIETNAM AND AFTER HIS DISCHARGE BECAME ACTIVE IN VIETNAM VETERANS AGAINST THE WAR (VVAV) AND THE FORMER VENCEREMOS ORGANIZATION (VO).

END OF PAGE SIX

FORMED IN DECEMBER, 1970, THE VENCEREMOS ORGANIZATION (VO), ALSO KNOWN AS VENCEREMOS, IS A MILITANT MARXIST-LENINIST-MAOIST ORGANIZATION COMPOSED OF THIRD WORLD AND WHITE REVOLUTIONARIES OPERATING IN THE SAN FRANCISCO PENINSULA AREA. THE PUBLICLY STATED GOAL OF THE VO IS TO BUILD A UNITED FRONT AGAINST THE IMPERIALIST UNITED STATES LEADING TO THE OVERTHROW OF THE UNITED STATES GOVERNMENT BY FORCE AND VIOLENCE, ARMED STRUGGLE, AND URBAN GUERRILLA WARFARE. THE VO HAS PUBLICLY STATED THAT ALL MEMBERS MUST KNOW HOW TO OPERATE AND SERVICE WEAPONS AND HAVE WEAPONS AVAILABLE.

VIETNAM VETERANS AGAINST THE WAR - WINTER SOLDIER ORGANIZATION (VVAW/WSO) WAS ORGANIZED IN NEW YORK CITY IN 1967 AS AN ORGANIZATION OF VIETNAM VETERANS TO PROTEST THE AMERICAN INVOLVEMENT IN THE WAR IN SOUTHEAST ASIA. VVAW/WSO ENGAGED IN VARIOUS PROTEST ACTIVITIES BUT DURING LATE 1971 DEMONSTRATED INCREASING MILITANCY, CULMINATING IN DECEMBER, 1971, WITH VVAW/WSO TAKEOVER OF VARIOUS AMERICAN LANDMARKS AND PUBLIC BUILDINGS. DURING JULY, 1972, VVAW/WSO LEADERS AND MEMBERS WERE INDICTED BY A FEDERAL GRAND JURY, TALLAHASSEE, FOR VIOLATION OF FEDERAL STATUTES, INCLUDING CONSPIRACY TO RIOT DURING REPUBLICAN NATIONAL CONVENTION AUGUST, 1972. A FEDERAL JURY ON AUGUST 31, 1973, ACQUITTED ALL DEFENDANTS OF THE ABOVE CHARGE. VVAW/WSO IS CURRENTLY HEADQUARTERED IN CHICAGO, ILLINOIS.

END OF PAGE SEVEN

PAGE EIGHT

RUSSELL J. LITTLE, ALSO IN CUSTODY, IS FROM FLORIDA, APPARENTLY ARRIVING IN THE SAN FRANCISCO AREA ALONG WITH HIS GIRL FRIEND, ALSO IDENTIFIED AS AN SLA ASSOCIATE, [REDACTED] IN 1971.

INTENSIVE INVESTIGATION HAS BEEN CENTERED AROUND SOME FIFTEEN RESIDENCES IN THE BAY AREA OF CALIFORNIA THAT HAVE BEEN OCCUPIED BY SLA MEMBERS REMIRO, PERRY, LITTLE OR HAVE BEEN UTILIZED AS CONTACTS BY ONE OR ALL OF THE THREE. IN THE MAJORITY OF THESE LOCATIONS IT APPEARS THAT PEOPLE RESIDING OR HAVE RESIDED THERE HAVE BEEN ASSOCIATED WITH THE FORMER VO OR THE VVAW AND HAVE ALSO BEEN IN CONTACT OR REGULARLY VISITED CONVICTS IN THE CALIFORNIA PENAL SYSTEM.

HEREINAFTER SET FORTH IS A LIST OF INDIVIDUALS PRESENTLY UNDER INVESTIGATION IN CONNECTION WITH THE ACTIVITIES OF THE SLA:

ON FEBRUARY 8, 1974, KGO TELEVISION STATION RECEIVED TWO LETTERS HAND PRINTED REGARDING THIS MATTER ONE SIGNED BY A SELF STATING THAT THEY REQUIRED NO CASH, BUT WOULD SEND THE LEFT THUMB WHICH CAN BE COMPARED WITH DEPARTMENT OF MOTOR VEHICLES PRINTS FOR VERIFICATION. YOUR VOICES: DIVEST SELF OF ALL PAPERS. RECEIVED PROPERTY BACK IN ALPHABETICAL ORDER OF ANATOMICAL PARTS. KGO RECEIVED A SIMILAR LETTER WHICH INDICATES THAT THEY SAW MR. AND MRS. HEARST ON TELEVISION AND THEN SAYS THAT THE FM STANDS FOR A POPULAR COOKIE AND LF "STANDS FOR WHAT YOU MIGHT EXPECT". LETTER SAYS THEY HAVE NOTHING TO DO WITH THE ABDUCTION. THE IDEA SEEMED MUCH LESS HUMOROUS AFTER A LETTER DROP WHICH HAPPENED AFTER IDEA FOR "JOKE STRUCK ME". BOTH LETTERS ARE PRINTED WITH A PECULIAR PRINTING AND THE SECOND ONE IS ALMOST INDECIPHERABLE. BOTH LETTERS HAVE BEEN FORWARDED TO THE FBI LABORATORY.

For the information of the Laboratory, **PETER BENENSON**, 1304 Josephine Street, Berkeley, California, was abducted in front of his residence at about 8:30 p.m. on 2/4/74 and held captive in his automobile which was used by kidnapers of the Victim.

Enclosed are two (2) plastic bags containing strips of bed sheeting which were furnished by **PETER BENENSON** on 2/5/74. One (1) strip of the bed sheeting was used to blindfold **BENENSON** by his abductors and the second strip was used to gag **BENENSON** by his abductors on the night of 2/4/74. Also enclosed is one (1) plastic envelope containing nylon rope used to bind the hands of **PETER BENENSON** on 2/4/74 by his abductors. The nylon rope has black electrician's tape wound at one end to form a loop in the rope.

REQUEST OF THE LABORATORY

It is requested that the Laboratory examine the attached evidence for any possible identification to attempt to identify the manufacturers, sellers, or possibly to locate any fingerprints which may be on the electrician's tape.

In connection with the above-captioned kidnapping, Carl Sonkin with the news staff of KPIX TV, San Francisco, contacted me at approximately 3:30 p.m. this date with regard to an alleged statement by Attorney General Saxbe linking the Symbionese Liberation Army with the kidnapping incident. Sonkin wished to know if this information had been furnished the Attorney General as a direct result of information gathered by the San Francisco Office in its investigation of the kidnapping. At the time Sonkin was advised that all statements regarding the investigation were being handled through ASAC Kelly in the San Francisco Office.

In a conversation with ASAC Kelly it was determined by me that the San Francisco Office had not advised the Attorney General or anyone in his office of such a development.

I further advised Sonkin that if we were able to develop any information of a releaseable nature that I would contact him by telephone.

Warrant Issued By:
The Court of the People

On the afore stated date, combat elements of the United Federated Forces of The Symbionese Liberation Army armed with cyanide loaded weapons served an arrest warrant upon Patricia Campbell Hearst.

It is the order of this court that the subject be arrested by combat units and removed to a protective area of safety and only upon completion of this condition to notify Unit #4 to give communication of this action.

It is the directive of this court that during this action ONLY, no civilian elements be harmed if possible, and that warning shots be given. However, if any citizens attempt to aid the authorities or interfere with the implementation of this order, they shall be executed immediately.

This court hereby notifies the public and directs all combat units in the future to shoot to kill any civilian who attempts to witness or interfere with any operation conducted by the people's forces against the fascist state.

Should any attempt be made by authorities to rescue the prisoner, or to arrest or harm any S.L.A. elements, the prisoner is to be executed.

The prisoner is to be maintained in adequate physical and mental condition, and unharmed as long as these conditions are adhered to. Protective custody shall be composed of combat and medical units, to safeguard both the prisoner and her health.

All communications from this court MUST be published in full, in all newspapers, and all other forms of the media. Failure to do so will endanger the safety of the prisoner.

Further communications will follow.

As you are aware we have utilized the computer for the storage and location of information in our files concerning the Watergate investigation. The printout utilized in this connection has been of fantastic value in locating in a minimum of time certain information. Mr. Kelley is aware of the utilization of the computer in the Watergate case and has in the past suggested similar utilization in other major cases.

At 5:35 p. m., 2/7/74, while I was discussing captioned case with Mr. Kelley he suggested that this case might be a good one to test the utilization of the computer in connection with a major case. I agreed with Mr. Kelley and have already been in contact with Mr. Campbell of the Computer Systems Division and arrangements are being made with the Computer Systems Division for a program similar to the Watergate case.

ACTION: Upon completion of the case an analysis will be made of the benefits derived from the utilization of the computer in connection with this case for our guidance in utilizing similar methods in other major cases of short duration.

This is the case involving the kidnaping of Patricia Hearst, age 19, daughter of Randolph A. Hearst, President of the San Francisco Examiner Newspaper. Miss Hearst was kidnaped at gunpoint from her Berkeley, California, apartment on the evening of 2/4/74.

This is to provide a synopsis of investigative efforts conducted late on 2/8/74 and 2/9-10/74. The victim's father Randolph A. Hearst has indicated he will comply with any and all demands of the kidnapers. Mr. Hearst has been extremely cooperative with the San Francisco (SF) Office and indicated before taking any course of action he will solicit the advice of the SAC, SF. Mr. Hearst has placed no limitations on this investigation. Unlawful Flight to Avoid Prosecution warrants have been obtained for [REDACTED] and Donald David De Freeze who are escapees from the California State Prison system and are allegedly members of Symbionese Liberation Army (SLA), the group believed responsible for this crime. We are conducting an extensive investigation regarding the location of these two individuals as they are the only known black SLA members who are not imprisoned.

The artist's conception of the three kidnapers has been released to the news media resulting in numerous responses from the public and are being checked out. ~~Rebol,~~
~~Tobacco and Firearms Bureau (ATFB) advised an informant~~

Office is pressing the possibility of interviewing the informant.

Memo Bates to Gebhardt

Los Angeles (LA) Office during coverage of payoff 2/8/74, involving \$50,000 demand made on Hearst affiliate, the Los Angeles Herald Examiner on 2/5/74, noted no unusual activity except that 4-door Dodge Dart observed in area. Driver turned off the lights, stopped the automobile, got out for approximately 5 to 10 seconds, reentered and drove away. This unknown individual was surveilled to his residence in Anaheim, California, DMV check reflect auto registered to [REDACTED] LA conducting investigation to determine who [REDACTED] involved in extortion of the Los Angeles Herald Examiner.

In connection with the \$15,000,000 ransom negotiations at New Orleans, Louisiana, no contact was made with the [REDACTED]

[REDACTED]

The FBI Laboratory has examined the 25-9mm cartridges found in the victim's apartment. These cartridges were apparently dropped by the abductors during the scuffle in the apartment since the victim's fiance Steven Weed stated he never saw the ammunition before and is certain there was no ammunition in the apartment prior to the kidnaping. The FBI Laboratory advised that a number of these cartridges bear mechanism marks which suggest they have been loaded and extracted from a weapon. These marks are of possible value for comparison and identification with suspect weapons.

Memo Bates to Gebhardt

[REDACTED]

[REDACTED]

Several personal items belonging to the victim have been submitted to the Identification Division for latent fingerprint examination for record purposes.

Due to the magnitude of investigative efforts involved in this case the above represents only a synopsis of major developments to date. It should be noted that Bureau files are being reviewed on individuals possibly involved in this matter. Close coordination is being maintained between the SF Office and the Criminal Section of the General Investigative Division until this matter is concluded.

At 11:45 this morning, Inspector Quinn in my office received a telephone call from [REDACTED] representative, Hearst Publications, and a long-standing acquaintance, who advised that John Miller, Executive Vice President, Hearst Publications, 959 8th Avenue, New York City, (telephone: 262-7782) just called him to inform him that he had received two telephone calls this morning from two different individuals claiming to have information regarding the kidnaping. He indicated to [REDACTED] that Frank Massi, President, Hearst Publications, same location, had received similar calls. Miller instructed [REDACTED] to contact my office with this information in order that they might be appropriately contacted by the FBI relative to this matter.

[REDACTED] was advised that the New York Office would be instructed to immediately contact both of these gentlemen. This information was immediately brought to the attention of Assistant Director Gebhardt who advised he would contact the New York Office. At 11:55 this morning, Assistant Director Gebhardt subsequently advised that SAC Schutz, New York Office, was instructed to immediately contact Miller and Massi.

This is being furnished in answer to the Director's inquiry regarding the 9 millimeter jacketed bullets which were found in the victim's apartment. On 2/5/74, in the first search by SAs of the FBI of the victim's apartment which is apartment #4, 2603 Benvenue, Berkeley, California, a box which contained 25 cartridges of 9 millimeter caliber, Parabellum (Luger) was located.

It is noted that the victim's apartment was previously searched on 2/4/74, by the Berkeley Police Department (BPD). In the search by our Agents, the box of cartridges was located underneath a bookcase. ASAC John Kelly, San Francisco, who has seen the victim's apartment, advised that the box of cartridges could easily have fallen from one of the abductor's pockets when he reached down near the bookcase to pick up the wine bottle which was used to strike Weed. The cartridges could also have been kicked underneath the bookcase in the scuffle in the victim's apartment and not located in the first search by the BPD.

These cartridges were apparently dropped by the abductors during the scuffle in the apartment since the victim's fiancé, Steven Weed, stated he never saw the ammunition before and is certain there was no ammunition in the apartment prior to the kidnaping.

FIRE IN .30 CARBINE, M1, SERIAL NUMBER 3801, PROPERTY OF KATHRYN MOYNAHAN. NOTHING FOUND TO INDICATE FOUR CARTRIDGE CASES FROM SCENE FIRED IN THIS WEAPON. HOWEVER, REPAIR OF WEAPON COULD HAVE ALTERED CHARACTER OF MICROSCOPIC MARKINGS PRODUCED ON CARTRIDGE CASES BY THIS WEAPON. SFO ASCERTAIN IF GUNSMITH MADE ALTERATIONS TO WEAPON AND WHETHER TEST CARTRIDGE FIRED PRIOR OR SUBSEQUENT TO ALTERATIONS.

CARTRIDGE CASE FROM FLOOR OF STATION WAGON IS .380 AUTO (9MM SHORT) CARTRIDGE CASE OF SUPER VEL MANUFACTURE WHICH BEARS MICROSCOPIC MARKS OF VALUE FOR COMPARISON AND IDENTIFICATION WITH SUSPECT WEAPONS. NOTHING FOUND TO INDICATE THIS CARTRIDGE CASE LOADED INTO AND EXTRACTED FROM .380 AUTO WALTHER PISTOL, MODEL PP, SERIAL NUMBER 44435A BASED UPON COMPARISON OF MECHANISM MARKS ON THIS CARTRIDGE CASE WITH MECHANISM MARKS ON TEST CARTRIDGES LOADED INTO AND EXTRACTED FROM ABOVE WEAPON.

IT IS NOTED TWENTY-FIVE CARTRIDGES FROM APARTMENT WERE FOUND IN BOX BEARING INTERARMS, ALEXANDRIA, VIRGINIA, LABEL. THESE CARTRIDGES PROBABLY NOT PURCHASED IN THIS BOX WHICH WOULD HAVE ORIGINALLY CONTAINED 9MM LUGER (9MM PARABELLUM) CARTRIDGES LOADED WITH FULL COPPER-JACKETED BULLETS. CARTRIDGES MARKED IN THIS TYPE BOX USUALLY BEAR "VPT" HEADSTAMP INDICATING MANUFACTURED BY LAPUAN PATRUUNATENDAS, LAPUA, FINLAND. INKED NUMBERS AND LETTERS ON BOTTOM OF BOX PLACED THERE BY MANUFACTURER AND HAVE NO SIGNIFICANCE TO INTERARMS WHO IS UNITED STATES IMPORTER AND DISTRIBUTOR. THEREFORE, TRACE BASED ON THESE NUMBERS NOT FEASIBLE.

COPPER-JACKETED BULLET FRAGMENT EMBEDDED IN WOOD FROM FRONT WINDOW AND OTHER COPPER JACKET AND LEAD FRAGMENTS FROM SCENE ARE TOO MINUTE AND MUTILATED TO DETERMINE CALIBER TYPE. HOWEVER, LAND AND GROOVE WIDTHS PRESENT ON SEVERAL COPPER JACKET FRAGMENTS SAME AS THOSE PRESENT ON .30 CALIBER BULLET FROM WALL. THIS SUGGESTS THESE FRAGMENTS MAY ALSO BE FRAGMENTS OF .30 CALIBER BULLETS. ALTHOUGH COPPER JACKET FRAGMENTS BEAR LIMITED MICROSCOPIC MARKS OF VALUE FOR IDENTIFICATION PURPOSES, NO CONCLUSION IF BULLET, BULLET FRAGMENTS AND COPPER JACKET FRAGMENTS FIRED FROM SAME BARREL. LEAD FRAGMENTS FROM SCENE BEAR NO MARKS OF VALUE FOR IDENTIFICATION PURPOSES.

HEARST 2-12
 DAY LD

BY JOHN M. LEIGHTY

BERKELEY, CALIF. (UPI) -- WITH MORE THAN 100 FBI AGENTS SPECIALLY ASSIGNED TO TRACK DOWN ANY LEAD, NO MATTER HOW FLIMSY, THE PATRICIA HEARST KIDNAPING WAS AGONIZINGLY NARROWING DOWN TODAY TO WHETHER THE 19-YEAR-OLD UNIVERSITY COED IS ALIVE OR DEAD.

MILLIONAIRE NEWSPAPER PUBLISHER RANDOLPH HEARST SAID IT WAS "FRIGHTENING" THAT A WEEK AFTER THE ABDUCTION NO FURTHER WORD ABOUT HIS DAUGHTER'S FATE HAD BEEN RECEIVED FROM THE TERRORIST "SYMBIONESE LIBERATION ARMY" WHICH PROUDLY PROCLAIMED RESPONSIBILITY LAST WEEK.

"I HAVE TO BELIEVE THE SLA HAS MY DAUGHTER," HEARST TOLD NEWSMEN MONDAY BEFORE TELEVISION CAMERAS OUTSIDE THE FAMILY MANSION.

"THE ONLY OTHER POSSIBILITY IS THAT SOME ABSOLUTELY CRAZY PERSON HAS TAKEN HER OFF AND KILLED HER. I DON'T WANT TO BELIEVE THAT."

CHARLES BATES, FBI AGENT IN CHARGE OF THE KIDNAP INVESTIGATION, WAS ASKED BY NEWSMEN IF HE BELIEVED THE PRETTY, SANDY-HAIRED GIRL HAD BEEN KILLED BY HER ABDUCTORS AS THE SIMPLEST AND SAFEST METHOD TO PROTECT THEMSELVES FROM DISCOVERY.

"I DON'T THINK SO," BATES SAID.

"I DON'T ATTACH ANY SIGNIFICANCE TO THE DELAY IN FURTHER COMMUNICATION YET. IF YOU WRITE A LETTER SUNDAY, IT DOESN'T GO OUT UNTIL MONDAY AND MAYBE THEY ARE WAITING TO SEE WHAT THE REACTION IS."

"AFTER A FEW MORE DAYS, IF NOTHING HAPPENS MAYBE IT WILL BE A DIFFERENT BALL GAME."

BATES DISCLOSED THAT BETWEEN 100 AND 125 AGENTS HAD RUN DOWN LEADS OVER THE WEEKEND. HE SAID THERE WAS STILL A FLOOD OF CALLS FROM PERSONS WHO THOUGHT THEY MIGHT HAVE USEFUL INFORMATION, CRANKS AND PEOPLE WHO WANTED MONEY FOR "TIPS."

"IF WE NEED 300 MEN, WE'LL PUT ON 300," HE SAID. "IF WE NEED 1,000, WE'LL GET 1,000 IN HERE."

"WE WANT TO KEEP IT ON THE FRONT PAGE. EVERYBODY'S STILL INTERESTED AND AS LONG AS THEY'RE CALLING THERE IS ALWAYS THE POSSIBILITY THAT SOME CALL WILL CHECK OUT AND BE WHAT YOU WANT."

"THAT WOULD BE SOMETHING SPECIFIC ABOUT THE GIRL OR THE KIDNAPERS. SO WE'RE HAPPY TO GET THE CALLS AND YOU HAVE TO RUN OUT A LOT OF THEM BEFORE YOU GET THE GOOD ONE."

BATES' OPENNESS WITH THE NEWS MEDIA WAS A FAR CRY FROM THE GRIM-LIPPED SECRECY OF THE DAYS OF THE LATE J. EDGAR HOOVER AND IT WAS REFLECTED BY HEARST'S MAKING HIMSELF AVAILABLE SO FREQUENTLY TO THE PRESS IN THE HOPE OF TURNING UP SOME CLUE.

THE SYMBIONESE LIBERATION ARMY

Note: The word "Symbionese" is newly coined, and is probably based on the noun, "symbiosis" as used in biology, meaning the partnership or close association of dissimilar groups, or organisms, for their mutual benefit.

Two members of the Symbionese Liberation Army, (SLA), Russell J. Little, 24, aka Robert J. Scalise and George Devoto, and Joseph M. Remiro, 27, are now in San Quentin prison, California awaiting trial for the murder of Dr. Marcus A. Foster, the superintendent of Oakland's public schools.

A third member of the SLA, Nancy Ling Perry, 26, aka Nancy Devoto and Lynn Ledworth; is a fugitive. She is wanted on a charge of arson stemming from a fire that was set to destroy evidence in a house used by the terrorist group as a headquarters.

Since the SLA blasted its way into the headlines three months ago, with the slaying of Dr. Foster and the attempted murder of his deputy, Robert Blackburn, speculation has run rife regarding the SLA. Even now, little is known about the SLA, its formation, membership or extent: however it is evident that this new revolutionary terror group is linked with revolutionary Maoist communist groups operating both overtly and covertly in California.

This report attempts to detail and consolidate available public source information on the Symbionese Liberation Army.

THE ATTACK.

On November 6, 1973, firing .308 caliber bullets packed with cyanide and a shotgun, an unknown number of assailants, probably three in number, killed Oakland's school superintendant, Dr. Marcus Foster, and severely wounded his deputy, Robert Blackburn. On November 10, the Oakland Tribune, San Francisco Chronicle and radio station KTPA, part of the radical Pacifica network, each received an identical letter.

ENCLOSURE 7-15200-125

XEROX
FEB 25 1974

claiming that the attack had been made by the Symbionese Liberation Army (SLA).

The letter, dated 11/6/73, purported to come from the Western Regional Youth Unit of the SLA. It stated that Foster and Blackburn were marked as targets by a "Court of the People" which found them "guilty of supporting and taking part in crimes committed against the children and the life of the people."

Specifically, the letter complained of a school identity card system, of cooperation among police, probation officers and school officials, and of the planned creation of a school system police unit. Issues which have been loudly vocalized by a radical Oakland organization, the Coalition to Save Our Schools (CSOS) which includes former members of the Venceremos Organization (VO).

Note: The Venceremos Organization (VO), was a splinter group of the Revolutionary Union (RU) and the most violent of the Maoist communist groups operating in the United States from 1971 until it began to disintegrate in the spring of 1973, a process that appeared complete by September. The VO openly called for the overthrow of the U.S. government and advocated the use of weapons for "self-defense" against "repression." Several members or former members of VO have been indicted or convicted for participation in the escape of convict Ronald Beatty from Chino Prison in 1972. A guard was killed in that ambush-escape. It is considered of some significance that SLA appears to have emerged in August, 1973, and that another self-styled Bay area terrorist group, the August 7th. Guerrilla Movement also developed at the time that Bay area members of VO ceased their overt operations.

The SLA letter of 11/6/73 was mailed in an envelope bearing an 8¢ Revolutionary War Bicentennial commemorative stamp with the slogan "Rise the Spirit of Independence." As a cover to its three pages of text was a photocopied drawing of a coiled seven-headed cobra, similar to the part-serpent, part-human "naga" of Hindu and Buddhist mythology. (A similar design appeared on the 1967 record album by Jimi Hendrix, Axis: Bold as Love.)

The letter was concluded with a slogan, "Death to the Fascist Insect that preys upon the life of the people."

Prior to the murder of Dr. Foster, the SLA was unknown to law enforcement agencies.

The murder team were described by a witness who saw them fleeing the murder scene as being between 15 to 20 years of age, all with dark, shoulder length hair or wigs, and all of medium height and slender build. According to this witness, each wore a uniform of dark pants, knit hat and a denim jacket with a white patch on the right breast, their complexion was described as olive or tan and it was indicated that one or more of the team could be female.

ote 1

From information developed during the investigation it is believed that the murder team established a base in a third floor, two-room apartment at 1621 Seventh Avenue, Oakland in October, 1973, An address some five blocks from the Oakland School District offices, outside which, Dr. Foster was killed. Witnesses say that, at this time, a woman resembling Nancy Ling Perry rented the apartment in the name of Lynn Ledworth, paying the rent by money order. Residents of the apartment house have also tentatively identified Joe Remiro as having been seen in the building.

Informed speculation suggests that the SLA maintained some form of surveillance on their victims prior to the attack, mounted their assault from the rented apartment and returned there, on foot, after the murder to hide out, possibly for as long as three weeks.

On November 15, the Oakland school system said that the I.D. card system would be discontinued "until the feelings of students and parents can be reassessed." The same day, the SLA sent out a second letter saying that the School Board's action indicated "an attempt to heed and respect the wishes of the people" and had resulted in a

"Symbionese" decision to withdraw the "shoot-to-kill order," but warned that attempts to reinstitute "programs of political police forces in our schools" would result in the death warrant order being reactivated without warning.

THE LETTERS

An analysis of the language of the first SIA letter was made by Dr.S.I. Hayakawa, nationally recognized semanticist and retired president of San Francisco State University, who characterized it as the work of a "high grade intellect, devoted to revolutionary ideology" in an Oakland Tribune article, 11/12/73.

Dr.Hayakawa's report continued, " It is an articulate letter. The grammar and spelling are faultless, and the use of 'legal habit' is also interesting ... This type of expression is a direct continuation of the same propaganda from the late 1960's." The Oakland Tribune continued, "Dr.Hayakawa categorized the letter and the slaying of Dr.Foster as 'the kind of destruction aimed towards society by the SDS (Students for a Democratic Society) and the Weathermen.' In the letter were references to details about the pasts of both men ... 'The use of these details,' said Hayakawa, 'would seem to indicate a determined effort at premeditation.' The letter also refers frequently to the 'Black, Chicano, Asian and conscious White youth.' Dr.Hayakawa said the repeated phrase helps explain the use of the word 'Symbionese' on the letterhead. 'They appear to have used symbiosis as the root word. Symbiosis means the partnership of dissimilar groups for their mutual benefit.' "

THE CAPTURE

Despite massive investigative efforts, the killing of Dr. Marcus Foster remained unsolved until January 10, 1974 when, suddenly and by chance, the case broke. At about 1.20 am on that date, Sgt. David Duge of the Concord Police Department (Concord is a suburb of

20 miles north (east of Oakland) patrolling the Clayton Valle area
806 GUD
of Contra Costa County observed a red 1965 Chevrolet van/roaming the
streets aimlessly.

the
After maintaining a watch on ~~the~~ van, Sgt. Duge pulled ~~the van~~ it
over in the vicinity of Ayers Road and Sutherland Drive, and approached
it on foot. As he did so, he was fired on by one or both of the
vans occupants, subsequently identified as Russell J. Little and
Joseph M. Remiro.

The shots missed Duge but shattered the windshield of the
patrol car, he returned the fire and was able to arrest Little,
who was slightly wounded in the shoulder, a few blocks away in the
van. Four hours later, Remiro, armed with a .380 Walther semiautomatic
pistol, but offering no further resistance, was arrested in a yard near
Ayers Road and Sutherland Way by Officer Jim Alcorn.

A search of the van, which was registered to a Nancy Devoto,
3856 Whittle Avenue, Oakland resulted in the discovery of some
2,000 SLA leaflets printed in English, Spanish, Chinese and
Swahili; a .38 Colt revolver, a 9-mm pistol and a carton of tools.

Later that day, both Little and Remiro were charged with assault
with intent to murder Sgt. Duge; bail was set at \$250,000 each, and,
as a security measure, they were quickly transferred from Contra Costa
County jail to San Quentin state prison.

PROFILES

Russell Jack Little, 24, born in Oakland, had, under that name,
been living most recently at 5939 Chabot Road, Oakland. However,
under aliases he had established residence in at least one other
area. When booked at the Concord jail, Little gave police the alias
of Robert James Scalise, 27, of 1621 Seventh Street, Oakland. It was
later determined that the alias was a name that belonged to an Oakland
child who had died in 1953, at age six of leukemia. The Seventh Street

Note 2

Note 3

Note 4

address turned out to be a parking lot; however it was at the same street number on Seventh Avenue that the SLA had established their "command post" for the Foster slaying.

Using the name George Devoto, Little had, since August, been living at 1560 Sutherland Court, Concord, a house that it was later found had been used by the ISA as a headquarters and armory. This house had been rented by Nancy Ling Perry using the name of Nancy Devoto.

In the spring of 1973 Little attended North Peralta College giving the Chabot Road address on his registration forms.

For an undetermined period of time, Little had been associated with the radical and revolutionary United Prisoners Union (UPU), 3077 24th Street, San Francisco, Ca. 94110 (415-285-3100). UPU which seeks to organize convicts for the abolition of prisons is heavily infiltrated, if not controlled by former members of VO.

Information indicates that during 1973, Little made several visits to Folsom state prison where he visited with a Clifford Jefferson, aka "Death Row Jeff" who according to state prison authorities has been associated with militant and revolutionary activities during the nearly 28 years he has served in prison for such crimes as burglary, and first and second degree murder. Jefferson is reported to be a leader of the clandestine, inmate-organized Black Guerrilla Family (BGF), a Marxist-Leninist group that can be characterized as the prisons "branch" of the Black Liberation Army (BLA).

Joseph Michael Remiro, 27, a former paratrooper who claims 18 months active duty in Vietnam and who was released from the Army in 1968 was born in San Francisco, where his family live at 1476 Seventh Avenue. (An address that he gave, with the occupation of "Machinist" the Traders Gun Shop, when he was purchasing a Walther .380 in July, 1973 from ~~San Francisco~~ San Leondro Bay-gun-store). Remiro was arrested in San Francisco in 1970 on a

note 5

charge of desecrating the American flag by wearing it sewn on the seat of his pants, the charge was reduced to disorderly conduct and he was given a 30-day suspended sentence. Reports state that Remiro was charged with smuggling marijuana in 1967, when he was in the Army, but no disposition is known of that case. In August 1973 he was the subject of an FBI inquiry.

A founding member of the East Bay chapter of Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/WSO), Remiro took an active role in that organization until March, 1973. He worked in the VVAW/WSO office at 4919 Telegraph Avenue, Berkeley, where the telephone was installed and listed in his name. Living at 4614/4616 Bond Street, Oakland, Remiro was also involved in activities with the United Farm Workers, ~~and~~ with the electoral (Oakland) campaign of Bobby Seale and Elaine Brown ; and with other community activities. He attended the College of Alameda, a part of the Peralta District campus in the spring of 1973.

Nancy Ling Perry, 26, whose address is given as 3856 Whittle Avenue, Oakland (the home of her brother, George) was born in Santa Rosa, Ca., where her father is a furniture dealer. She attended Whittier College in 1956, transferred to the University of California at Berkeley and obtained an AB degree in English literature; according to one report she then commenced graduate studies in chemistry as part of a premed course.

In 1967, Nancy Ling married Gilbert Scott Perry, a Negro musician from whom she separated in February, 1973 and has worked as a topless blackjack dealer in a San Francisco night club and as a counter-hand at a "Fruity Rudy" juice stand in Berkeley. The owner of the juice stand has stated that Nancy Ling Perry worked there until August, 1973 and earned \$140 a week giving \$130 of it to Vacaville prison inmates, and visiting Vacaville every week.

- 8 -

Nancy Ling Perry has been associated with the UPU in San Francisco and has made regular visits to convicts in Vacaville and Folsom state prisons. In Vacaville she is believed to have been associated with the Black Cultural Association, and with two inmates, both serving long-terms, [REDACTED]

SLA HEADQUARTERS

Investigations have established that in August, 1973, Nancy Ling Perry, using the name of Nancy Devoto rented 1560 Sutherland Court, Clayton, and that since that date the home was used as a SLA armory, bomb-factory and headquarters.

According to the property owner, Ken Horner, of Rath Realty, Concord a security deposit (\$100) and a month's rent (\$500) was paid by Nancy Devoto in August by money orders. Horner states that the money orders were from "an Eastern U.S., probably a New York city bank." Subsequent rental payments have been made, up to January 2, 1974 by money orders or cash. References listed by Nancy Devoto were George Ling, her brother, of 3856 Whittle Avenue and an Andrew Botsford (a "friend of a friend") of Quoque, New York.

The \$31,000 house, located in the center of a block in a cul-de-sac is a three bedroom, two bathroom home, and was lived in, according to neighbors, by George and Nancy Devoto. Reports do not indicate other occupants and there was no telephone. Neighbors have identified George Devoto as Russell Little, state that both the Devoto's had "New York accents," and were unemployed.

One inexplicable incident is reported by neighbors. On November 11 (the weekend after Dr. Foster was killed) a boy of about 16 knocked on the Devotos door and confronted Nancy Ling Perry, asking to see her husband [REDACTED] ^{George}. She later told police, who were called at the insistence of neighbors, that when she asked who he was, the boy pulled out a gun. She shoved him and kicked him, she said, and he

Note 8

fired one shot and fled, on a motorcycle subsequently being arrested.

On January 10, 1974 a fire was set in 1560 Sutherland Court. Gasoline from a five gallon container was splashed onto floors and walls, and black powder was scattered on the floor. At 6.21 the Concord Fire Department was called by local residents, their prompt response prevented an explosion, confined damage to the \$10,000 area, and preserved considerable evidence of the SLA's occupancy.

According to neighbors, as smoke was first seen in the house, Nancy Devoto with one, perhaps three other people, left in a Buick Riviera. The car was heavily laden and was being driven at speed. The registration of this car has been traced to a William "Willie" Wolfe, 4616 Bond Street, Oakland (Remiro's Oakland address) who has also been associated with the UPU and visited Folsom prison with Little on his visits to Clifford Jefferson.

Following the fire, the Sutherland Court house was searched, materials found included several pounds of potassium cyanide, bullets packed with cyanide, pipe bombs, explosives, ammunition cartons for 12 gauge shotguns and .306 rifles, two boxes of 9mm ammunition, parts of dismantled weapons and stock for carbines.

There was also evidence in the house that the SLA had new Lafayette walkie-talkies, wilderness maps for adjoining counties and the Grand Tetons, and maps of the Oakland area, marked up to indicate possible escape routes in, and from the city.

Also found in the house was a list of California prison officials and their wives marked for assassination, together with a record indicating that some form of surveillance on some of these people had been maintained.

The house also contained the original of the SLA communique announcing the "execution" of Dr. Foster, a SLA communique not sent to the media and press clippings relating to the claim made by the

Note 9

August 7th Guerrilla Movement stating that they had shot down an Oakland Police Department helicopter on October 2, 1973.

A number of revolutionary posters together with books and literature were also found. Literature included ~~materials from the May Day riots in Washington, D.C. (1968)~~ such books as a "History of the Communist Party, Soviet Union," "Racism and Class Struggle," "The Fall of America," "Criminal Investigations - Basic Perspectives," "Anti-Aircraft Defense," "Germ Warfare," "The Manual of Guerrilla Warfare," and "For the Liberation," by Carlos Marigrela.

SEARCH WARRANTS

The addresses given by Remiro and Little were the subject of intensive searches.

A search warrant issued for 5939 Chabot (Little's residence) was executed and produced hundreds of rounds of pistol and rifle ammunition, a M1 rifle, two typewriters, an electric hand drill and 28 separate drill bits, pairs of boots, jackets, a box of papers and four posters.

The search of 4616 Bond Street produced various papers, several typewriters, a printing press, other printing devices and SLA literature.

Examination of the physical evidence, including the Walther automatic, linked both Remiro and Little with Dr. Foster's murder, and provided the basis on which they have been charged.

Evidence was also found that indicated that the SLA were planning to finance themselves by well organized burglaries, and may have already commenced this operation.

ASSOCIATES

Press reports have linked several people from the Oakland radical community with the investigation. These include ;
David Gunnell, 36, a free lance artist who is landlord of 5939 Chabot. His wife, Jean Wah Chan Gunnell has in the past visited Folsom prison with Nancy Ling Perry.

Robin Sue Steiner, of 2014 Channing Way, Berkeley, who had received mail at 5939 Chabot and has been identified as a former girl friend of Little.

Jean Tarshis Dolly, nee Bonner, and her 2 year old daughter Norah, who are residents of 4614 Bond Street. Mrs. Dolly a former member of the VO is now associated with the West Oakland VVAW/WSO Discharge Upgrading Project and was in December nominated for the post of a national coordinator of VVAW/WSO.

Bob Hood, 28, 4614 Bond Street is the VVAW/WSO Regional Coordinator who operates from the Telegraph Avenue office, formerly used by Remiro.

Reese Erlich, who with his wife lived at 4616 Bond last year, and who has been associated since 1967 with revolutionary groups in the Bay area ranging from student activists through the International Liberation School to the VO. In 1969 he took a major part in organizing antiwar riots in Washington, D.C.

Dan Siegel, a former student activist, treasurer of the San Francisco chapter of the National Lawyers Guild (NLG), and a vocal Maoist who was admitted to the state bar last October after ^aprotracted fight regarding his suitability because of his student arrest record.

Siegel who now writes for the Guardian was present at both the Chabot and Bond street addresses acting as a legal advisor to the occupants during the period of the police searches.

Robin M. Yeaman, a member of the NLG who graduated from Stanford Law School in 1969 and has traveled to Cuba as a member of the Venceremos Brigade (VB). Robin Yeaman is a member of the Menlo Park Law Commune, closely associated with VO whose other members include attorneys Ron Romines, Jim Wolpman, Norton Tooby, Martin Eichner, Douglas Sorensen and Charles Constantinides. The collective at 1263 El Camino Real, Menlo Park, Ca. 94025 (415-323-8383) also lists as members, law students John Hargis and John Espidal; and as legal workers, Dorothy Bender, Susan Ehrlich, Jeannie Eichner, Janelle James, Whitney van Nouhuys, Marcia Vogt and Marti Costello.

Robin Yeaman is the attorney of record for Joseph Remiro. (Little is represented by John Bain, a deputy public defender in Oakland). Ray Hofstetter, 31 has been identified as the titular head of VO in San Francisco and the operational leader of UPU. On January 15, he, with a Robert McBriarty, 25 claiming to be investigators from Robin Yeaman's office were allowed by police to sift rubble and remove materials from 1560 Sutherland Court. (NYT, 1/31/74 notes h

LETTER OF EXPLANATION

that Remiro is to be represented by Jules G. Bonjour Jr of Oakland)

On January 19, the San Francisco Examiner received a letter, probably authentic, from "Fahizah, former name Nancy Ling Perry," in which she said that she, Russell Little and Joseph Remiro are members of "an information/intelligence unit of the United Federated Forces of the Symbionese Liberation Army." As members of such a unit their responsibilities are to support such acts as the assassination of Dr. Foster, not carry them out, she said. Other members, she wrote, take "credit" for the killing.

In a five page, single spaced "Letter to the People", Nancy Ling Perry vowed Little and Remiro "my closest companions" will be defended. "You have not been forgotten and you will be defended because

there has been no set back and our combat forces are intact," the letter stated. The letter also claimed that there is no connection between the SLA and the August 7 Guerrilla Movement. That movement is a police plot to "discredit revolutionaries and confuse the people," the letter claimed.

The letter continued, "As a member of the SLA information/intelligence I fight against our common oppressor and this I do with my gun as well as my mind ..." The writer criticized other radical organizations which support armed revolution abroad but "when it comes to the struggle here in Amerikka (sic) they consistently denounce militancy and revolutionary violence"

Other passages from the letter of interest include :

"I believe that whenever people are confronted with oppression, ~~starvation~~ starvation and the death of their freedom that they want to fight ...there has never been a precedent for a non-violent revolution ...

"All members of the SLA recognize that we, right here in Amerikka are in a state of war and that in a state of war all must be armed and understand the true meaning of self-defense."

"Notes" is a real misnomer to direct you to these probably impossible questions

Note 1: The accounts of 1621 Seventh Avenue are generally vague, in particular who paid the rent and what physical evidence was found. Is there any basis for the belief that the CIA were there for 3 weeks after the killing ?

Note 2: Each newspaper account of the capture differs; do we know who fired and at what stage - when stopped, when questioned, when obviously suspected ? This is of real interest to those who make these random checks !

Note 3: Do we have any leaflets ?

Note 4: The profiles are very inadequate; I would like to include dob's on each one and could make use of photographs especially if you can get "before and after" ones to show changes made by haircuts etc., It would be of interest to know about educational background, in relation to the exotic style of SLA literature.

Note 5: Can we have some UPU literature, and in any event I will expand the write up from HCIS hearings.

Note 6: Any further information on the marijuana charges ? Also, in the next paragraph (unmarked) is a statement that Remiro was active in other groups - can these be identified ?

Note 7: In one report on NLP it was implied that while living in SF she was in contact with "crime," and had purchased some "hot" items such as a pool table and a stereo - can this be developed ?

Note 8: Now, how did he know to ask for "George," and how was NLP brave enough to chase him away - perhaps because he knew George, and Nancy knew that the kid would run ? Could it have been a rival VO faction ? Was mystery assailant arrested ? charged ? Is it even true ?

Note 9 : Do you have the tag no ? Has the car been found ? Do you have a pix of Willie Woolf

Note 10 : While we have some backgrounds on some of these, especially Reese Erlich, Robin Yeamans and Dan Siegal, additional material would be welcome. In particular, where has Erlich been for the past two years, and does he have a new wife ?

When working on this generally, it would be much appreciated if you would carefully check the addresses that I have used .

Best wishes and Thanks !

Communique No. 2

**Subject: The Board of Education
The Respecting of the Rights
and Wishes of the People**

**Notification on:
Court Order**

Date: November 15, 1973

**Order Issued By:
The Court of the People**

It has come to the attention of The Symbionese Liberation Army and The People that the fascist Board of Education has made an attempt to ignore and respect the rights and wishes of the people by stating that they will continue to take part in crimes committed against the children and the life of the people. Therefore, it is the decision of this court that the SEARCH WARRANT issued November 6, 1973 be rescinded, and that all forces of S.L.A. and the People's Army halt their attack on this aspect of the fascist enemy state. However, in the event that the fascist Board of Education do attempt to disguise their intentions and at any time reinstates programs of Political Police Forces in our schools, Forced Youth Identification cards, contributions to the Internal Warfare Identification Computer System, then Death Warrant Order is to be immediately reactivated without warning.

The forces of The Symbionese Liberation Army commend the people for the courage in refusing to fall prey to offers of bribery and rewards to be given for information which the enemy will then use against the defenders of the people. We praise the spirit, determination and strength of the vast Black, Chicano, Asian and conscious white communities of the Oakland-Berkeley area remind the enemy rich ruling class that the people will always understand effectiveness and tactics of revolutionary justice, and will never be deceived by the distortions and lies of the fascist news media. Marcus Foster has been likened to one of our slain leaders. We ask, who has ever heard of a Martin Luther King on the Philadelphia Crime Commission? Who has ever heard of a Martin Luther King having an aide who is a CIA agent, formerly acting as director of education for the Peace Corps in East Africa? We are well aware that the fascist news media seeks to condition us by repressing the truth.

The people have seen no evidence to indicate that Deputy Superintendent Blackburn is in fact still alive. Traditionally, the fascist news media is to display photographs of members of the enemy state who have managed to survive revolutionary justice and the will of the people. Usually we would see the enemy as he lays in his plush, private hospital room, while the wounds of all oppressed people remain unattended. However, if Blackburn is alive, The Symbionese Liberation Army and The Court of the People wish to point out the contradiction between the medical care received by those who represent the ruling class, and that received by members of the poor and oppressed community. It is obvious that medical technology does exist and that it is a question of who receives the benefits of such care? Tyrone Guyton was shot down, hand and allowed to bleed to death in the gutter. For too long we have seen our people die from the enemy's bullets.

who's the real killers?

The media for a long time has put one on us and they are doing it to gain with "Martyr Foster." They try to paint him as a Nice Guy - Good for the Kids. REPRINTED HERE IS THE OTHER SIDE OF THE STORY. A long story of people's struggle against oppression and injustice. Judge for yourself -- are the Oakland schools really so good? Or are they the "primary level jail?"

On the afore stated date (Nov. 6), elements of the United Federation Forces of the Symbionese Liberation Army did attack the Fascist Board of Education, Oakland, California, through the persons of Dr. Marcus Foster, Superintendent of Schools, and Robert Blackburn, Deputy Superintendent.

This attack is to serve notice on the Board of Education and its fascist elements that they have come to the attention of the S.L.A. and the Court of the People and have been found guilty of supporting and taking part in crimes committed against the children and the life of the people.

This attack is also to serve notice on the Fascist Board of Education and its fascist supporters that the Court of the People have issued a Death warrant on All Members and Supporters of the Internal warfare Identification Computer System. This Shoot on Sight order will stay in effect until such time as ALL POLITICAL POLICES ARE REMOVED FROM OUR SCHOOLS AND ALL PHOTO AND OTHER FORMS OF IDENTIFICATION ARE STOPPED.

The Black, Chicano, Asian and conscious White youth unities recognize the importance of the Oakland-Berkeley to the liberation struggle of all oppressed people. That the ruling class must seek to stop the revolutionary struggle here before the ruling class can regain its control around the struggling and oppressed people of

We understand that the definition of a fascist government necessitates the elimination of all who oppose its rule. We know that the school system does not educate us, but lies to us in an attempt to perpetuate the interests of the rich ruling class. However, the successful liberation of our brothers and sisters throughout the world is because the enemy fears our knowledge of the fact that determined people can never be defeated. We reject the ruling class values of personal material gain and comfort among ourselves and we know that the enemy fears our understanding of the fact that nothing is more precious than freedom. In the early morning hours of January 10, 1974, Sergeant D. Duge of the Concord, California, Police Department stopped a 1965 Chevrolet, red colored van, California license 806 GUD, registered to a Nancy Gale Ling and driven by Russell J. Little with passenger Joseph Michael Remiro. Little was in possession of a drivers license in the name of Robert James Scalise. The van was stopped near the intersection of Sutherland Drive and Ayers Road in Contra Costa County, California. The Concord Police Department also services the adjoining municipality of Clayton and in this general area there are some streets that are in the unincorporated area of Clayton Valley. Sergeant Duge questioned the driver of the van as to their destination and received an answer that they were attempting to find the home of one Devoto on Sutherland Court.

Duge checked with control and was advised that the cross street index showed no listing of a Devoto on Sutherland Court. The officer reapproached the van and Remiro exited from the passenger side of the van and thereafter fired two shots at the officer. The officer retreated and there was a further exchange of shots. Remiro fled on foot and Little drove off in the van but was stopped a short distance away by another Concord police officer. Upon arrest it was discovered that Little had been grazed in the shoulder area by a bullet. 27 Smith and Wesson .38 special cartridges were taken from his jacket and a .38 Detective Special was on the top of the vehicle's internal engine cover between the seats.

Some four hours later Remiro was arrested on foot in a driveway at 5076 Sutherland Drive, Contra Costa County. He was still in possession of a Walther 9 mm. automatic, Model PP, serial number 444358. At the scene of the shooting .380 super vel casing was found. The van was also found to contain a rifle and a large number of SLA pamphlets bearing the SLA seven headed cobra insignia on the first page. Ballistic examination has ascertained that the .380 in Remiro's possession was the gun used to kill Marcus Foster and firearms records indicate the weapon was purchased by Remiro.

January 11, 1974

SYMBIONESE LIBERATION ARMY -
WESTERN REGIONAL YOUTH UNIT (SLA)

No positive information had been developed concerning the make-up of the SLA or the possible identity of the slayers since the execution of Marcus Foster, Oakland, California, Superintendent of Schools and the shooting of his assistant Robert Blackburn on November 6, 1973, until Little and Remiro were apprehended by the Concord Police Department in Contra Costa County, California, on January 10, 1974.

Since that time intensive investigation has been conducted by the OPD, the District Attorney's Office of Alameda County, California, and Contra Costa County officials. Searches under warrants have been conducted on two residences in Contra Costa County and six in Oakland, California, but by far the most productive was the search at 1560 Sutherland Court, Clayton, California. After the apprehension of Little and Remiro officers spurred by the discovery of the large amount of SLA literature in the van were searching for a residence of a Devoto on Sutherland Court area of Clayton, California. A police car was in the vicinity when it noticed smoke coming from the home at 1560 Sutherland Court. A radio call was immediately made to the fire department which arrived in four minutes and extinguished a gasoline set fire in three minutes. Search of the premises thereafter indicated that the occupants had splashed about a gallon of gasoline in the interior of the house and then left the remainder of the four gallons in a five gallon can expecting to start a fire that would destroy the residence. Neighbors in that vicinity who have since been interviewed have identified the occupants of the house as being Nancy Ling Perry, nee Ling, a young caucasian female, and Russell J. Little, who were living under the name of Devoto. These people also reported that Ling, along with an unknown male, had left the residence in a heavily loaded car minutes before the fire was discovered and extinguished.

Source pointed out that Marcus Foster had been shot eight times with a .380 and the gun found in the possession of Remiro was the gun used in the Foster execution. Foster's assistant, Robert Blackburn, who was only injured, was shot with .00 buck and with one bullet from a .38 caliber Rossi. The bullets used to kill Foster contained potassium cyanide.

The search at Sutherland Court disclosed a cache of ammunition that had been drilled and filled with potassium cyanide; ammunition including .380 and .38 caliber cart-ridges. .00 buckshot was also located in the house. Among

SYMBIONESE LIBERATION ARMY -
WESTERN REGIONAL YOUTH UNIT (SLA)

the large supply of notes, urban guerrilla warfare manuals, was found a drawing of the Oakland School District Office and the courtyard of the building where Foster and Blackburn were shot. This drawing also contained a direction of flight. The occupants of this house had also kept a clipping file on Marcus Foster, had maintained newspaper reports concerning police on the campus and the possibility of students being required to carry identification cards. Source explained that this was undoubtedly what the SLA was referring to as biodossiers in their communique.

Search at the site also uncovered two pipe bombs, a molotov cocktail and a bomb fashioned from an aerosol can.

The occupants of the house undoubtedly had other operations in mind. Notes indicate that they have maintained surveillances on certain persons and homes. Three SLA communiques, unnumbered and undated and apparently never mailed indicated the group was considering the kidnap for ransom and in the event of failure of payment of ransom, the execution of three prominent executives in the San Francisco - Oakland Bay Area. These individuals and the companies they work for have been notified and the pertinent police departments are also aware. Little and Remiro remain in temporary custody at San Quentin Penitentiary, Marin County, California, being held for Contra Costa County officials for attempted murder and assault of a police officer. They are due for a preliminary hearing January 25, 1974. Remiro has been charged with the murder of Marcus Foster by Alameda County and is due for an arraignment in Oakland, California, on January 28, 1974. An attempt will be made for an early preliminary hearing for Remiro and Alameda County also expects to charge Russell Little in the murder of Foster. Nancy Ling Perry, presently a fugitive, has to date only been charged with arson by Contra Costa County and a \$200,000.00 bond has been recommended. There is no indication that Ling has departed the San Francisco - Oakland Bay Area and during the last weekend she directed a letter to newspapers admitting the arson. This letter is undoubtedly authentic.

The remainder of the searches did not reveal any further SLA material but it was discovered that Apartment #2, 1621 Seventh Avenue, some six-tenths of a mile from the Oakland School District Office where Foster was killed, was probably used as a haven for the murderers after the shooting. This apartment, which was very sparsely furnished, was rented by a white female under the name of Lynn Ledworth. One

SYMBIONESE LIBERATION ARMY -
WESTERN REGIONAL YOUTH UNIT (SLA)

source at the address identified Ledworth as identical to Nancy Ling Perry and Russell Little's fingerprints have been found in the apartment. The apartment was in the direction of the line of flight appearing in the diagram of the ambush slaying.

A confidential source has also advised that as early as March, 1973, Russell Little was in possession of a .38 caliber Rossi.

No guns were located during the search at 1560 Sutherland Court and it is believed that Ling succeeded in removing weapons from the house, along with the typewriter that probably typed the SLA communiques.

Concerning the possibility that the SLA is identical with the August Seventh Guerrilla Movement (ASGM), which has taken credit for the shooting down of the Oakland police helicopter on October 2, 1973, source noted that the photograph of the two officers killed in the helicopter was prominently displayed on the walls of 1560 Sutherland Court. In addition, an Oakland cab driver, Joel Preston, who was apparently held up by the ASGM in Berkeley, California, after viewing photograph of Nancy Ling Perry stated he would not discount the fact that she may be identical with the female used as a decoy in his burglary. The SLA in the communiques that were not mailed did make reference to the demands of "our comrades in arm", the August Seventh Guerrilla forces, but there is absolutely no other evidence at present connecting the SLA and the ASGM and no ASGM material was discovered in any of the searches. Source also made available a photostat of the cover and one page leaflet found in the Chevrolet van on January 10, 1974. The photostat, which is hereinafter set forth, is black and white while the pamphlets in the van were run off in color.

The emblem of the Symbionese Liberation Army is 170,000 years old, and it is one of the first symbols used by people to signify god and life. The two bottom heads on each side of the Cobra represent the four principles of life: the sun, the moon, the earth, and the water. The three center heads represent god and the universe, and are called the god heads. The number seven as embracing all the universal forces of god and life can be traced to the Egyptian temples and their seven pillars, to the seven candles of the Kabbalist, the African religions, to the Buddhist and Hindu religions, and to the North and South American Indian religions. This is because the seven principles explain the interrelationships of life, of the family and the state, of the human anatomy and the universe. And because the basic principle behind any kind of union and series of relationships must be equally accessible to all concerned, we see why the seven heads of the cobra have but one body. The thoughts and purpose in each of the seven heads of the cobra penetrates its common body and soul, and from this we see how the source of the cobra's survival lies not in any individual head, but rather in the relationship and unity of all the heads to each other.

The Symbionese Liberation Army has selected the Seven-Headed Cobra as our emblem because we realize that an army is a mass that needs unity in order to become a fighting force, and we know that true unity among people must be based upon a concern that is universal. It is a revolutionary unity of all people against a common oppressor enemy of the people. This unity of seven heads in one body defines the essence of co-operation and socialism in the great undertaking of revolutionary war. Through the puritan capitalist ethics of competition, individualism, fascism, racism, sexism and imperialism the enemy is attacking us. This enemy functions by means of attacking one race or group among us in an attempt to force us into submission and division and isolation from each other. From these attacks we have learned that our common enemy will not stop until we come together to stop him, for he lives off the murder and oppression of our divided and therefore defenseless people.

We have chosen the Seven-Headed Cobra as the emblem of the S.L.A. because our forces are from every walk of life, from every religion, and of every race, and by our unity does our strength and our common goal for freedom from the chains of capitalism make true the meaning of our seven principles of unity. Our military and political strength arises from the mobilization of all our people, for when the people are at one in their inmost body, they shatter even the hardness of iron or of bronze, and when the people understand each other in their inmost heart, their words are sweet and strong.

The seven memberships of our federation are men and women who are black, brown, yellow, and white, young and old. Each of these members joins together for the common goal of liberty and freedom and to save our earth. Each member lives and speaks and fights for the best interests of all within the body, just as no one head of the cobra can be attacked without the others rising to strike with venom in self-defense to destroy the attacker. Each head of the cobra stands in organic need of all the others in order to maintain its survival.

From this example of the necessity of unity in order to survive, the S.L.A. will build and fight for the socialist unity of all oppressed peoples. A cry from any one of us will echo in the body of our common ear, and we will attack out of instinct, and in self-defense, for our survival. And with the venom of our seven heads we will destroy the fascist insect that preys upon the life of the people; and with the minds of our seven heads, and the spirit of our one body and soul, we will secure a future for our children.

Joseph Michael Remiro were members of the former VO. The Angela Atwood mentioned was Remiro's girl friend up until the time of the shooting of Foster. Gary D. Atwood is the husband of Angela. The Jean Wah Chan mentioned is in reality Mrs. David Gunnell and her husband is the owner of the house where Little formerly resided. Cynthia Ann Harvey was Remiro's girl friend prior to his attachment to Atwood and she associates with members of the former VO.

William Harris is believed by police officials to be a mail drop used by many of these people for correspondence with California convicts. Katherine Moynihan is associated with members of the former VO and has made numerous firearm purchases. Robyn Steiner, who came to California with Little, has returned to Florida and Larry Swearingin undoubtedly known to this group because he is presently driving Steiner's automobile and associates with the VO. Correspondence and papers of William Lawton Wolfe were found at the Sutherland Court address and he may have even stayed there at times.

Patrick Edward Baggert is a former roommate of Leroy Earl "Rip" Miller. The Vietnam Veterans Against the War (VVAW) members [REDACTED] includes Robert Hood, Larry Swearingin, Leroy Miller and Joseph Remiro. Charles Robert Petersen is believed identical to Joseph Remiro.

Source also pointed out that Leroy Miller and Robert McBriarty had appeared at the Clayton, California, address after the police search and had removed most of the remaining items.

Source pointed out that the bio-dossiers mentioned in SLA communiques is merely the rhetoric used by opponents of the suggestion that Oakland school students be obliged to carry an identification card in order that non-students could be easily identified and removed from school premises. Source explained that the opponents to the identification card and the presence of police on the campus have simply alleged that the police intend to obtain biographic data from all students and enter it into the police and FBI computer systems.

Source also pointed out that the Tyrone Guyton mentioned by the SLA in their SLA Communique #1 is a 14 year old black youth who was shot and killed on November 1, 1973, by the Emeryville, California, Police Department, but was fleeing officers in a stolen car and officers alleged he was shot after he pointed what appeared to be a firearm at them. No firearm was discovered at the death scene.

Formed in December, 1970, the Venceremos Organization (VO), also known as Venceremos, is a militant Marxist-Leninist-Maoist organization composed of third world and white revolutionaries operating in the San Francisco Peninsula area. The publicly stated goal of the VO is to build a united front against the imperialist United States leading to the overthrow of the United States Government by force and violence, armed struggle, and urban guerrilla warfare. The VO has publicly stated that all members must know how to operate and service weapons and have weapons available.

Vietnam Veterans Against the War - Winter Soldier Organization (VVAW/WSO) was organized in New York City in 1967 as an organization of Vietnam Veterans to protest the American involvement in the war in Southeast Asia. VVAW/WSO engaged in various protest activities but during late 1971 demonstrated increasing militancy, culminating in December, 1971, with VVAW/WSO takeover of various American landmarks and public buildings. During July, 1972, VVAW/WSO leaders and members were indicted by a Federal Grand Jury, Tallahassee, for violation of Federal statutes, including conspiracy to riot during Republican National Convention August, 1972. A Federal Jury on August 31, 1973, acquitted all defendants of the above charge. VVAW/WSO is currently headquartered in Chicago, Illinois.

On January 22, 1974, SF T-1 advised Joe Tondu, Emily Harris and William Harris are attending Marxist-Leninist-Maoist study groups with former VO members.

On January 23, 1974, Alex Selvin, Assistant District Attorney, Alameda County, California, advised he had spent days reviewing the evidence recovered at Sutherland Court and still has not completed the chore. He stated he is presently under the impression that only three people were involved in the SLA and the killing of Marcus Foster, and that they are Nancy Ling Perry, Russell Little and Joseph Remiro. Selvin stated he is positive that the communique

SYMBIONESE LIBERATION ARMY,
WESTERN REGIONAL YOUTH UNIT (SLA)

from Nancy Ling over the last weekend was authentic because a good portion of the paragraphs in the document can be found in SLA notes recovered at Clayton, California.

The January 25, 1974, edition of the "San Francisco Chronicle", a daily newspaper reported the Contra Costa County Grand Jury the previous day had indicted Russell Little and Joseph Remiro on five charges, including attempted murder of a police officer and possession of a firebomb. The same article also reported that a murder warrant was served on Russell Little at San Quentin Prison for the November 6, 1973, killing of Oakland School Superintendent Marcus Foster and the attempted murder of Robert Blackburn.

LABORATORY AND LATENT FINGERPRINT EXAMINATION

On December 5, 1973, The FBI Laboratory reported that the typing on SLA communiques 1 and 2 correspond to Laboratory standards for a Royal pica, space ten to the inch, and is different from the typing in the ASGM matter. The watermark "Millers Falls EZerase" appears on the sheets containing the drawings of the seven headed cobra in the above communiques. The watermark is registered to Millers Falls Paper Company, Mill Road, Millers Falls, Massachusetts. The Laboratory advised that the photocopies were prepared using a direct electrostatic copying process. It was not possible to determine the brand. Several manufacturers, including Xerox and Remington, use this method. On December 17, 1973, the FBI Laboratory further advised that because of the indistinct nature and alteration of the size of type it was not possible to determine the make of typewriter used in the leaflet "Who's The Real Killer" but it does resemble Laboratory standards for a Smith-Corona style of type.

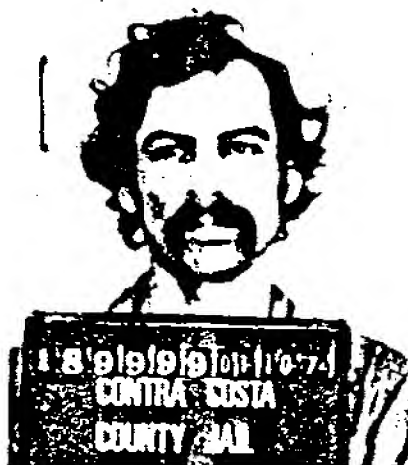

On December 17, 1973, the Identification Division of the FBI advised that ten latents had been developed in the SLA matter. Two appeared on the cobra drawing of the communiques directed to KPFA, four on the first page of the letter to KPFA, two on the second page of the letter to KPFA and two on the envelope addressed to "The Black Scholar".

On January 18, 1974, the Identification Division reported that the latents were not identical to the prints of Joseph Michael Remiro, born September 11, 1946, at San Francisco, FBI Number 174 285G.

This is the case involving the kidnaping of Patricia Campbell Hearst, age 19, daughter of Randolph A. Hearst, President of the San Francisco "Examiner" newspaper. Miss Hearst was kidnaped at gunpoint from her Berkeley, California, apartment on the evening of 2/4/74.

The Director has suggested that the material in this case be computerized. In order for this to be promptly initiated the following is set forth.

It will be necessary for the Bureau file to be permanently maintained in the General Investigative Division (GID). All incoming serials will require hand carrying through the Files and Communications Division for necessary processing.

It will also be necessary to have a full-time clerical employee working exclusively on the preparation of index cards containing computer information. [REDACTED] presently assigned to the Special Crimes Unit of the GID handles the computer card preparation in connection with Crime Aboard Aircraft and Destruction of Aircraft or Motor Vehicles violations. It is believed because of her background in computer card preparation, she would have the required background to perform the index card preparation in the Hearst case.

It is also requested that a filing cabinet be obtained for storage of this case file material.

An initial discussion has been held with [REDACTED] who was instrumental in preparing the computerization of the Watergate case and we are attempting as rapidly as possible to initiate the fundamental data and input card information for computerization in the Hearst case.

First Male Voice: To those who would bear the hopes and future of our people, let the voice of their guns express the words of freedom. Greetings to the people and fellow comrades, brothers and sisters: My name is Sinque (phonetic) and to my comrades I am known as Sin. I am a black man and a representative of black people. I hold the rank of General Field Marshal in the United Federated Forces of the Symbionese Liberation Army. Today I have received an order from the Symbionese War Counsel, the Court of the People, to the effect that I am ordered to convey the following message in behalf of the SLA and to insert a taped word of comfort and verification that PATRICIA CAMPBELL HEARST is alive and safe. The Symbionese Liberation Army is the Federated Union of military political elements of many different liberation struggles and of many different races. Our unified purpose is to liberate the oppressed peoples of this nation and to aid other oppressed people around the world in their struggle against fascist imperialism and the robbery of their freedom and homeland. Since this is the purpose and goal of the SLA, it is therefore clear to us, as it will be to all the press people, that our interest is to serve and defend the people and not ourselves, since the people shall always come first in our hearts and souls. The SLA has arrested the subject for the crimes that her mother and father have by their actions committed against the American people and the oppressed people

and the oppressed people of the world. In understanding of this charge, we must first understand who the HEARSTs are and who they serve and represent. RANDOLPH A. HEARST is the corporate chairman of the fascist media empire of the ultra-right Hearst Corporation, which is one of the largest propoganda institutions of this present military dictatorship of the militarily armed corporate state that we now live under in this nation. The primary goal of this empire is to serve and for the necessary propoganda and smokescreen to seal the American people from seeing the realities of the corporate dictatorship which RICHARD NIXON and GERALD FORD represent. This network of propoganda and confusion has succeeded in hiding the truth from the people, that truth being that this nation has suffered its first military corporate coup and that the constitution which some of us still believe in has been overthrown. The fascist Hearst Corporation is composed of firstly, a national newspaper syndicate which includes the San Francisco Examiner and Chronicle and others that jump from Cal-

The fascist Hearst Corporation is composed of firstly, a national newspaper syndicate which includes the San Francisco Examiner and Chronicle and others that jump from California and to as far away as New York and Philadelphia. Secondly a magazine monopoly composed of over thirteen publications which include, for example, House Beautiful, Harpers Bazaar, Town and Country and Cosmopolitan. Thirdly, a TV and radio station empire across the nation with production of propoganda films of both national and international use. Fourth, ownership of vast areas of real estate in the United States and Mexico, forest, grassland

and cattle farms. All of this is directly connected to Washington and the corporate dictatorship of RICHARD NIXON and GERALD FORA. More to say that the Hearst empire is one of the empires of the ruling class and whose interests serve the rich and are in direct contradiction with the interests of the people. Therefore, they are enemies of the people. Mrs. RANDOLPH A. HEARST is a member of the University of California Board of Regents and is responsible along with others appointed by Governor RONALD REAGAN for the lowering of funds and investments of our California tax monies in Corporations which have interest and do gain profit from the robbery, oppression and genocide carried out by Fascist and racist governments around the world and within the United States itself. The Regents, with the support of Mrs. HEARST, have time and time again been requested by we the people to not invest our money in such Fascist corporations as General Motors, Westinghouse, Gulf, Standard Oil, Bank of America and others who have and do serve and gain profits from the oppression, robbery, and murder that is committed against black people of South Africa where 70,000 black children a year die from malnutrition, Against white people of Ireland where U. S. trained British soldiers shoot down in the street Irish fathers and mothers, as U. S. manufactured teargas suffocates Irish children, as their older sisters and brothers rot in Irish concentration camps:

2

Against the freedom of the Philippine people where United States and Marcos puppet soldiers use U. S. manufactured napalm to attempt to burn away the spirit of freedom from the hearts and the souls of the poor and starving.

The UC Board of Regents, one of California's largest foreign investors, supports through its investments the murder of thousands of black men, women, and children of Mozambique, Angola, and Rhodesia. Murders designed to destroy the spirit that all humanity longs for. With all these crimes placed before the Board of Regents and Mrs. HEARST with all the pleas from the people to stop supporting these Corporations, and the murder of thousands of men, women, and children, the Board and Mrs. HEARST did not raise one voice in protest or refuse to be a party to these crimes committed against these people and those committed against the American people.

For these acts and others, the Court of the People hold the HEARST family accountable for their crimes and hold that they are enemies of the people.

We, of the Symbionese Liberation Army, hold that the HEARST Corporation and the HEARST family and the Board of Regents as well as the corporate states that they support and aid are enemies of the people, and as such, that the people

have a legal and human right and duty to attack said enemy, according to the forms of war taken by the oppressed people against any enemy or murderer and oppressor, to gain their freedom and liberty and to give life to their children and people.

It is, therefore, the directive of this court that before any form of negotiations for the release of the subject prisoner be initiated, that an action of good faith be shown on the part of the HEARST family to allow the Court and the oppressed people of this world and this nation to ascertain as to the real interests and cooperative attitudes of the HEARST family, and in so doing show some form of repentance for the murder and suffering they have aided and profited from, and this good faith gesture is to be in the form of a token gesture to the oppressed people whom they aid the corporate state in robbing and removing their rights to freedom and liberty. This gesture is to be in the form of food to the needy and the unemployed and to which the following instructions are directed to be followed to the letter.

In closing, and speaking personally for myself and as the father of two children, I wish to say to MR. HEARST and MRS. HEARST that I, as well as the forces under my command for the appellate of the Court of the People, are not savages

^{mad men,}
killers and ~~madmen~~, and we do hold a high moral value to
life, and we value life very deeply, and with all the spirit
that we as human beings can bring forth in our hearts. But,
speaking as a father, I am quite willing to lose both my
children if by that action I could save thousands of white,
black, yellow and red children from a life of suffering,
exploitation and murder, and I am, therefore, quite willing
to carry out the execution of your daughter to save the
life of starving men, women, and children of every race;
and I am also, along with the loyal men and women of many
races who love the people, quite willing to give our lives
to freeing the people at any cost. And if, as you and others
so naively believe, that we will lose, let it be known that
even in death we will win. For the very ashes of this
Fascist nation will mark our very graves.

PATRICIA HEARST: Mom and Dad, I'm okay. I'm (pause) I had a few scrapes and stuff, but I'm (pause) they've washed them up and they're getting okay. And I've caught a cold, but they're giving me pills for it and so uh I'm not being starved or beaten (sigh) or unnecessarily frightened. Um, I've heard some press reports and so I know that STEVE and all the neighbors are okay, that no one was really hurt, and I also know that the SLA members here are very upset about press distortions of what has been happening.

They have nothing to do with the August 7th Movement. They have not been shooting down helicopters or shooting down innocent people on the street. I'm kept blindfolded usually so that I can't identify anyone, and my hands are often tied but not generally they're not. And uh, I'm not gagged or anything, and I'm comfortable, and I think you can tell that I'm not really terrified or anything, and I'm okay.

I was very upset though to hear about the police rushing in on that house in Oakland, and I was just really glad that I wasn't there, and I would appreciate it if uh everyone would just calm down and not try to find me and not be making identifications because uh, they're not only endangering me but they're endangering themselves.

(Sigh). I'm with a combat unit that's armed with automatic weapons and uh (sigh) there's also a medical team here, and uh, there's no way that I will be released unless, until they let me go. So it wouldn't do any good for somebody to come in here and try to get me out by force. Uh, these people aren't just a bunch of nuts. They've been really honest with me, but uh, they're perfectly willing to die for what they're doing and I want to get out of here, but I, the only way I'm going to is if we do it their way, and (sigh) I just hope that you'll do what they say, Dad and just do it quickly (sigh).

Uh, I've been stopping and starting this tape myself so that I can collect my thoughts. That's why there's so many stops in it.

Uh, I'm not being forced to say any of this. Uh, Uh, I think it's really important that (sigh) you take their request very seriously about uh not arresting any other SLA members, and (sigh) and about following their good faith requests of the letter. Uh, I just want to get out of here and see everyone again and be back with you.

The SLA is (clears throat) is very interested in seeing how you're taking this Dad, and they want to make sure that you're really serious and listening to what they're

saying. Uh, they think that (clears throat) you've been taking this whole thing a lot more seriously than the police or the FBI and other federal people have been taking it, and uh, it seems to be getting to the point where they're not worried about you so much as they're worrying about other people, or at least I am.

It's uh, it's really up to you to make sure that these people don't don't jeopardize my life by charging in and doing stupid things. (Sigh) And I hope that you'll make sure that they don't do anything else like that Oakland house business.

The uh, the SLA people really have been honest with me and, and (sigh) I really, I mean I feel pretty sure that I'm going to get out of here if everything goes the way they want it to, and I think you should feel that way too, and (sigh) try not to worry so much. I mean I know it's hard but I heard that you was really upset and that everybody was at home, and then I hope that this puts you a little bit at ease and that you know that I really, I really am all right.

Uh, I just hope that I can get back to everybody really soon.

The SLA has theological ties with the IRL, the peoples struggle in the Philippines and the socialist people

and uh Puerto Rico, in their struggle for independence and they consider themselves to be soldiers who are fighting and aiding these people.

I am a prisoner of war and so are the two men in San Quentin. I'm being treated in accordance with the Geneva Convention and one of the conditions being that I'm not being tried for crimes which I'm not responsible for. I'm here because I am a member of a ruling class family, and I think you can begin to see the analogy with the people in San Quentin and in San Quentin are being held and are going to be tried simply because they are members of the SLA and not because they've done anything. (Pause). Witnesses to the shooting of FOSTER saw black men and uh, and two white men have been arrested for this. You've been told this so that uh you'll understand why I was arrested and uh so that you'll understand that whatever happens to the two prisoners is going to happen to me. You have to understand that I'm held the innocent the last of the three men in San Quentin are innocent, and that they are alleged members of the group and have not actually done anything themselves to warrant their arrest. They apparently were part of an intelligence unit and have never arrested anyone.

9

The SLA has declared war against the government and it's important (sigh) that you understand that that they know what they're doing, and they understand what their actions mean, and that you realize that this is not considered by them to be just a simple kidnaping, and that you don't treat it that way and say I don't know why she was taken. I'm telling you now why this happened so that you'll know and so that you'll have something to use, some knowledge to try to get me out of here.

If you can get the food thing organized before the 19th, then that's okay and it will just speed up my release um. Today's Friday the 8th and (sigh) in Ku Way the commandos negotiated the release of their hostages in a country but

Male Voice: Uh, Mr. BLARST, uh as your daughter said um she is being held under the national codes of war regarding prisoners of war and that she is not going to be harmed in any way unless attempt is made to release her by force. She is being properly treated, properly fed, and she has an excess of food, um, fresh air and so forth and she is not being held in any fashion. Uh and this is also said to our captured soldiers that are being held in Ku Way and we have said that they will receive the same treatment according to the national codes of war. We understand from the uh national

reports and so forth that the police authorities and others are attempting uh to uh put the responsibility upon us concerning the uh life of your daughter and to distort and uh mislead the realization of the facts of the matter. However, uh we wish to express to you and to the authorities and to the public that whatever happens to your daughter will be totally your responsibility and the responsibility of the authorities which you represent. Her life will be maintained in the fashion that is accorded to the terms of war and if they, yourself, violate those, her life and the blood of that will be upon your hands only. In regards to communication, um for um security reasons and because of where we are at, that it is not possible for us to maintain a continuous flow of communications with you. So don't expect phone calls or communications three or four times a week because they won't come. Uh when the uh stated good-faith gesture is conducted and we have means to ascertain as to if they are, we will begin negotiations for the release of your daughter. Until then, you can be sure and um have our word, whatever that may be to you that we will carry out our word to the letter, and we mean exactly what we say.

DEATH TO THE FASCIST INSECT THAT PREYS UPON
THE LIFE OF THE PEOPLE.

THE SYMBIONESE FEDERATION & THE SYMBIONESE LIBERATION ARMY
DECLARATION OF REVOLUTIONARY WAR & THE SYMBIONESE PROGRAM

AUGUST 21, 1973

The Symbionese Federation and The Symbionese Liberation Army is a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined The Symbionese Federated Republic and have agreed to struggle together in behalf of all their people and races and political parties interest in the gaining of FREEDOM and SELF DETERMINATION and INDEPENDANCE for all their people and races.

The Symbionese Federation is NOT A GOVERNMENT, but rather it is a united and federated formation of members of different races and people and political parties who have agreed to struggle in a UNITED FRONT for the independance and self determination of each of their races and people and The Liquidation of the Common Enemy

And who by this federated formation represent their future and independant pre-govments and nations of their people and races. The Symbionese Federation is NOT A PARTY, but rather it is a Federation, for its members are made up of members of all political parties and organizations and races of all the most oppressed people of this fascist nation, thereby forming unity and the full representation of the interests of all the people.

The Symbionese Liberation Army is an army of the people, and is made up of members all the people. The S.L.A. has no political power or political person over it the dictates who will fight and die if needed for the freedom of our people and child but does not risk their life or fight too for our freedom, but rather the S.L.A. is both political and military in that in the S.L.A. the army officer, whether female or male is also the political officer and they both are the daughters and sons of the people and they both fight as well as speak for the freedom of our people and children.

The Symbionese Federation and The Symbionese Liberation Army is made up of the age youth and women and men of all races and people. The name Symbionese is taken from the word symbiosis and we define its meaning as a body of dissimilar bodies and organisms living in deep and loving harmony and partnership in the best interest of all within the body.

We of the Symbionese Federation and The S.L.A. define ourselves by this name because it states that we are no longer willing to allow the enemy of all our people and children to murder, oppress and exploit us nor define us by color and thereby maintain division among us, but rather have joined together under black and minority leadership in behalf of all our different races and people to build a better and new world for our children and people's future. We are a United Front and Federated Coalition of members from the Asian, Black, Brown, Indian, White, Women, Gay and Gay Liberation Movements.

Who have all come to see and understand that only if we unite and build our new world and future, will there really be a future for our children and people. We are the People and not the ruling capitalist class, will build a new world and system where there is really freedom and a true meaning to justice and equality for all women and men of all races and people, and an end to the murder and oppression, exploitation of all people.

7-15200 -129

We have heard it said that Mr. Hearst wants to save his daughter, we want to save all the children and people. In an effort to answer some of the basic needs of the people are asking for a symbolic gesture of good faith from this representative of the corrupt state. Each person with one of the following cards is to be given \$70.00 worth of meat, vegetables, and dairy products: all people with welfare cards, social security cards, food stamp cards, disabled veteran cards, medical cards, parole or probation papers, and jail or bail release slip. So that all those with such cards have time, and will not be forced to stand waiting in long lines, the time for the distribution of this food must extend over a four week period, beginning February 19th, on each Tuesday, Thursday and Saturday for four successive weeks, each person with one of the listed cards can go to publicized stores and pick up their food.

1. The stores where people can go are to be clearly designated and publicized in each of the communities listed below, and they are to be within easy access to the people of those communities. There must be at least 5 stores as distribution points within each community; these distribution points should be major stores within the community, we suggest such stores as Safeway and Mayfair.
2. The meat, vegetables, and dairy products must be of top quality, and in ample supply during all store hours.
3. TO THE PEOPLE: If you are not receiving your food, all you have to do is voice your discontent in the streets, at bus stops, movie theatres, etc. and we will hear you. Also anyone facing any interference from the police state in the way of harassment should voice their discontent. The people's army calls upon community groups such as Nisrohi College in East Palo Alto, Glide Memorial Church in San Francisco and The Black Teachers Caucus, The National Welfare Rights Organization, United Workers, AWP, Third World Womens Alliance, United Prisoner's Union, as well as representatives from people's news services such as Getting Together, Kalayan, Triola Jeopardy, Black Panther Party, The Anvil, and others to act as observers and coordinators to see to it that the aged and disabled receive their food and have it transported it and shop for it. AND to see to it that NO police-state agents, in or out of uniform, are allowed to be in the areas of food distribution or photograph or harass the people.
4. Stores in each of the following cities or communities are to serve as distribution points:

San Francisco (Mission District, Chinatown, Hunters Point, The Fillmore)	
Oakland (East and West)	
Richmond	Delano
East Palo Alto	Santa Rosa
	Los Angeles (Watts, Compton, East Los)

5. The document showing the emblem and meaning of the seven-headed cobra that is in the possession of police state authorities shall be placed in newspapers and other forms of the media in its exact form, not omitting any area.
6. The document that is enclosed regarding the declaration of war and the goals of the S.I.A. shall also be placed in its total form in newspapers and other forms of the media.
7. A copy of all these stated documents, along with a full copy of the tape enclosed, recorded by myself and Del Hearst is to be distributed to the media for publication.
8. The news media is warned that all attempts to mislead the public concerning the goals of the S.I.A., or to confuse the public by publishing or circulating sections of the news or S.I.A. documents, jeopardizes the entire war.

IF THIS LETTER OF GOOD FAITH IS NOT MET WITHIN THE ABOVE STATED TIME FRAME IT IS TO BE CONSIDERED A DECLARATION OF WAR AND A STATE OF EMERGENCY WILL BE DECLARED.

2-15200 - 139

We of the Symbionese Federation and The S.L.A. are the children of all oppressed people, who have decided to redefine ourselves as a Symbionese Race and People. Yet, recognizing the rich cultures of each and enforcing our rights to existence of our many cultures within a united federation of independent and sovereign nations, each of them flourishing and protected by its own laws and codes of self determination.

We are of many colors, but yet of one mind, for we all in history's time on this earth have become part of each other in suffering and in mind, and have agreed that the murder, oppression and exploitation of our children and people must end now, for we all have seen the murder, oppression and exploitation of our people for too long under the hand of the same enemy and class of people and under the same system.

Knowing this, the Symbionese Federation and The S.L.A. know that our often murdered alienation from each other aids and is one of the fundamental strengths behind the ruling capitalist class's ability to murder and oppress us all. By not allowing them to define us by color, and also recognizing that by refusing ourselves to also internalize this false division definition, knowing that in mind and body we are facing the same enemy and that we are all comrades of one people, the murdered and oppressed, we are now able to become a united people under the Symbionese Federation and make true the words of our codes of unity that TO DIE A RACE, AND BE BORN A NATION, IS TO BECOME FREE.

Therefore, we of the Symbionese Federation and The S.L.A. DO NOT under the rights of human beings submit to the murder, oppression and exploitation of our children and people and do under the rights granted to the people under The Declaration of Independence of The United States, do now by the rights of our children and people by Force of Arms and with every drop of our blood, Declare Revolutionary War against The Fascist Capitalist Class, and all their agents of murder, oppression and exploitation. We support by Force of Arms the just struggles of all oppressed people for determination and independence within the United States and The World. And hereby offer to all liberation movements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for all people and races. We call upon all revolutionary black and other oppressed people within the Fascist United States to come together and join The Symbionese Federation and fight in the forces of The Symbionese Liberation Army.

THE GOALS OF THE SYMBIONESE LIBERATION ARMY

1. To unite all oppressed people into a fighting force and to destroy the system of the capitalist state and all its value systems. To create in its place a sovereign and sovereign nations that are in the total interest of all its races and people, on the true affirmation of life, love, trust, and honesty, freedom and equality is truly for all.
2. To assure the rights of all people to self determination and the rights to build their own nation and government, with representatives that have shown through actions to be in the interest of their people. To give the right to all people select and elect their own representatives and governments by direct vote.
3. To build a people's federated council, who will be a male and female of each Nation or Sovereign Nation of The Symbionese Federation of Nations, who shall be the representatives of their nations in the forming of trade pacts and will defend against any external enemy that may attack any of the free nations of the federation and to form ethnic aids to each others' needs.
4. To aid and defend the cultural rights of all the sovereign nations of The Symbionese Federation, and to aid each nation in the building of educational and institutions to meet and serve this need for its people.

5. To place the control of all the institutions and industries of each nation into the hands of its people. To aid sovereign nations of the federation to build nations where work contributes concretely to the full interest and needs of its workers and the communal interest of its communities and its people and the mutual interest of all within the federation of nations.
6. To aid and defend the rights of all oppressed people to build nations which do not institute oppression and exploitation, but rather does institute the environment of freedom and defends that freedom on all levels and for all of the people, and by any means necessary.
7. To give back to all people their human and constitutional rights, liberty, equality and justice and the right to bear arms in the defense of these rights.
8. To create a system where our aged are cared for with respect, love, and kindness and aided and encouraged to become assets in their own ways to their nations and to their communal community. That the life that moves around them is not a frightening and murderous one and where life is not a fear, but rather one of love and feeling and of unity.
9. To create a system and laws that will neither force people into nor force them stay into personal relationships that they do not wish to be in, and to destroy all chains instituted by legal and social laws of the capitalist state which act as a reinforcing system to maintain this form of imprisonment.
10. To create institutions that will aid, reinforce and educate the growth of our comrade women and aid them in making a new true and better role to live in life in the defining of themselves as a new and free people.
11. To create new forms of life and relationships that bring true meanings of love to people's relationships, and to form communes on the community level and bring the children of the community into being the responsibility of the community, to place our children in the union of real comradeship and in the care and loving interest of the revolutionary community.
12. To destroy the prison system, which the capitalist state has used to imprison the oppressed and exploited, and thereby destroy the love, unity, and hopes of millions of lives and families. And to create in its place a system of comradeship and that of group unity and education on a communal and revolutionary level within the community, to bring home our daughters and sons, and sisters and brothers, fathers and mothers and welcome them home with love and a new revolutionary comradeship of unity.
13. To take control of all state land and that of the capitalist class and to give back the land to the people. To form laws and codes that safeguard that no one can own the land, or sell the land, but rather the nations' people own the land, use it for their needs and interest to live. No one can own or sell the air, sky, the water, the trees, the birds, the sun, for all of this world belongs to the people of this earth.
14. To take controls of all buildings and apartment buildings of the capitalist and fascist government and the to totally destroy the rent system of exploitation.
15. To build a federation of nations, who shall formulate programs and actions of nations and interests that will destroy the capitalist value system and the other anti-human institutions and who will be able to do this by meeting all the basic needs of the people and their nations. For they will be all able to do this because each nation will have full control of all of its industries and institutions and will not run them for profit, but in the full interest of all the people of the world.
16. To destroy all forms and institutions of Racism, Sexism, Apathism, Capitalism, Individualism, Possessiveness, Conceitiveness and all other such institutions and institutions and to create a new world order of unity and the socialist system of unity.

By this means and the mutual aid and unity of each nation within The Symbionese Federation, will each nation be able to provide to each person and couple and family free of cost the five basic needs of life, which are food, health care, housing, education and clothing, and in this way allowing people to be able to find and form values and new systems of relationships and interests based on a new meaning to life and love

THE UNITED SYMBIONESE WAR COUNCIL
TERMS OF MILITARY/POLITICAL ALLIANCE

Our commitment to the revolutionary struggle for self-determination for all oppressed people and races and the international proletarian revolution is total and fully unambiguous. Therefore, any relationship the Symbionese War Council has with any group or organization is based on their active military/political commitment to the goal of gaining freedom for all oppressed people and races.

1. Our alliance with any group or organization is based upon their firm decision to fight as well as talk in behalf of the people's interest, and once this commitment is clear then we can come together in order to:
 - 1) collectively develop a common strategy
 - 2) work together to develop tactical co-ordination
 - 3) Assist each other in developing the abilities and talents of all the members of the Symbionese War Council and to analyze the strengths and weaknesses of the leadership in order to constantly better all aspects of the abilities and actions of the War Council, and its individual leadership from other organizations.
2. Command positions of The War Council are subject to the approval of all members of the council, based upon the military/political thinking and ability of the present officer to work with others in the interest of freedom for all people and races.
3. Command positions in The War Council are not appointed by one who knows, ones sex, color or the by the group or organization one belongs to, but only by ones Courage, Determination, Intelligence, Aggressive Initiative and Capability as a Leader and Military/Political thinking.
4. All members of The War Council are expected and fully are responsible for the military/political leadership of The S.L.A., they must fight and speak for the people and this must be understood clearly by all members.
5. No member of The War Council can elect or select himself or herself to a position at the head of a government or people's council; the War Council is totally an alliance OF WAR AGAINST THE COMMON ENEMY. The people themselves shall have and hold the ONLY RIGHT to select and elect their governments and government heads of state.
6. It is NOT the policy of The War Council to rip off leadership or membership from organizations, but rather it is the policy of The War Council to aid and support the development and education of leadership to fulfill truly its responsibility to the people, and to allow the collective intelligence, leadership and resourcefulness of the leadership from different organizations and groups to flourish together and grow together; thereby forming an area where the collective interests and needs as well as weaknesses and strengths of each can benefit each IN THE COMMON STRUGGLE AGAINST THE COMMON ENEMY.
7. A successful military force is a necessity for actualizing political goals and must therefore be held as a priority; therefore, the true assistance in the supplying of military equipment, materials, finances, personnel is of the utmost importance. Since all forces have fully committed themselves to each and total warfare against the common enemy and members of The War Council must understand this clearly.

8. Leadership of any group or organization who is truly committed and in agreement with the goals of S.L.A. and the terms of military/political alliance may be presented to The War Council; however, the presented officer's membership is not confirmed until it is verified that prior to presentation for membership a combat action has been taken part in by that group or organization within the last 12 months.
9. Once The War Council collectively agrees to an action or plan of strategy then the action shall be understood as an action of The S.L.A., and not of any any single group or organization. Just as the fingers cannot call themselves a fist, and the fist cannot call itself the fingers. From time to time the membership on The War Council may disagree upon a particular action or strategy. When in disagreement that particular membership need not participate in The S.L.A. action, but membership on The War Council is maintained only as long as all commitments made to the collective Symbionese War Council are continued to be fully adhered to. It is the disagreeing group or organization's responsibility to, on its own, prove out their ideas in order to change or modify its own or The collective War Council's direction.
10. It is the policy of The War Council not to involve itself in the internal political affairs of disagreements that may result within different organizations or groups. However, The War Council recognizes and accepts membership to the Council of any military/political unit, cell or organization that qualifies and shall recognize them as true representatives of that particular organization or group. It is the collective policy of The War Council that the failure of the elected leadership to take her or his revolutionary responsibility as far as the War Council is concerned shall be totally the responsibility of the elected leader and not that of The War Council.
11. Organizations or groups that wish to serve in combat units must select two persons, one female and one male (if possible), who have full responsibility and authority to act and represent their group or organization and who will hold a command position in the unified command of The United Symbionese War Council.

12.

All members of The Symbionese War Council must clearly understand that our commitment is total and our goal is the total freedom of the people and children and the destroying totally of the common enemy. Therefore, it is held that any restraining of supplies or other war materials etc. for political reasons or reactionary reasons or political chess games with the enemy, by any officer or other persons in the War Council that by its actions endangers the lives of the women and men of The Symbionese Liberation Army shall be held as a full and total violation of this alliance pact and compromising with the enemy and the freedom and life of the people and children and therefore is punishable by death.

TO THOSE WHO WOULD FEAR THE HOPES AND FUTURE
OF THE PEOPLE, LET THE VOICE OF THEIR GUNS
EXPRESS THE WORDS OF FREEDOM.

Gen. Field Marshall
CHN

S.L.A.

TACTICAL SUPPORT UNITS

Each cell of The S.L.A. TACTICAL SUPPORT UNITS is composed of elements of other organizations and groups and individuals. Under the strategy of The S.L.A. it is totally impossible to follow the egotistic aspirations of many leaders of political organizations, since they continue to organize new organizations everytime one falls apart, when they fail to understand that the people always organize to fight the enemy and when leaders fail to start the fight, then the people fall from that organization.

To continue in this manner is totally reactionary, egotistic, opportunist and anti-revolutionary, since to do so only allows for the continued grouping and regrouping of the revolutionary people for the fight that never comes and with the only purpose of organizing.

This is totally anti-revolutionary for within the true purpose of revolution there is TWO DEEP PURPOSES: TO DESTROY THE ENEMY AND FREE THE PEOPLE. This in itself means the need for an army of the people that fights the enemy.

In order to organize, one must organize in support of something, one does not organize support of having or belonging to or just to organize, but rather one must have a purpose to organize around, and since in revolution it is the purpose to organize to fight the enemy and to support those that fight on the front lines, it is then clear that the people organize to fight and destroy the enemy. They do not organize to fight the enemy and then when it comes time to fight, claim that to fight the enemy will endanger the organization. This would show them to be lovers of positions and the organization and not true revolutionaries that love the people and children.

S. L. A. 1968

Since you as members of the people have organized to fight the enemy, for the reason that you are and do love the people, then it is clear to you where your true responsibility is and that is to join and support those who are in the front lines fighting the enemy. It is of us all, regardless of what color, group or organization they belong to, for the people are just this, they are not of organization or color or group, they are the oppressed, exploited and the murdered, they are those we love and for whom we, if needed, are willing to die for, they are our children.

Therefore what is needed now is for you as lovers of the people to select in what area you are able and willing to fight in or give support to, either in the combat units or support units of The S.L.A., the choice is yours alone: to be and show yourselves as lovers of the people and our children and true to your word revolutionaries or as egotistic opportunists and lovers of the group and organization and enemies of the people.

THE LETTER STATED THAT IF THIS GESTURE IN GOOD FAITH IS NOT MET WITH THEY WILL ASSUME THERE IS NO BASIS FOR NEGOTIATION AND WILL NO LONGER MAINTAIN IN GOOD HEALTH THE PRISONER OF WAR.

THE DOCUMENTS ENCLOSED INCLUDE A FOUR PAGE "THE SYMBIONESE FEDERATION AND THE SYMBIONESE LIBERATION ARMY DECLARATION OF REVOLUTIONARY WAR THE SYMBIONESE PROGRAM" DATED AUGUST 21, 1973. ALSO INCLUDED WAS THE "THE UNITED SYMBIONESE WAR COUNCIL TERMS OF MILITARY-POLITICAL ALLIANCE FILE BY GENERAL FIELD MARSHAL CIN OF THE SLA," AND A ONE PAGE STATEMENT, "TACTICAL SUPPORT UNITS".

IN ESSENCE HE STATED THAT IF THE DEMANDS OF THE SLA WERE NOT MET HE WOULD NOT HESITATE TO EXECUTE THE PRISONER EVEN THOUGH IT MEANT THE LOSS OF THE LIFE OF HIS TWO CHILDREN AND HIS OWN.

THE CASSETTE ALSO CONTAINED THE VOICE OF A YOUNG GIRL IDENTIFIED BY WILLIAM RANDOLPH HEARST, III, A COUSIN OF VICTIM, AND JAY BOSWORTH, A BROTHER-IN-LAW OF VICTIM, AS BEING IDENTICAL TO THE VOICE OF PATRICIA CAMPBELL HEARST. SHE TALKED AT LENGTH, STATING THAT SHE WAS IN GOOD HEALTH AND URGING HER FATHER TO IMMEDIATELY COMPLY WITH ALL DEMANDS. SHE ALSO ALLUDED TO THE FACT THAT THE TWO MEN IN SAN QUENTIN (JOSEPH REMIRO AND RUSSELL LITTLE) WHO ARE BEING HELD FOR THE KILLING OF MARCUS FOSTER, WERE ARRESTED BECAUSE THEY WERE MEMBERS OF THE SLA AND THAT THE NEWS MEDIA HAD REPORTED THAT THE FOSTER KILLERS WERE BLACK MEN.

Re: UNSUBS (5);

during the evening of the kidnaping are being exhibited to appropriate individuals. This phase of the investigation is being pursued vigorously since these individuals might possibly be implicated in this matter.

The fugitive investigation regarding [REDACTED] and Donald David DeFreeze is being emphasized because of their background as members or sympathizers of the SLA and this group's claim of having kidnaped Patricia Hearst. San Francisco given authority to circularize all field offices by airtel with background and photographs of the subjects. In the interim, San Francisco will alert all offices by nitel furnishing basic information.

Several outlets in California during 1972 and 1973 have been identified as being distributors for the box of Remington 9MM luger, jacketed hollow-point cartridges found in victim's apartment following her kidnaping. These distributors being contacted to determine identity of retailers who purchased aforementioned ammunition.

On January 15, 1957, MURKOS was arrested by the FBI, New York City, on charges of impersonating an FBI Agent. He was subsequently sentenced, March 5, 1957, to a maximum fine of \$1,000.

contacted in this investigation for the aforementioned reasons.

Contact made with [REDACTED] concerning feasibility of requesting Unlawful Flight to Avoid Prosecution (UFAP) - Arson on Nancy Ling Perry. [REDACTED] contacted Deputy District Attorney William Bartlett, Contra Costa County, who in turn contacted [REDACTED]

Re: UNSUBS (5);

U. S. Attorney, San Francisco. Bartlett stated all their investigation concerning Nancy Ling Perry failed to show that she had departed the state; they believe she is somewhere in the area and Bartlett further advised he had no real concrete evidence on which to base UFAP request. Close contact being maintained with [REDACTED]

Extensive investigation continuing San Francisco with Bureau of Alcohol, Tobacco and Firearms in order to locate their source who furnished information regarding SLA plans to kill officials including Secret Service, police and FBI. This matter receiving close attention to resolve at earliest possible date.

U. S. Department of Justice Attorneys Brandon Alvey and Robert Merkle will arrive San Francisco 2/12/74, in connection with captioned matter. Available information indicates they are primarily to coordinate with and assist the U. S. Attorney who will be responsible for prosecution.

San Francisco Office also advised 2/11/74, approximately 100 Agents working practically full time this case; in addition, numerous other San Francisco Agents, including all Resident Agents, handling leads and other phases of this investigation all aspects of which being supervised by SAC.

Early morning radio reports indicated an FBI official had speculated that the victim's family would be contacted by kidnapers today. A check with the San Francisco Office this a.m. revealed no such statement was made by SAC Bates.

At 12:51 p.m., today, SAC Charles Bates, San Francisco, advised that the Hearst family had been notified that another communication had been received at KPFA. This is the same radio station that received the original communication.

SAC Bates said that Randolph Hearst, the father of the victim, has left his home to proceed to the station to secure the communication. It will take him between an hour to an hour and a half to reach the station and return home.

SAC Bates said the only information available indicates that this letter contains demands such as payment to all poor people of \$70 each, free food, and the like. Allegedly, it is accompanied by a tape cassette of the voice of Patricia Hearst.

SAC Bates said that the press is aware of the receipt of the letter as Mr. Hearst, on leaving the house, told reporters who were outside that another communication had been received and he was on the way to retrieve it.

As soon as Mr. Hearst returns, San Francisco will furnish full details concerning demands.

DISTRIBUTION OF FOOD TO BEGIN FEBRUARY 19, NEXT.

THE GROUP ALSO DEMANDED THAT THEIR EMBLEM, DEMANDS, AIMS, AND PUR-

ENDED BY STATING THAT IF THIS GESTURE OF GOOD FAITH WAS NOT MET, THEY
WILL ASSUME THERE IS NO BASIS FOR FURTHER NEGOTIATION AND WILL NO LONGER
MAINTAIN IN GOOD HEALTH THE PRISONER OF WAR. ONE CASSETTE ACCOMPANIED
THE DEMANDS CONTAINING THE VOICE OF WHAT APPEARS TO BE A NEGRO MALE

FIELD MARSHAL OF THE SLA. IN ESSENCE, HE RELATED THAT IF DEMANDS OF THE SLA ARE NOT MET, HE WOULD NOT HESITATE TO EXECUTE THE PRISONER ALTHOUGH IT MEANT THE LOSS OF THE LIFE OF HIS TWO CHILDREN OF HIS OWN.

CASSETTE ALSO CONTAINED THE VOICE OF A YOUNG GIRL IDENTIFIED BY NUMEROUS RELATIVES OF VICTIM AS BEING THAT OF PATRICIA CAMPBELL HEARST. SHE SPOKE SLOWLY AND AT LENGTH, STATING SHE WAS IN GOOD HEALTH BUT URGING HER FATHER TO COMPLY WITH ALL DEMANDS.

SHORTLY AFTER NOON, FEBRUARY 12, 1974, VICTIM'S FATHER MADE AVAILABLE TO THE NEWS MEDIA THE COMMUNICATION CONTAINING THE ECONOMIC DEMANDS REFERRED TO ABOVE, ALONG WITH THE AIMS AND PURPOSES OF THE SLA SET FORTH IN THEIR AUGUST 21, 1973 DOCUMENT CAPTIONED "THE SYMBIONESE FEDERATION AND THE SYMBIONESE LIBERATION ARMY, DECLARATION OF REVOLUTIONARY WAR AND THE SYMBIONESE PROGRAM". VICTIM'S FATHER DID NOT MAKE AVAILABLE A COPY OF THE CASSETTE CONTAINING THE RECORDINGS OF HIS DAUGHTER'S VOICE AND THE VOICE OF THE NEGRO MALE REFERRED TO ABOVE. HE INDICATED TO THE PRESS THAT HE WOULD CONTINUE TO COOPERATE WITH THE SLA, HE WOULD DO ANYTHING WITHIN HIS POWER TO MEET THEIR DEMANDS, AND THAT HE WOULD TAKE NO ACTION WHICH WOULD ENDANGER THE LIFE OF HIS DAUGHTER. HE AT NO TIME INDICATED THAT HE WAS REQUESTING EITHER STATE OR FEDERAL AUTHORITIES TO LIMIT OR RESTRICT THEIR INVESTIGATION CONCERNING CAPTIONED MATTER. HE HAS PREVIOUSLY BEEN ADVISED BY SAC, SAN FRANCISCO, THAT UNDER NO CIRCUMSTANCES WOULD THIS OFFICE ENGAGE IN ANY INVESTIGATION ACTION WHICH WOULD KNOWINGLY JEOPARDIZE THE LIFE OF HIS DAUGHTER. MEMBERS OF VICTIM'S FAMILY ADVISED CONCERNING THE TAPE THAT THEY FELT THAT VICTIM WAS EITHER DRUGGED OF TRANQUILIZED, THAT THIS WAS NOT HER NORMAL WAY OF SPEAKING, PARTICULARLY THE REFERENCES TO POLITICS, SINCE VICTIM IS REPORTEDLY APOLITICAL. THE ORIGINAL MALE VOICE ON THE TAPE CASSETTE APPEARS TO BE THAT OF A NEGRO AS HE IDENTIFIES HIMSELF BY THE NAME OF CINQUE, KNOWN TO HIS FRIENDS AS CIN, A BLACK MALE WITH TWO CHILDREN. IT IS NOTED IN INVESTIGATION ENTITLED "DONALD DAVID DE FREEZE, AKA - FUGITIVE, UFAP - ESCAPE; POSSESSION OF HOMEMADE BOMB; RECEIVING STOLEN PROPERTY; ROBBERY; ASSAULT WITH FORCE", DE FREEZE IS KNOWN AS CINQUE. PRISON RECORDS INDICATE THAT DE FREEZE ACTUALLY HAS THREE CHILDREN, AND THREE STEP-CHILDREN, HOWEVER, INVESTIGATION BEING CONDUCTED THROUGH CLEVELAND OFFICE TO VERIFY THIS INFORMATION AND TO FURTHER ATTEMPT TO IDENTIFY THE FIRST VOICE AS BEING THAT OF DE FREEZE.

SUBJECT: HEARNAP

This morning I briefed Mr. Kelley on the latest developments concerning the kidnaping of Patricia Campbell Hearst.

On February 12, 1974, a second letter from the Symbionese Liberation Army (SLA) for Randolph Hearst, father of victim, was delivered to Berkeley Radio Station KPFA. A tape cassette accompanied this letter and contained the voice of what appears to be a Negro male identifying himself as "Cinque," a person with two children, plus the voice of a young girl identified by relatives as that of the victim. I pointed out to Mr. Kelley in the investigation entitled "Donald David DeFreeze, aka - Fugitive, UFAP - Escape; Possessing a Homemade Bomb; Receiving Stolen Property; Robbery; Assault with Force," DeFreeze, who is known to be affiliated with the SLA, is known as "Cinque." I further advised Mr. Kelley that records indicate DeFreeze actually has three children and three stepchildren. Investigation is continuing to further attempt to identify the male voice on the tape as being that of DeFreeze.

DeFreeze and [REDACTED] a known SLA affiliate and for whom we have a UFAC warrant, are considered prime suspects in this case. I advised Mr. Kelley that witnesses to the kidnaping, when shown photographs of DeFreeze and [REDACTED] to date have been unable to either identify or eliminate them as being two of the kidnapers.

At 10:00 a.m., the above information was furnished by me to [REDACTED] Attorney General, who advised she would apprise Attorney General Saxbe of this information.

At 8:37 p.m., 2/13/74, [REDACTED], telephonically contacted me and advised that he had a plan which might result in subjects releasing the victim. [REDACTED] stated that he would suggest that Mr. Hearst contact the appropriate authorities, State of California, and request that food be distributed to the needy as requested by the unsubs. [REDACTED] suggested that the cost for this food be deducted from the welfare checks of all recipients of same and by this manner the food would be distributed and the demands of the unsubs would be satisfied. [REDACTED] also spoke of involving a bank in the funding of such a project, however, he did not go into great details other than to reiterate that the bank, State of California, and Mr. Hearst would have to treat this on a very confidential basis if such a plan were to work.

[REDACTED] requested my opinion, however, he was told that no comment could be made on an active and pending investigation, but that his plan would be made a matter of record. [REDACTED] asked several times whether he should personally (by telephone) furnish this plan to the Director. I advised [REDACTED] that such action was not necessary as his plan would be made available to the appropriate personnel in the FBI for any action they desired to take.

[REDACTED] terminated the conversation by asking my name and title which was furnished to him.

DAILY SUMMARY

Above caption is the code name being utilized in all communications relating to the case regarding the kidnaping of Patricia Campbell Hearst.

All continental field offices have been furnished with copies of the artist's conception of the three kidnapers. This will facilitate the showing of these conceptions to persons who have contacted our field offices regarding lookalikes and also for display to informants.

The Identification Division has advised that 29 latent prints and two palm prints have been developed from evidence submitted by the San Francisco Office. The latents from the victim's apartment have been identified as palm prints of her fiancé, Steven Weed. Additionally, latents were obtained from the SLA

letters to the radio station and the newspaper. All latent fingerprints are being compared with available fingerprints of individuals contained in a list of believed members or sympathizers of the SLA supplied by our SF Office. Three latents obtained from the car owned by Peter Benenson, in which the victim was originally placed, have not been identified to date.

Investigation has been conducted regarding background of [REDACTED] and others believed connected with the two subjects charged with the murder of Oakland, California, School Superintendent Marcus Foster. Information developed indicates that [REDACTED]

[REDACTED] advises they have received continuous reports of individuals carrying on military type target practice on the ranch. The approximately 600 acre ranch is in rolling hills with numerous caves and according to [REDACTED] has been invaded by hippies who have established communes throughout the area. In view of the possible connection of [REDACTED] and associates with the SLA, preliminary contact has been made with [REDACTED]

[REDACTED] Los Angeles is evaluating the above in light of current developments and will make any appropriate recommendations.

The following is a review of the cassette recording received at radio station KPFA 2/12/74, with the letter from SLA:

The first male voice identified himself as a Black man who holds the rank of General Field Marshal in the United Federated Forces in the SLA. This individual states that the SLA has arrested the subject for the crimes committed by her mother and father against oppressed people in the United States. Emphasis is made of the fact that the victim's mother is a member of the University of California Board of Regents and that she along with others appointed by Governor Ronald Reagan are responsible for investing tax monies in giant American corporations which gain profits from the oppression, robbery, and murder committed against Black people in South Africa, against white people in Ireland and against the freedom of the Philippine people. For these reasons, the Hearst family is held accountable for these crimes and are regarded as enemies of the people. This individual directs that before any form of negotiations for the release of the subject prisoner be initiated, that an act of good faith be shown on the part of the Hearst family. This gesture is to be in the form of food to the needy and unemployed.

This individual indicates he is quite willing to carry out the execution of the victim in this case to save the lives of starving men, women and children of every race.

The second voice, identified as the victim's voice by victim's cousin and brother-in-law, then began with a statement that she was okay. The victim states she has a cold but is being given pills and is not being starved or beaten or necessarily frightened. She is kept blindfolded but not gagged and indicates that she is not terrified. She indicates that the only way she can be released is through acceptance by her family of the SLA's demands. She urges her father to insure that no action is taken that would jeopardize her life by having police, FBI or other law enforcement authorities "charging in".

She indicates that she is a prisoner of war as are the two men in San Quentin. She indicates that her father is being told this so that he will understand why she was kidnaped and that he will also understand that what happens to the two prisoners is going to happen to her. She tells her father that if he can get the "food thing" organized before the 19th, it will speed up her release. She states that this message is being prepared on Friday the 8th.

A male voice, possibly the same as the first, interrupts the victim to state that she is not going to be harmed in any manner unless attempts are made to release her by force. He states her confinement is related to "our captured soldiers" and their being held at San Quentin. After outlining victim's status under "the terms of war", he advises that no continuous flow of communications can be established for security reasons. Negotiations can be conducted only after they ascertain if their demands have been met.

San Francisco has advised that upon listening to victim's voice they feel she sounds as if she was possibly drugged and/or forced to read her statement from a prepared script. The tape cassette is being hand-carried by San Francisco Agent to FBIHQ for Laboratory examination. Agent expected to arrive Dulles Airport 6:50 a.m., 2/13/74.

The demand letter received with the aforementioned cassette tape by KPFA Radio Station, in essence, asks for a symbolic gesture from the representative of the corporate state demanding that all needy persons in the State of California be given \$70 worth of food of good quality beginning 2/19/74. The distribution of the food was to extend over a 4-week period and there must be at least 5 stores as distribution points in each community in the Cities of San Francisco, Oakland, East Palo Alto, Delano and Los Angeles, California. The SLA called upon community

Memorandum to . . . Gebhardt
Re: HEARNAP

groups such as the Black Panther Party to coordinate distribution with no police-state agents in or out of uniform in the area. SLA further demanded that the seven headed SLA cobra and other SLA related documents which were included in the letter be placed in its total form in newspapers and other media. The letter stated that if this gesture in good faith is not met with they will assume there is no basis for negotiation and will no longer maintain in good health the prisoner of war.

Newark Office advised their files indicate Steven Andrew Weed, victim's fiancé, was Captain of Princeton University Track Team in 1969 and member of Students For Democratic Society (SDS), Princeton University, 1967-1969. Weed appeared before Discipline Committee for participation in SDS blockade of Marine Corps Recruiters, Ellis Hall, 4/21/69.

Princeton SDS files indicate Weed was not leader in 1968 SDS protests. Weed identified 11/17/67, as playing on SDS Touch Football Team versus ROTC at Princeton. Article regarding this appeared 11/18/67, New York Times. No record for Weed, Princeton, N.J., Police Department. Based consideration being given to conducting discreet background investigation covering all facets of Weed's adult life.

Individual who has not, in their opinion, been entirely candid in FBI background investigation.

Regarding Bureau of Alcohol, Tobacco and Firearms who furnished information concerning SLA plans to kill officials including Secret Service, police and FBI, investigation has determined this individual's true name is [redacted]. Intensive investigation continuing to locate [redacted] to resolve this aspect.

Local authorities have no information indicating flight by Nancy Ling Perry from California and therefore not desirous of requesting an Unlawful Flight warrant. SF conducting investigation of Perry in view of her SLA activities and endeavoring to develop information that she has in fact fled the State of California. In excess of 100 Agents are being utilized in this investigation on practically full time basis.

Re Bureau teletype to all offices dated 2/6/74, captioned "UNSUBS (5); PATRICIA HEARST - VICTIM, KIDNAPING, OO: SAN FRANCISCO, SF 7-855, BUFILE 7-15200" (code name now "HEARNAP").

Enclosed for the Bureau and each field office are two mug shots of [REDACTED] and two mug shots of DONALD DAVID DE FREEZE which bore California Prison System Number B24833A dated 1/16/73.

For information of all offices on 2/7/74, communication from kidnapers identified them as members of the Symbionese Liberation Army (SLA). [REDACTED] and DE FREEZE identified as members or sympathizers of this group and suspected of being involved in kidnaping and killings on behalf of the SLA. In a second communication on 2/12/74, an individual who identified himself as the United Field Marshal of the SLA stated that his name was "CYNQUE" and information available indicates that this is DONALD DAVID DE FREEZE. This information is not known at this time outside law enforcement and should not be the subject matter of any interviews conducted during the fugitive investigation.

Little is known of the SLA, the organization first coming to the attention of law enforcement on 11/6/73, when they took credit for the killing of Oakland Superintendent of Schools MARCUS FOSTER, a black man. Also shot and seriously wounded was Deputy Superintendent ROBERT BLACKBURN. The group alleges that its membership is made up of blacks, Chicanos, Asians, and conscious whites. The symbol of the group is the seven-headed cobra below which are the initials S.L.A. The group appears to be made up of combat units or cells which are backed up by medical, intelligence, propaganda, and provisional units. The group has what they call the Court of the People where they find individuals guilty and thereafter issue death warrants or in the case of PATRICIA HEARST, she was kidnaped as a prisoner of war. The group as a trademark drills out its ammunition and fills it with potassium cyanide. They are in possession of pipe bombs, molotov cocktails, and heavy weapons.

SF 88-14453
SF 88-15518
TJP:nb

A review of the membership and suspected membership indicates that the group includes former members of the Venceremos Organization (VO), Vietnam Veterans Against the War (VVAW), black militants from the California Prison System and persons not previously coming to the attention of police agencies who are sympathetic to problems of the prison population. For investigative assistance, the VO reportedly has had a central telephone number which is manned 24 hours a day. When police arrive at members' residence, residents are generally found to be armed. A telephone call is made to the 24 hour number and a short time later other members respond to harrass police officers.

On 2/8/74, an authorized complaint was filed by SA CARL GOSTING at Salinas, California, before U.S. Magistrate FRANCIS J. CARR, charging DE FREEZE with violations of Title 18, Section 1073, U.S. Code, in that he did flee the state of California to Ohio to avoid confinement for armed robbery, possession of homemade bomb, receiving stolen property and escape. Bail \$50,000.

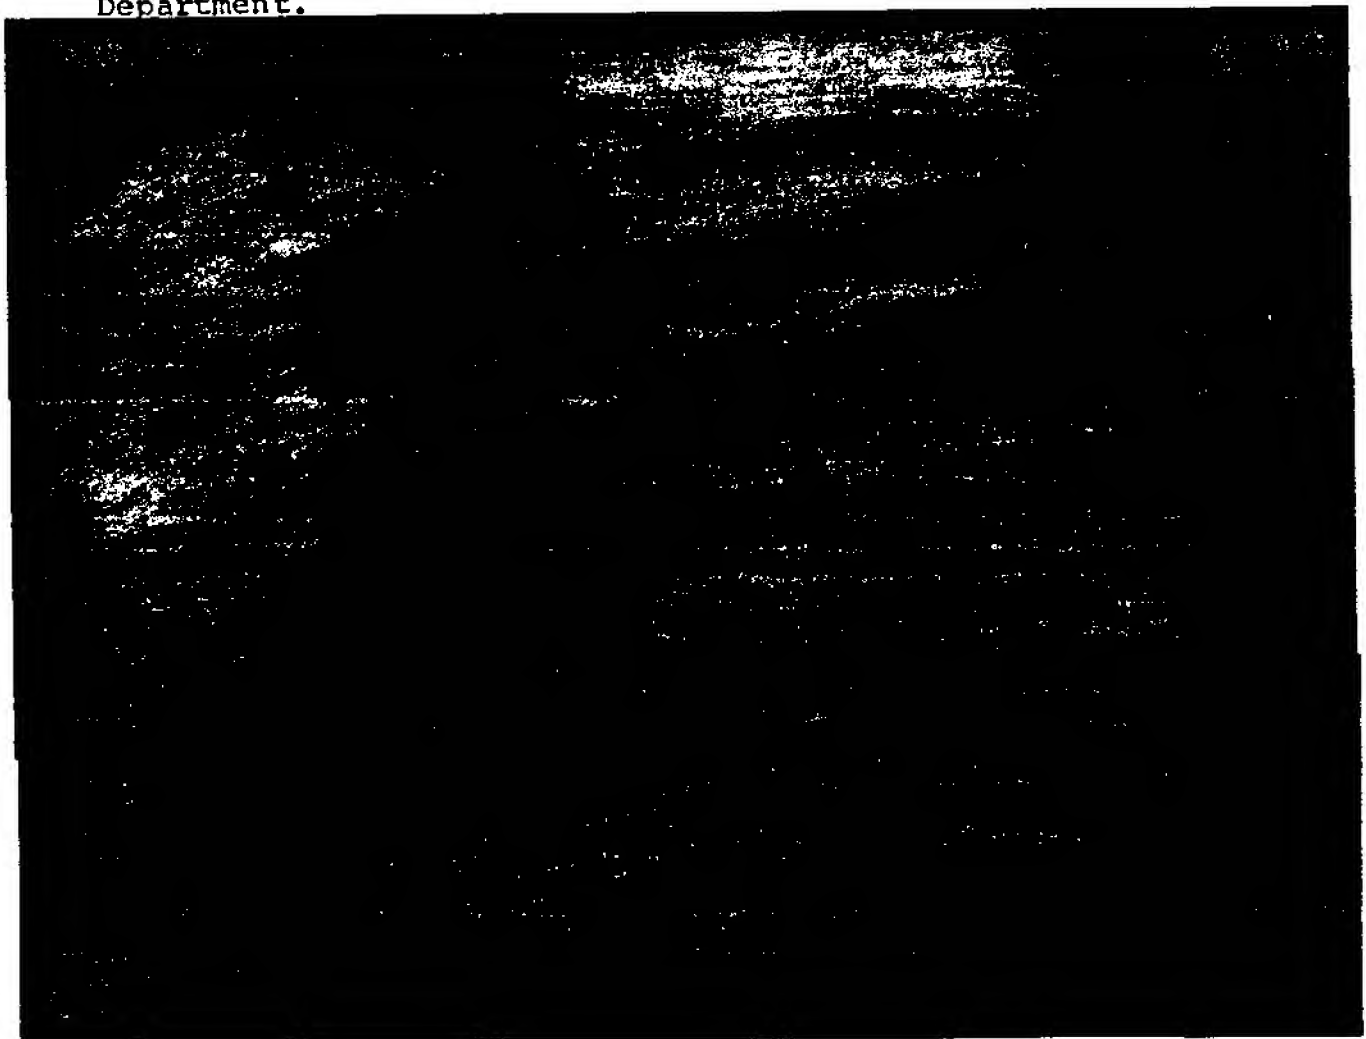

Warrants issued both cases, fugitive form letters submitted.

COULD NOT RECALL THE OVERHEARD CONVERSATION VERBATIM
BUT GAVE THE GIST OF THE CONVERSATION BETWEEN THE

THE UNKNOWN BLACK MALE WAS READING THE NEWSPAPER
AND COMMENTING OUT LOUD TO THE UNKNOWN WHITE MALE
ABOUT THE HEARST KIDNAPPING. THE BLACK MALE SAID
THAT HE WAS PLEASED WITH KIDNAPPING, THAT IT
WAS A GOOD THING BECAUSE THE POOR WOULD BENEFIT,

AND THE PLEA BY MR. HEARST, THE FATHER, WAS RIDICULOUS. THE WHITE MALE DID NOT COMMENT ON THE KIDNAPPING. AT THIS POINT THE BLACK MALE CHANGED THE SUBJECT TO THE WHITE MALE'S DESTINATION. THE WHITE MALE SAID HE WAS EN ROUTE TO A FILM SCHOOL IN NEW MEXICO ON A LATER FLIGHT DURING THE DAY. THE BLACK MALE THEN SAID THAT HE HAD RECENTLY SHOT SOME PUBLIC RELATIONS FILM OF MUHAMMED ALI AND ADVISED THE WHITE MALE TO CHECK HIS BAGGAGE AND SEE SOME OF THE TOWN WHILE HE WAS WAITING.

[REDACTED] STATED THAT THE CONVERSATION BETWEEN THE TWO MEN GAVE HIM THE IMPRESSION THAT THEY DID NOT KNOW EACH OTHER; HOWEVER, DURING THE COURSE OF THE CONVERSATION [REDACTED] GLANCED OVER HIS SHOULDER AND COULD ONLY SEE THE BACKS OF THEIR HEADS. DUE TO THE VOLUME OF TELETYPES BEING RECEIVED BY THE OFFICE OF ORIGIN AND FBIHQ, ALL OFFICES ARE INSTRUCTED TO UTILIZE THE FOLLOWING FORMAT TO ASSIST IN CHANNELIZING INFORMATION.

ALL TELETYPES SHOULD CONTAIN, IN ADDITION TO THE USUAL REFERENCE, A SUCCINCT NOTATION AS TO WHAT ASPECT OF THE CASE THE REFERENCED COMMUNICATION PERTAINS TO. FOR EXAMPLE, "RESFTEL TO ATLANTA FEBRUARY 12, 1974. REFERENCED SAN FRANCISCO TELETYPE CONCERNED VEHICLE OWNED BY PETER BENENSON."

OFFICES FURNISHING INFORMATION BY TELETYPE WITHOUT BENEFIT OF A PRIOR COMMUNICATION TO REFERENCE SHOULD PROVIDE SEGMENT OF CASE THEIR INFORMATION PERTAINS TO. FOR EXAMPLE, AMMUNITION, LOOKALIKE, ETC.

NOTE: This involves kidnaping of Patricia Hearst 2/4/74. The high volume of communications in this case without appropriate reference to matters reported has made it difficult to properly coordinate this case. Foregoing teletype is to advise offices appropriately.

At approximately 1 p.m. on 12/12/74, I was contacted by [REDACTED] "Kansas City Star" reporter, who advised that he had been called in Kansas City by one [REDACTED] a reporter for the "Oakland Times," Oakland, California. [REDACTED] advised [REDACTED] he was experiencing difficulty in obtaining one item of information and asked [REDACTED] to call me since I was from Kansas City. [REDACTED] could not obtain information relating to FBI laboratory tests on several 9mm cartridges recovered at the scene of the Hearst kidnaping.

I advised [REDACTED] that we could not divulge the results of laboratory tests and that future inquiries should be directed to SAC Bates, San Francisco Field Office.

The exact question was whether or not the spent slugs bore traces of cyanide poison such as those recovered from an earlier homicide and shooting in the Bay area involving the Superintendent of Schools and his assistant.

HE RECALLED THAT ON AUGUST 19, 1973, (SUNDAY), BETWEEN THE HOURS OF 12:30 PM AND 1:30 PM, HE HAD PARKED HIS CAR IN THE PARKING LOT WAITING FOR THE SAUSALITO FERRY. HAND CRAFT WORK. HE ALSO ADVISED A DRAMATIC SKIT WAS BEING PORTRAYED BY SOME OF THE HIPPIES. WASSON OBSERVED ONE STAND RUN BY A HIPPIE WHITE GIRL AND TWO MALE NEGROES. THE WHITE GIRL ACCORDING TO [REDACTED] LOOKED A LOT LIKE THE ARTISTS CONCEPTION EXCEPT THAT HER FACE WAS THINNER AND ONE NEGRO LOOKED SIMILAR TO ONE OF THE PUBLISHED DRAWINGS. HE DESCRIBED THE GIRL AS WHITE FEMALE, EARLY 20'S, 120 TO 125 POUNDS, FIVE FT, THREE, LARGE BOSOMS, WEARING WHITE SEE-THROUGH BLOUSE AND NO BRA, AND DESCRIBED ONE NEGRO MALE AS HAVING "ATHLETIC CARRIAGE", 6 FT. ONE, 175 LBS., MEDIUM COMPLEXION, DID NOT RECALL ANY PARTICULAR DESCRIPTION FOR SECOND NEGRO MALE. [REDACTED] STATED THAT HE REMEMBERED SEEING A MULTIPLE HEADED SERPENT INSIGNIA AS EITHER BEING A TATTOO ON THE WHITE FEMALE'S ARM OR MORE POSSIBLY AN INSIGNIA ON THE BACK OF THE NEGRO MALE'S JACKET. [REDACTED] STATED THE HIPPIE FAIR WAS RIGHT NEXT TO A PUBLIC FOUNTAIN OR WATER FALL AND SEEMED TO BE IN A CONCRETE SQUARE. [REDACTED] ADVISED THAT HE AND HIS FAMILY BOARDED THE FERRY ABOUT 1:30 TO SAUSALITO AND HE NOTICED THE ABOVE MENTIONED PEOPLE WERE PACKING UP AND LEAVING AT ABOUT THAT TIME. THEY DID NOT BOARD THE FERRY.

I am white, and I am sorry I joined the people who have your daughter. I saw her wensday and she was alright. She is brave and beautifull and innocent. Dont let her marry that Weed man. He talkd to our brass last month and said how to set it up. He said if he marryes her he ~~must~~ have enouf money to hold up his head. He got his idea from Miss Angla Davis, who gives orders and idees to our brass.

I am so ashamed to belong. I am trying to get out easy, but god help me if they find out I write this. They are animels, but I dont think they will hurt her.

God bless you, and god forgive me.

Hearst Family,

(Second Commandment: For I the Lord am a jealous God and visit the sins of the fathers upon the children unto the third and fourth generation.)

No, we are not religious nuts, but we hate you for your father's part in starting the Spanish-American War, and also for his later, cheap liason with the trollop Marian Davies.

Our male ancestors were killed in your father's war and their wives were left with pensions of \$25 to \$50 a month for life. We wonder how you can hold up your heads in decent society, and why your contemporaries can stomach your presence. Our once proud families were destroyed by your father's war----which he started to boost his circulation.

HERE IS WHAT WE DEMAND:

Before we release your daughter Patricia, you must show proper humility by acknowledging the guilt of William Randolph Hearst (in regard to starting yellow journalism and instigating the Spanish-American War). You must publicly beg the forgiveness of your country. This must be done on ALL media and must be expressed in terms of abject humility.

When we are convinced that you are showing abject humility for the sins of your father and his papers, we will release Patricia, whose only sin is that she carries the genes of William Randolph Hearst.

A.

We have heard it said that Mr. Hearst wants to save his daughter, we want to save all the children and people. In an effort to answer some of the basic needs of the people are asking for a symbolic gesture of good faith from this representative of the corporatist state. Each person with one of the following cards is to be given \$70.00 worth of meat, vegetables, and dairy products: all people with welfare cards, social security pensioner food stamp cards, disabled veteran cards, medical cards, parole or probation papers, and jail or bail release slip. So that all those with such cards have time, and will not be forced to stand waiting in long lines, the time for the distribution of this food must extend over a four week period, beginning February 19th, on each Tuesday, Thursday and Saturday for four successive weeks, each person with one of the listed cards can go to publicized stores and pick up their food.

1. The stores where people can go are to be clearly designated and publicized in each of the communities listed below, and they are to be within easy access to the people of those communities. There must be at least 5 stores as distribution points within each community; these distribution points should be major stores within the community, we suggest such stores as Safeway and Wayfair.
2. The meat, vegetables, and dairy products must be of top quality, and in ample supply during all store hours.
3. TO THE PEOPLE: If you are not receiving your food, all you have to do is voice your discontent in the streets, at bus stops, movie theatres, etc. and we will hear you. Also anyone facing any interference from the police state in the way of harassment should voice their discontent. The people's army calls upon community groups such as Mirobi College in East Palo Alto, Glide Memorial Church in San Francisco and The Black Teachers Caucus, The National Welfare Rights Organization, United Workers, ADP, Third World Womens Alliance, United Prisoner's Union, as well as representatives from people's news services such as Getting Together, Kalayan, Triple Jeopardy, Black Panther Party, The Anvil, and others to act as observers and coordinators to see to it that the aged and disabled receive their food and ways to transport it and shop for it, AND to see to it that NO police-state agents, in or out of uniform, are allowed to be in the areas of food distribution or photograph or harass the people.
4. Stores in each of the following cities or communities are to serve as distribution points:
San Francisco (Mission District, Chinatown, Hunters Point, The Fillmore)
Oakland (East and West)
Richmond
East Palo Alto
Delano
Santa Rosa
Los Angeles (Watts, Compton, East Los Angeles)

B.

1. The document showing the emblem and meaning of the seven-headed cobra that is in the possession of police state authorities shall be placed in newspapers and other forms of the media in its exact form, not omitting any area.
2. The document that is enclosed regarding the declaration of war and the goals of the S.L.A. shall also be placed in its total form in newspapers and other forms of the media.
3. A copy of all these stated documents, along with a full copy of the tape enclosed recorded by myself and Pat Hearst is to be distributed to the media for publication.
4. The news media is warned that all attempts to mislead the public concerning the issue of The S.L.A., or to confuse the public by withholding or omitting sections of the tape or S.L.A. documents, jeopardizes the prisoner.

IF THIS GESTURE OF GOOD FAITH IS NOT MET THEN WE WILL ASSUME THAT THERE IS NO BASIS FOR NEGOTIATIONS, AND WE WILL NO LONGER TAKE AND MAINTAIN IN GOOD HEALTH AND SPIRIT THE STATE OF WAR.

THE SYMBIONESE FEDERATION & THE SYMBIONESE LIBERATION ARMY
DECLARATION OF REVOLUTIONARY WAR & THE SYMBIONESE PROGRAM

AUGUST 21, 1973

The Symbionese Federation and The Symbionese Liberation Army is a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined The Symbionese Federated Republic and have agreed to struggle together in behalf of all their people and races and political parties interest in the gaining of FREEDOM and SELF DETERMINATION and INDEPENDANCE for all their people and races.

The Symbionese Federation is NOT A GOVERNMENT, but rather it is a united and federated formation of members of different races and people and political parties who have agreed to struggle in a UNITED FRONT for the independance and self determination of each of their races and people and The Liquidation of the Common Enemy

And who by this federated formation represent their future and independant pre-gov-ernments and nations of their people and races. The Symbionese Federation is NOT A PARTY, but rather it is a Federation, for its members are made up of members of all political parties and organizations and races of all the most oppressed people of this fascist nation, thereby forming unity and the full representation of the interests of all the people.

The Symbionese Liberation Army is an army of the people, and is made up of members all the people. The S.L.A. has no political power or political person over it that dictates who will fight and die if needed for the freedom of our people and children but does not risk their life or fight too for our freedom, but rather the S.L.A. is both political and military in that in the S.L.A. the army officer, whether female or male is also the political officer and they both are the daughters and sons of the people and they both fight as well as speak for the freedom of our people and children.

The Symbionese Federation and The Symbionese Liberation Army is made up of the age- youth and women and men of all races and people. The name Symbionese is taken from the word symbiosis and we define its meaning as a body of dissimilar bodies and organisms living in deep and loving harmony and partnership in the best interest of all within the body.

We of the Symbionese Federation and The S.L.A. define ourselves by this name because it states that we are no longer willing to allow the enemy of all our people and children to murder, oppress and exploit us nor define us by color and thereby maintain division among us, but rather have joined together under black and minority leadership in behalf of all our different races and people to build a better and new world for our children and people's future. We are a United Front and Federated Coalition of members from the Asian, Black, Brown, Indian, White, Women, Grey and Gay Liberation Movements.

Who have all come to see and understand that only if we unite and build our new world and future, will there really be a future for our children and people. We of the People and not the ruling capitalist class, will build a new world and system.

Where there is really freedom and a true meaning to justice and equality for all women and men of all races and people, and an end to the murder and oppression, exploitation of all people.

We of the Symbionese Federation and The S.L.A. are the children of all oppressed people, who have decided to redefine ourselves as a Symbionese Race and People. Yet, recognizing the rich cultures of each and enforcing our rights to existence of our many cultures within a united federation of independent and sovereign nations, each of them flourishing and protected by its own laws and codes of self determination.

We are of many colors, but yet of one mind, for we all in history's time on this earth have become part of each other in suffering and in mind, and have agreed that the murder, oppression and exploitation of our children and people must end now, we all have seen the murder, oppression and exploitation of our people for too long under the hand of the same enemy and class of people and under the same system.

Knowing this, the Symbionese Federation and The S.L.A. know that our often murdered alienation from each other aids and is one of the fundamental strengths behind the ruling capitalist class's ability to murder and oppress us all. By not allowing them to define us by color, and also recognizing that by refusing ourselves to also internalize this false division definition, knowing that in mind and body we are facing the same enemy and that we are all comrades of one people, the murdered and oppressed, we are now able to become a united people under the Symbionese Federation and make true the words of our codes of unity that TO DIE A RACE, AND BE BORN A NATION, IS TO BECOME FREE.

Therefore, we of the Symbionese Federation and The S.L.A. DO NOT under the rights of human beings submit to the murder, oppression and exploitation of our children and people and do under the rights granted to the people under The Declaration of Independence of The United States, do now by the rights of our children and people by Force of Arms and with every drop of our blood, Declare Revolutionary War against The Fascist Capitalist Class, and all their agents of murder, oppression and exploitation. We support by Force of Arms the just struggles of all oppressed people for determination and independence within the United States and The World. And hereby offer to all liberation movements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for all people and races. We call upon all revolutionary black and other oppressed people within the Fascist United States to come together and join The Symbionese Federation and fight in the forces of The Symbionese Liberation Army.

THE GOALS OF THE SYMBIONESE LIBERATION ARMY

1. To unite all oppressed people into a fighting force and to destroy the system of the capitalist state and all its value systems. To create in its place a sovereign nations that are in the total interest of all its races and people, based on the true affirmation of life, love, trust, and honesty, freedom and equality is truly for all.
2. To assure the rights of all people to self determination and the rights to build their own nation and government, with representatives that have shown through their actions to be in the interest of their people. To give the right to all people select and elect their own representatives and governments by direct vote.
3. To build a people's federated council, who will be a male and female of each People's Council or Sovereign Nation of The Symbionese Federation of Nations, who shall be the representatives of their nations in the forming of trade packs and unified defense against any external enemy that may attack any of the free nations of the federation and to form other aids to each others' needs.
4. To aid and defend the cultural rights of all the sovereign nations of The Symbionese Federation, and to aid each nation in the building of educational and cultural institutions to meet and serve this need for its people.

5. To place the control of all the institutions and industries of each nation into the hands of its people. To aid sovereign nations of the federation to build nations where work contributes concretely to the full interest and needs of its workers and the communal interest of its communities and its people and the mutual interest of all within the federation of nations.
6. To aid and defend the rights of all oppressed people to build nations which do not institute oppression and exploitation, but rather does institute the environment of freedom and defends that freedom on all levels and for all of the people, and by any means necessary.
7. To give back to all people their human and constitutional rights, liberty, equality and justice and the right to bear arms in the defense of these rights.
8. To create a system where our aged are cared for with respect, love, and kindness and aided and encouraged to become assets in their own ways to their nations and to their communal community. That the life that moves around them is not frightening and murderous one and where life is not a fear, but rather one of love and feeling and of unity.
9. To create a system and laws that will neither force people into nor force them stay into personal relationships that they do not wish to be in, and to destroy all chains instituted by legal and social laws of the capitalist state which act as a reinforcing system to maintain this form of imprisonment.
10. To create institutions that will aid, reinforce and educate the growth of our comrade women and aid them in making a new true and better role to live in life in the defining of themselves as a new and free people.
11. To create new forms of life and relationships that bring true meanings of love to people's relationships, and to form communes on the community level and bring the children of the community into being the responsibility of the community, to place our children in the union of real comradeship and in the care and loving interest of the revolutionary community.
12. To destroy the prison system, which the capitalist state has used to imprison the oppressed and exploited, and thereby destroy the love, unity, and hopes of millions of lives and families. And to create in its place a system of comradeship and that of group unity and education on a communal and revolutionary level within the community, to bring home our daughters and sons, and sisters and brothers, fathers and mothers and welcome them home with love and a new revolutionary comradeship of unity.
13. To take control of all state land and that of the capitalist class and to give back the land to the people. To form laws and codes that safeguard that no person can own the land, or sell the land, but rather the nations' people own the land and use it for their needs and interest to live. No one can own or sell the air, the sky, the water, the trees, the birds, the sun, for all of this world belongs to the people of this earth.
14. To take controls of all buildings and apartment buildings of the capitalist class and fascist government and to totally destroy the rent system of exploitation.
15. To build a federation of nations, who shall formulate programs and unions of action and interests that will destroy the capitalist value system and its other anti-human institutions and who will be able to do this by meeting all the basic needs of the people and their nations. For they will be all able to do this because each nation will have full control of all of its industries and institutions and does not run them for profit, but in the full interest of all the people of its nation.
16. To destroy all forms and institutions of Racism, Sexism, Ageism, Capitalism, Feudalism, Individualism, Possessiveness, Competitiveness and all other such institutions that have made and sustained capitalism and the capitalist class system that has oppressed and exploited all of the people of our history.

By this means a. the mutual aid and unity of each nation within The Symbionese Federation, will each nation be able to provide to each person and couple and family free of cost the five basic needs of life, which are food, health care, housing, education and clothing, and in this way allowing people to be able to find and form values and new systems of relationships and interests based on a new meaning to life and love

No member of The War Council can elect or select himself or herself to a position as the head of a government or people's council; the War Council is totally an alliance OF WAR AGAINST THE COMMON ENEMY. The people themselves shall have and hold the ONLY RIGHT to select and elect their governments and government heads of state.
6. It is NOT the policy of The War Council to rip off leadership or membership from other organizations, but rather it is the policy of The War Council to aid and support the development and education of leadership to fulfill truly its responsibility to the people, and to allow the collective intelligence, leadership and resourcefulness of the leadership from different organizations and groups to flourish together and grow together; thereby forming an area where the collective interests and needs as well as weaknesses and strengths of each can benefit each IN THE COMMON STRUGGLE TO WIN THE COMMON ENEMY.
7. A successful military force is a necessity for actualizing political goals and must therefore be held as a priority; therefore, the true assistance in the supplying of military equipment, materials, finances, personal is of the utmost importance, once the forces have fully committed themselves to open and total warfare against the common enemy and members of The War Council must understand this clearly.

8. Leadership of any group or organization who is totally committed and in agreement with the goals of The S.L.A. and the terms of military/political alliance may be presented to The War Council; however, the presented officer's membership is not confirmed until it is verified that prior to presentation for membership a combat action has been taken part in by that group, or organization within the last 12 months.
9. Once The War Council collectively agrees to an action or plan of strategy then the action shall be understood as an action of The S.L.A., and not of any any single group or organization. Just as the fingers cannot call themselves a fist, and the fist cannot call itself the fingers. From time to time the membership on The War Council may disagree upon a particular action or strategy. When in disagreement that particular membership need not participate in The S.L.A. action, but membership on The War Council is maintained only as long as all commitments made to the collective Symbionese War Council are continued to be fully adhered to. It is the disagreeing group or organization's responsibility to, on its own, prove out their ideas in order to change or modify its own or The collective War Council's direction.
10. It is the policy of The War Council not to involve itself in the internal political affairs of disagreements that may result within different organizations or groups. However, The War Council recognizes and accepts membership to the Council of any military/political unit, cell or organization that qualifies and shall recognize them true representatives of that particular organization or group. It is the collective policy of The War Council that the failure of the elected leadership to take her or his revolutionary responsibility as far as the War Council is concerned shall be totally the responsibility of the elected leader and not that of The War Council.
11. Organizations or groups that wish to serve in combat units must select two persons one female and one male (if possible), who have full responsibility and authority to act and represent their group or organization and who will hold a command position the unified command of The United Symbionese War Council.
- 12.

All members of The Symbionese War Council must clearly understand that our commitment total and our goal is the total freedom of the people and children and the destroying totally of the common enemy. Therefore, it is held that any restraining of supplies or other war materials etc. for political reasons or reactionary reasons or political chess games with the enemy, by any officer or other persons in the War Council that by its actions endangers the lives of the women and men of The Symbionese Liberation Army shall be held as a full and total violation of this alliance pact and compromising with the enemy and the freedom and life of the people and children and therefore is punishable by death.

TO THOSE WHO WOULD PEAR THE HOPES AND FUTURE
OF THE PEOPLE, LET THE VOICE OF THEIR GUNS
EXPRESS THE WORDS OF FREEDOM.

Gen. Field Marshall
CIN

S.L.A.

Each cell of The S.L.A. TACTICAL SUPPORT UNITS is composed of elements of other organizations and groups and individuals. Under the strategy of The S.L.A. it is totally impossible to follow the egotistic aspirations of many leaders of political organizations, since they continue to organize new organizations everytime one falls apart, when they fail to understand that the people always organize to fight the enemy and when leaders fail to start the fight, then the people fall from that organization.

To continue in this manner is totally reactionary, egotistic, opportunist and anti-revolutionary, since to do so only allows for the continued grouping and regrouping of the revolutionary people for the fight that never comes and with the only purpose of organizing.

This is totally anti-revolutionary for within the true purpose of revolution there is TWO DEEP PURPOSES: TO DESTROY THE ENEMY AND FREE THE PEOPLE. This in itself means the need for an army of the people that fights the enemy.

In order to organize, one must organize in support of something, one does not organize support of having or belonging to or just to organize, but rather one must have a purpose to organize around, and since in revolution it is the purpose to organize to fight the enemy and to support those that fight on the front lines, it is then clear that the people organize to fight and destroy the enemy. They do not organize to fight the enemy and then when it comes time to fight, claim that to fight the enemy will endanger the organization. This would show them to be lovers of positions and the organization and not true revolutionaries that love the people and children.

Since you as members of the people have organized to fight the enemy, for the reason that you are and do love the people, then it is clear to you where your true responsibility and that is to join and support those who are in the front lines fighting the enemy. It is of us all, regardless of what color, group or organization they belong to, for the people are just this, they are not of organization or color or group, they are the oppressed, exploited and the murdered, they are those we love and for whom we, if needed are willing to die for, they are our children.

Therefore what is needed now is for you as lovers of the people to select in what area you are able and willing to fight in or give support to, either in the combat units or support units of The S.L.A., the choice is yours alone: to be and show yourselves as lovers of the people and our children and true to your word revolutionaries or as egotistic opportunists and lovers of the group and organization and enemies of the people.

HEARST advised that FISHER told him that this was the envelope in which the previously submitted cassette tape and letter had been received and which could not be located on 2/12/74, when the cassette and letter were furnished. HEARST did not know how many or identity of any individuals at KPFA who had handled this envelope. It was handed to him inside another envelope and so was not touched by FISHER or him at the time he received it from FISHER. HEARST would presume that at least FISHER would previously have handled this envelope and possibly ROGER PRITCHARD, Manager, KPFA, although HEARST did not observe either of these individuals touching the envelope. He noted it was in KPFA's possession from the time it was received at approximately 9:30 a.m., 2/12/74, until it was handed to him at approximately 1:30 p.m., 12/13/74.

FBI Laboratory is requested to conduct in addition to latent fingerprint examination a comparison with other letters and envelopes previously submitted in this matter and any other logical appropriate examination.

Results should be furnished to San Francisco office and this envelope returned upon completion of examination for evidentiary use.

SUBJECT: HEARNAP

This to recommend approval of a request made by Los Angeles to [REDACTED] a 600 acre ranch north of Santa Barbara, California, a possible area being utilized by the Symbionese Liberation Army (SLA).

BACKGROUND:

In March, 1973, Santa Barbara County Sheriff's Office (SBCSO) deputies stopped a vehicle near the Kinevan ranch, north of Santa Barbara, California. Individuals in the vehicle were [REDACTED]

Located in their vehicle were several weapons including a .9 milli-meter Luger which has been identified as identical with the weapon found in possession of Russell Little and Joseph Remiro when they were arrested January, 1974, for the murder of Marcus Foster, Superintendent of Schools, Oakland, California. The above individuals are believed to be directly associated with the SLA, which is considered the group responsible for this kidnaping. The SBCSO has reported that [REDACTED] who lived at the ranch in 1973, has been seen recently in the Santa Barbara area. In addition, the SBCSO has received continuous reports including some within the past two weeks of gunfire and of small groups carrying on military type target practice at the ranch.

Preliminary efforts by the Los Angeles Office to penetrate the ranch have met with negative results because of the hilly terrain and underbrush. Much of the area requires travel by horseback and several hippie communes are known to exist on the ranch. Los Angeles and San Francisco believe the area to be an ideal location for unknown subjects to use as a "safe area" in this case. Extensive investigation to date likewise has not located two suspect vehicles being sought.

Specimens received

- Q28 White envelope postmarked "BERKELEY, CA 947 FEB 7 PM 1974," and bearing written address "KGO TV NEWS, 277 GOLDEN GATE AVE., SAN FRANCISCO, CALIF."
- Q29 Sheet of ruled paper bearing writing beginning "(I,WE) SAW MR. AND MRS. HEARST..."
- Q30 White envelope bearing written address "KGO-TV NEWS, 277 GOLDEN GATE AVE., SAN FRANCISCO, CA." and bearing partial postmark
- Q31 Sheet of ruled paper bearing writing beginning "WE REQUIRE NO CASH. WILL SEND..."

Result of examination:

Q28 through Q31 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned hand printing on Q28 through Q31 was prepared by the same person or by the writer or writers of the questioned hand printing on Q24 and Q25, due to the presence of distortion in the questioned hand printing, possibly due to intentional disguise.

Adhesive observed at the tops of Q29 and Q31 indicate that these sheets of paper were torn from a ruled tablet or tablets. Q28 through Q31 contain no watermarks, indented writing of significance or other characteristics which would aid in determining their source.

Q28 through Q31, which have been photographed, are being returned separately.

THERE ARE OBVIOUS SIMILARITIES IN MODUS OPERANDI RELATING TO SLA, VO AND UNNAMED GUERRILLA GROUP. IDENTIFICATION OF INDIVIDUALS IN CONNECTION WITH SLA INVESTIGATIONS, WHO WERE FORMER VO MEMBERS, INDICATES STRONG POSSIBILITY OF INVOLVEMENT OF FORMER VO MEMBERS IN THE SLA.

SAN FRANCISCO IS INSTRUCTED TO CAREFULLY COORDINATE ITS INVESTIGATION OF THE VO AND ITS FORMER MEMBERS WITH ELEMENTS OF SAN FRANCISCO ACTIVELY INVOLVED IN PATRICIA CAMPELL HEARST KIDNAPPING, ALLEGEDLY A SLA ACTION. NO ACTION SHOULD BE TAKEN IN CONNECTION WITH VO INVESTIGATION WHICH WOULD CONFLICT WITH CRIMINAL INVESTIGATION OF KIDNAPPING.

SAN FRANCISCO IMMEDIATELY REVIEW VO INVESTIGATIONS OF TWELVE INDIVIDUALS IDENTIFIED AS FORMER MEMBERS OF THE VO AS SET FORTH ON PAGES 12-13 OF REFERENCED LHM. BE ALERT FOR INFORMATION OR LEADS TO ASSIST IN SLA AND KIDNAPPING INVESTIGATIONS.

NOTE:

VO was formed in late 1970 after H. Bruce Franklin
led approximately 150 members out of the RU. The VO members
urged protracted urban warfare against the establishment
while RU advocated the time was not ripe for violence. VO
has been identified as involved in violent actions including
the murder of a prison guard in effecting the escape of a
VO member. VO claimed to be multi-national organization
consisting of "third world people" and was actively involved
in community and "people's" projects. Many similarities
exist between VO and the Black Guerrilla group and known
activity of RU.
